Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography **A New Jesus** William H. Kautz,2011-08-11 The life and deeds of the man Jesus triggered off the immense Christian religion nearly two millennia ago but his most sublime and profound teachings were largely disregarded or reshaped by the practical needs of the early Christian Church The old religious package no longer satisfies the needs of present day practicing Christians and others seeking clear answers to their pressing spiritual

questions A NEW JESUS releases these original teachings of Jesus from the grasp of doctrinal and legendary religious tradition A powerful and proven method called intuitive inquiry distinct from the usual intellectual means for generating knowledge is utilized for this purpose It relies upon the skill of an expert intuitive Kevin Ryerson in this book whose past record for obtaining both lost and entirely new information has been outstanding In this book you will find perceptive answers to the main mysteries about Jesus life and teachings and the basic spiritual questions about man s origin identity and purpose It clears up several gaps distortions and contradictions in the New Testament Gospels and closes with a modern restatement of Jesus spiritual philosophy It also describes how to apply this new knowledge to enhance your personal understanding and daily life The Color Complex (Revised) Kathy Russell,Midge Wilson, Ph.D.,Ronald Hall,2013-01-08 A provocative exploration of how Western standards of beauty are influencing cultures across the globe and impacting personal professional romantic and familial relationships Processes like skin lightening in India hair smoothing in Black America eyelid reconstruction in China and plastic surgery worldwide continue to rise in popularity for men and women facing discrimination from both within and outside of their own increasingly fluid ethnic groups Now including a wealth of new information since the first edition of The Color Complex over two decades ago the authors through a historical and sociological lens have measured the impact of recent pop culture events effecting race relations to determine whether colorism has gotten better or worse over time **Singing - Body and Soul** Barbara J. Simon,2013-11-04 Singing Body and Soul is for the young singer to help you discover how your voice body and mind work together There are great books about the links between science and music but most are written for adults with strong music backgrounds and college degrees Young singers need a streamlined version so your voice can express your inner life right now The voice has the most exciting sound when a singer is between 20 to 25 years old Thats when desire starts to ride on the sound and helps you stand out at an audition By then you already need years of singing experience to make the most of your opportunities That means learning about your voice early at 14 years old or younger Singing Body and Soul offers new guidance for developing your singing It includes artistic and scientific descriptions and uses song lyrics to illustrate states of mind Musical Theater plots characters and songs fill the book so the text is more storytelling than classroom lecture With quotes and references from Charlie Brown Albert Einstein and Dr Seuss Singing Body and Soul can help you understand your voice in new ways and make the world hear what you have to say **Torch Singing** Stacy Holman Jones,2007-07-08 In this innovative book Stacy Holman Jones presents torch singing as a much more complicated phenomenon than the familiar trope of a woman lamenting her victimhood With an ethnographer s eye she observes the bluesy torch singers asking if they are possibly performing critiques of the very lyrics they sing From this perspective we see the singer giving expression not not only to desire but also to an incipient determination to resist and change Holman Jones also reveals points of contact in the opposition between spectators and performers emotion and intellect and love and power Instead of interpreting the expression of love as a

woman's violent mistake as willing deception and passive fate Holman Jones allows us to hear an active search for hope

Torch Singing Stacy Linn Holman Jones, 2007 In this innovative book Stacy Holman Jones presents torch singing as a much more complicated phenomenon than the familiar trope of a woman lamenting her victimhood With an ethnographer's eye she observes the bluesy torch singers asking if they are possibly performing critiques of the very lyrics they are singing From this perspective we see the singer giving expression not only to desire but also to an incipient determination to resist and change Holman Jones also reveals points of contact in the opposition between spectators and performers emotion and intellect and love and power Instead of interpreting the expression of love as a woman's violent mistake as willing deception and passive fate Holman Jones allows us to hear an active search for hope **BOOK JACKET** **Jukebox Musicals** Kristin Stultz Pressley, 2025-08-21 What is meant by the phrase Jukebox Musical What does Crazy for You have in common with Mamma Mia and Moulin Rouge Why do audiences love and critics tolerate Jukebox Musicals Jukebox Musicals explores a style of show that's dominated Broadway for the better part of two decades Through a chronological look at the development of long running hits like Mamma Mia and Jersey Boys this book traces the Jukebox Musical from when it was an exception on Broadway to when it became the rule Examining the origins and reception for ten of these shows this volume offers an exploration of one of the most divisive sub genres of the musical form Published in Methuen Drama's Essential Musicals series this book is perfect for students of Musical Theatre drawing together different resources to dig into the backstories of Broadway's biggest hits and mining the historical record for nuggets of information that illuminate our understanding and enhance our enjoyment of Musical Theatre's unique brand of magic *The New Generation of Country Music Stars* David Dicaire, 2008-09-01 This book highlights 50 of the most important entertainers in contemporary country music providing a brief biography of each artist with special emphasis on experiences that influenced their musical careers The artists are divided into five categories The New Traditionalists artists such as George Strait Reba McEntire and Clint Black who established the mainstream country sound in the 1980s Alternative Country artists such as Steve Earle and Bela Fleck who made country music on their own terms Groups ensemble acts such as Alabama the Dixie Chicks and Rascal Flatts that have carried on the traditions of the Carter Family and other prominent groups of the 1920s and 1930s Country Pop artists such as Garth Brooks and Shania Twain who firmly established the countrypolitan sound as the cash cow of Nashville and New Country the next generation of country pop artists with particular attention paid to international megastars such as Keith Urban and teen sensations including LeAnn Rimes and Taylor Swift MADONNA: Unstoppable!
