Eskenazi, 2010-05-11 Question What is the only team dating back to the 1970 AFL NFL merger that has yet to win a division title Question What is the only team in the four major pro sports that has existed since the early 1960s and never had a coach leave with a winning career record for the team Question What is the only team in sports that plays its home games in a stadium named for another team If you bleed green and white you know the answer to these questions as well as you know the color of Joe Willie Namath's shoes The New York Jets have a record for futility and self sabotage that is unmatched in the history of professional sports And nonetheless they have been rewarded with a loyal following that has made Jets tickets as hard to come by as Jets winning seasons For Jets fans the bright beacon of promise has always turned into an onrushing train They reveled in the joy of the Jets epic victory in Super Bowl III when their team beat the 18 1 2 point odds to defeat the
