Godincidences! Jo-Ann Faith Richards, 2010-09 Jamaicans are destined for travel This exclamation was overheard by the author in passing and may well be true as Jamaicans may be found in many countries all over the world Godincidences is an account of travels by a Jamaican woman on a mission with her awesomely sovereign sovereignly awesome God As she shares her adventures in places like Burkina Faso Switzerland Costa Rica and Peru you may be tempted to envy unless you accept her invitation to join her as she adventures with God Godincidences actually goes beyond merely sharing Jo Ann's adventures It gives you the space to view your own life as an adventure and to document your own escapades with the awesomely Sovereign Sovereignly awesome God of the Universe

St. Andrew's Cross, 1912

Convicted Chaplain Paul, 2022-03-25 With over two million Americans incarcerated in jails and prisons we see an epidemic in our country What is the answer Amid the many proposals for solving this issue I believe the best solution is more of God Actually every one of us needs more of God and His word in our lives no matter where we are in life These devotionals were written with the physically incarcerated in mind but apply to all of us These pages focus on God's word as a mind saturated with Scripture is a mind headed toward making right choices I see God's word as a vital source of comfort and challenge We all fall and fail Over and over God's grace is a comfort to us in those moments of needed forgiveness Yet

God's grace also challenges us to get up and press on in living out our faith as new creations in Christ. It is my prayer that these devotionals will both comfort and challenge you wherever you are in your journey with God through this life.

The Short Bible Peter J. Bylsma, 2021-08-06. The Bible is widely considered to be the most profound collection of books in all of history and it includes messages and stories that are still referenced today in the secular world. But it's long, complicated, hard to read, and not organized in chronological order. In *The Short Bible*, author Dr. Peter Bylsma offers basic facts about the Bible, discusses the development of the modern Bible, and reviews its themes. He summarizes all the books of the Old and New Testaments in 25 short, easy-to-read chapters capturing the epic stories, characters, and main ideas. Structured like a modern book, it also includes historical and geographical facts to help clarify the context of the events. *The Short Bible* is appropriate for those who are already familiar with the Bible, those who want to better understand its overall themes, and those who simply want to know the fascinating stories and messages of the most read book of all time.

David Steel David Torrance, 2012-09-18. Michael Foot was speaking affectionately when in 1979 he quipped that David Steel had apparently gone from rising hope to elder statesman without any intervening period whatsoever. But the remark also neatly captured a career which had seen the Boy David enter the House of Commons aged only twenty-six, become leader of the Liberal Party in 1976 at thirty-eight years old, one of the youngest party leaders in British history, and then within months of his election lead his party into a controversial Lib-Lab Pact with James Callaghan's Labour government. Taking the lead in demanding cooperation with the new Social Democratic Party, Steel helped the Alliance poll an unprecedented share of the vote for a third party in the 1983 election. Alongside David Owen of the SDP, he fought another memorable election four years later as one of the two Davids, and later became the major force behind the troubled birth of the Liberal Democrat Party. Based on extensive interviews and fresh archival research, this biography, with which Steel has cooperated, charts both

the rising hope and elder statesman phases in Steel's career as well as his role as the first Presiding Officer of the Scottish Parliament and his political legacy in light of the post 2010 Conservative Liberal Democrat coalition

June 1967 in Personal Stories of Palestinians and Israelis Regina F. Bendix, Aziz Haidar, Hagar Salamon, 2022 The clash of June 1967 called by Israelis the Six Day War and by Palestinians the Naksa setback is a critical milestone within the longstanding Israeli Palestinian conflict Despite all the scholarly attention ever since there remain unheard voices and untold stories It is the personal stories of people in the region that are at the center of this book How do they remember 1967 How were their lives affected even changed dramatically as a result of that short war Listening to their stories as told some 50 years later an incomplete tapestry of memories and understandings emerge This book is the product of a research collaboration among Palestinian Israeli and European folklorists cultural anthropologists and sociologists The personal stories were collected in the framework of interviews with men and women from all walks of life on the days before during and after this dramatic confrontation The book is comprised of eleven chapters based on a corpus of several hundred conversations as well as eight representative interviews Together they afford insight into differential memories and sensations visions of euphoria and despair newly revived hopes pain and disappointment disillusionment and repentance

Personal Financial Planning for Executives and Entrepreneurs Michael J. Nathanson, Jeffrey T. Craig, Jennifer A. Geoghegan, Nadine Gordon Lee, Michael A. Haber, Seth P. Hieken, Matthew C. Ilteris, D. Scott McDonald, Joseph A. Salvati, Stephen R. Stelljes, 2018-11-12 Effective financial planning for executives and entrepreneurs is complex dense and impossible to reduce to a single easy to understand formula Designed to emphasize the importance of effective targeted financial planning this book begins by telling a story about a fictional but plausible power couple and their family who spoiler alert do pretty much everything wrong in securing their financial future In most cases they don't do the things needed because they don't know what they are Using this story as a case study of executives and entrepreneurs the book breaks down the case into chapters and offers practical discussions of all the key financial planning pillars investment planning tax planning estate planning philanthropic planning risk management and equity based compensation to name a few with the tools needed to tailor a plan for virtually every circumstance and need While there is no single plan that works for everybody this book will provide a guide with complicated technical information alongside specific guidance on how to build an effective financial plan

Satan's Super Soldiers Barry Blackstone, 2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion

that this race of super humans was a product of Satan's plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31
