Jesus, Jacinto, and Granny's Bottom Brenda Duncan Johns, 2013-04 When I was fifteen years old I married the boy that I had fallen in love with when I was just thirteen Gerald was the only boy I ever truly loved and after we married we had to leave our little ghost town of Jacinto and move to Kenosha Wisconsin to make a living I had never been more than twenty five miles from home until then My parents raised me in the Methodist religion but after moving to Kenosha I quit church completely and went deep into sin The nightlife in the juke joints really got a hold of me and I was lured into a life I never thought I'd live I found out that that kind of life only leads to despair and heartbreak and I began to wonder if God was real Would He help a poor sinner like me What life had in store for me proved that God is real and that He gave his only son Jesus so that I could have everlasting life On my journey to find this truth I've seen the good the bad and the ugly in religion I've seen false prophets cults and self loving preachers Come walk with me on my journey I think in the end you will have to agree with an old Baptist preacher who once said I do believe that old gal is real for God
