The Supernatural ,1976      *Understanding the Psychic Powers of Man (Revised Edition)* Jaime T. Licauco,2017-12-02 A product of Jaime Licauco s knowledge about psychic and paranormal matters a summary of the most significant lessons he had learned from years of reading and research as well as true to life experiences of people who shared their psychic stories with him It is the first book of its kind written by a Filipino author and has become a classic in the field since it first came out in commercial book form in 1978 Although the flavor of the original edition was retained the new edition contains a great deal of new theories and findings on neuroscience and parapsychology      **Reference Guide to Science Fiction, Fantasy and Horror** Michael Burgess,Lisa R. Bartle,2002-12-30 An annotated list of reference works in the fields of science fiction fantasy and horror fiction      **The Cambridge Companion to Fantasy Literature** Edward James,Farah Mendlesohn,2012-01-26 This is the first introduction to the whole field of modern fantasy literature in the English speaking world      **Fictions of Identity in Medieval France** Donald Maddox,2000-11-23 In this study of vernacular French narrative from the twelfth century through the later Middle Ages first published in 2000 Donald Maddox considers the construction of identity in a wide range of fictions He focuses on crucial encounters widespread in medieval literature in which characters are informed about fundamental aspects of their own circumstances and selfhood These always arresting and highly significant moments of specular encounter are examined in numerous Old and Middle French romances hagiographic texts epics and brief narratives Maddox discloses the key role of identity in an original reading of the *Lais of Marie de France* as a unified collection as well as in Arthurian literature fictions of the courtly tryst genealogies and medieval family romance The study offers many new perspectives on the poetic and cultural implications of identity as an imaginary construct during the long formative period of French literature      **Australian National Bibliography** ,1980      **Bulletin of Bibliography and Magazine Subject-index** ,1909      *A Reference Guide for English Studies* Michael J. Marcuse,1990-01-01 This text is an introduction to the full range of standard reference tools in all branches of English studies More than 10 000 titles are included The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies British and Irish American and world literatures written in English are included Other fields covered are folklore film literary theory general and comparative literature language and linguistics rhetoric and composition bibliography and textual criticism and women s studies      **TV Goes to Hell** Stacey Abbott,David Lavery,2011-10 As a natural heir to the hit television series *Buffy the Vampire Slayer* *Supernatural* has risen to prominence with a strong cult following and this series of essays from contributors around the globe investigates the genre bending series cultural footprint both in the United States and abroad The writings explore topics such as folklore religion gender and sexuality comedy music and much more and a brief guide to all the episodes is also included *Supernatural* follows brothers Dean and Sam Winchester as they encounter and battle evil beings such as vampires shapeshifters ghouls and ghosts from a

multitude of genres including folklore urban legends and religious history      **Supernatural** Erin Giannini,2021-11-30 A captivating exploration of the television phenomenon that is Supernatural with insights into characters plots and the show s impact on pop culture When Supernatural first aired on the CW in 2005 it was dismissed by many for being pretty guys fighting demons Yet Supernatural persisted for 15 seasons to become the anchor of the network s line up and the longest running genre series in US television history In Supernatural A History of Television s Unearthly Road Trip Erin Giannini delves into the phenomenon of this cult series and its devoted fan base Covering all 15 seasons including the series finale that aired in 2020 this book examines the show s predecessors characters major storylines and fan activism It also revisits creator Eric Kripke s road to creating the series draws surprising and revealing connections between the show and other series and discusses the ways Supernatural responded to social and industry changes throughout its long run Supernatural was the little show that could for 15 years persisting beyond its original network s lifespan and surviving the departure of its creator and showrunner in no small part due to its loyal fans Inspired by shows such as Buffy the Vampire Slayer and going on to influence many shows that followed Supernatural offers insight into how a series can adapt and grow to become a mainstay of primetime television      *Angels* George J. Marshall,2015-08-13 In the 1990s alone more than 400 works on angels were published adding to an already burgeoning genre Throughout the centuries angels have been featured in among others theological works on scripture studies in comparative religions works on art architecture and music philological studies philosophical sociological anthropological archeological and psychological works and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences This bibliography lists 4 355 works alphabetically by author Each entry contains a source for the reference often a Library of Congress call number followed by the name of a university that holds the work More than 750 of the entries are annotated Extensive indexes to names subjects and centuries provide further utility      **Bibliographic Index** ,1995      *Book Finds, 3rd Edition* Ian C. Ellis,2006-03-07 For the experienced collector or someone embarking on a new hobby this newly revised and updated edition of Book Finds reveals the secrets of locating rare and valuable books Includes information on first editions and reader s copies auctions and catalogs avoiding costly and common beginner mistakes strategies of professional book scouts and buying and selling on the Internet      **TV Guide** Stephen F.
