Effective Police Supervision Harry W. More,Larry S. Miller,2014-01-22 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager Effective Police Supervision is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers

for promotional exams Each chapter includes important key terms and opens with a case study to illustrate important concepts New material has been added throughout the textbook on police accountability police involvement with news media dealing with social media and avoiding scandals Used nationwide for police promotional exams A study guide including learning objectives key terms chapter summaries and review questions is available for purchase ISBN 9780323280044
