The Cumulative Book Index ,1999 **My Heart Belongs in the Superstition Mountains** Susan Page Davis,2017-03-01 Journey now to Tuscon Arizona and into the Superstition Mountains of 1866 where A Chance for Escape Takes Two Unlikely Allies on a Romantic Adventure Along a Desert Trail Since orphaned at age twelve Carmela Wade has lived a lie orchestrated by her uncle pretending to be a survivor of an Indian kidnapping and profiting from telling her made up story on the speaker circuit But as she matures into adulthood Carmela hates the lies and longs to be free On a stagecoach in Arizona Territory Carmela and her uncle are fellow passengers with US Marshal Freeland McKay and his handcuffed prisoner The stage is attacked Now a chance to make a new life may suddenly be within Carmela s reach if she can survive the harsh terrain and being handcuffed to an unconscious man Will Carmela s wish come true or will she forever be branded by her past More from My Heart Belongs in Series My Heart Belongs in Fort Bliss Priscilla s Reveille by Erica Vetsch January 2017 My Heart Belongs in Ruby City Idaho Rebecca s Plight by Susanne Dietze May 2017 My Heart Belongs on Mackinac Island Maude s Mooring by Carrie Fancett Pagels July 2017 My Heart Belongs in the Shenandoah Valley Lily s Dilemma by Andrea Boeshaar September 2017 **Superstitions** Max Cryer,2016-05-01 Some people casually say touch wood when they speak of something they hope will happen Others won t allow peacock feathers into the house And almost anyone who finds a four leafed clover will treasure it and keep it Why Some superstitions are so ancient and have been practised for so long that they have come to be regarded as just harmless and widely observed customs without people realising they are basically superstitions For instance many people wouldn t bother tossing spilled salt over their left shoulder or avoid walking under a ladder But they happily continue to wear a wedding ring and blow out candles on a birthday cake They don t know why it s just a custom But both are actually superstitions In a book full of surprises and revelations Max Cryer explains the origins of many of the things we commonly say and observe and why we continue to include them in our lives kissing under the mistletoe the unlucky number thirteen the significance of the bridal bouquet saying bless you after sneezing the hanging of a horseshoe the Scottish play the danger in opals the Leap Year proposal so many aspects of our lives are coloured by superstition Now you can discover the reasons for them in a book that is both witty and informative Superstitions will provide many Eureka moments and settle many family disputes Cumulated Index to the Books ,1999 The Mammoth Book of Superstition Roy Bainton,2016-11-10 Rather than providing a dictionary of superstitions of which there are already numerous excellent exhaustive and in many cases academic works which list superstitions from A to Z Bainton gives us an entertaining flight over the terrain landing from time to time in more thought provoking areas He offers an overview of humanity s often illogical and irrational persistence in seeking good luck and

avoiding misfortune While Steve Roud's two excellent books *The Penguin Dictionary of Superstitions* and his *Pocket Guide* and Philippa Waring's 1970 *Dictionary* concentrate on the British Isles Bainton casts his net much wider There are many origins which warrant the full back story such as Friday the thirteenth and the Knights Templar or the demonisation of the domestic cat resulting in cat holocausts throughout Europe led by the Popes and the Inquisition The whole is presented as a comprehensive entertaining narrative flow though it is of course a book that could be dipped into and includes a thorough bibliography Schoenberg who developed the twelve tone technique in music was a notorious triskaidekaphobe When the title of his opera *Moses und Aaron* resulted in a title with thirteen letters he renamed it *Moses und Aron* He believed he would die in his seventy sixth year 7 6 13 and he was correct he also died on Friday the thirteenth at thirteen minutes before midnight As Sigmund Freud wrote Superstition is in large part the expectation of trouble and a person who has harboured frequent evil wishes against others but has been brought up to be good and has therefore repressed such wishes into the unconscious will be especially ready to expect punishment for his unconscious wickedness in the form of trouble threatening him from without
