Montgomery,2019-11-01 Vade mecums are guide books you carry with you They have been around forever and are common in Europe for all sorts of things The Latin term literally means go with me Here Dr Montgomery invites you to go with him as he explores the literature of food and develops a theology of gastronomy Along with being a theologian and philosopher an attorney a barrister a French advocate a teacher a husband and many other things Dr Montgomery is a lover of fine dining and formally embraces its craft with care In the age of the microwave where food is either fast or frozen and almost always pre prepared he wants to introduce us to the glories of fine dining where we can take joy in all our Father has provided to us beyond the simple requirements of sustenance With Dr Montgomery as your guide you will meet great chefs and travel across time and space with food as the focus enjoying the views flavors and smells and recipes Everything Dr Montgomery explores takes place in light of faith in a God who is now one of us who made all the senses loves variety knows hospitality and will culminate all of history in the best of wedding feasts to which every good meal points and of which every great meal participates **Eat the Bible** Micah E. Chung,2024-07-19 People love their metaphors for the Bible The Bible is a sword a mirror a script a score a cathedral a rule book a user s manual a lamp a love letter But how did metaphor which in the

eighteenth century was seen as a deceptive rhetorical trick become such a prominent tool for speaking of Scripture And how does one judge between a good metaphor and a bad one This book explores the theological use of metaphor to describe the nature and interpretation of Scripture It interrogates three such models the Bible as musical score Anthony Thiselton the Bible as theo dramatic script Kevin Vanhoozer and the Bible as light John Feinberg seeking to evaluate their faithfulness to Scripture and church tradition their fittingness to the current culture and their fruitfulness for understanding and practicing the biblical text The author then proposes and explores what he considers a better model one drawn from the Bible itself namely that of Scripture as food *The Bloomsbury Handbook of Religion and Nature* Laura Hobgood,Whitney A.

Bauman,2018-05-17 Divided into four parts Earth Air Fire and Water this book takes an elemental approach to the study of religion and ecology It reflects recent theoretical and methodological developments in this field which seek to understand the ways that ideas and matter minds and bodies exist together within an immanent frame of reference The Bloomsbury Handbook of Religion and Nature focuses on how these matters materialize in the world around us thereby addressing key topics in this area of study The editors provide an extensive introduction to the book as well as useful introductions to each of

its parts The volume s international contributors are drawn from the USA South Africa Netherlands Norway Indonesia and South Korea and offer a variety of perspectives voices cultural settings and geographical locales This handbook shows that human concern and engagement with material existence is present in all sectors of the global community regardless of religious tradition It challenges the traditional methodological approach of comparative religion and argues that globalization renders a comparative religious approach to the environment insufficient **Bread for the Wilderness** Jay C.

Rochelle,2001 The Fully Alive Preacher Mike Graves,2006-01-01 Mike Graves begins this book with the question If preaching is intended to enliven the church why is it killing so many ministers His answer Because preaching has become divorced from the vitality and diversity of the preacher s daily life He invites preachers to discover how preaching can be renewing rather than draining Caring for Creation in Your Own Backyard Loren Wilkinson,Mary Ruth Wilkinson,2001-11 Why should New Age trends and philosophies shape the ecological agenda Loren and Mary Ruth Wilkinson believe that it s time Christian families took a biblical position on environmental issues In this wonderfully creative and practical book they offer more than a hundred simple things you and your family can do to make God s earth a better place in which to live But more than this they show you how to celebrate God s creation through the seasons of the year If you have wanted to get involved in environmentalism but felt overwhelmed or confused by the philosophies shaping the ecological movement here is a book to help you sort through the confusion It offers biblically based answers and practical ideas that will not only help the environment but will enrich your life In Caring for Creation in Your Own Backyard you will discover a host of smart and simple things to do at home with your children neighbours and community Learn how to Shop for a better world Make creative and ecological meals that everyone enjoys Save money and energy through recycling and re using Support businesses that care for creation and much more Loren and Mary Ruth Wilkinson have worked in both city and countryside putting principles of caring for creation to work They live on Hunterston Farm Galiano Island British Columbia Loren is Professor of Interdisciplinary Studies and Philosophy at Regent College He is editor of Earthkeeping Christian Stewardship of Creation Mary Ruth teaches as a sessional lecturer at Regent College **Table Talk** Mike Graves,2017-10-24 For nearly two thousand years followers of Jesus have gathered in churches to eat a meal called Communion in his memory In Table Talk Mike Graves claims if we could travel back to those earliest Christian gatherings we would realize we are not just two thousand years removed we are light years removed from how they ate when gathered because eating was why they gathered in the first place a kind of first century dinner party Four characteristics of their Communion practices would leap out at us traits that are scattered throughout the New Testament but that often go unnoticed how the meal was part of a full evening together promoting intimacy how it was a mostly inclusive affair everyone welcome at the table how it was typically festive more like a dinner party and how afterwards they enjoyed a lively conversation on a host of topics But Table Talk explores more than just Communion practices because a new way of doing church is happening around the world gatherings
