*Citizenship Revisited* Peter Herrmann, 2004 Strangely citizenship has usually been considered as a matter of interest when it is questioned or even withheld The other

way round usually citizenship is taken for granted as it is not being defined as such In consequence we find only a negative definition rather than a clear way of spelling out the meaning As globalisation spreads and deepens the question of citizenship becomes crucial for society It is already possible to see changes in voting patterns in such a country as France due to its immigration policies This has long been the case in America as well and is being felt there yet again by the effects of the citizenships of its newest immigrants The contributions in this volumes are dealing with different aspects of defining citizenship though not necessarily conceptualising it as such i e under this term These are burning questions which this book explores in this explosive national and international issue Contents Introduction Citizenship Revisited Threats and Opportunities of Shifting Boundaries Globalisation as Seen from the Local Level Self Improved Citizens Citizenship Social Inclusion and the Self in the Politics of Welfare Citizen Partici

**Diversity and Marginalisation in Childhood** Paula Hamilton, Author, 2021-03-17 This core text offers you an accessible foundation to the topics of diversity inclusion and marginalisation Not only will you develop an understanding of how marginalisation happens you will be encouraged to question and challenge policy and practice through case studies reflective questions and activities The book analyses issues encountered by marginalised groups and the impact these may have on the lives of those concerned together with how you as a practitioner can help to empower these individuals and groups With key chapters bringing attention to less cited marginalised groups such as transgender children children with mental health conditions and looked after children the author critically analyses the difficulties and challenges of inclusive ideology in practice the role of mass media in reinforcing prejudice and examines theoretical frameworks and concepts related to marginalisation inclusion and diversity *The Trade in Human Beings* Great Britain. Parliament. House of Commons. Home Affairs Committee, 2009 Incorporating HC 318 i vi session 2007 08

Social Work with Looked After Children Christine Cocker, Lucille Allain, 2008-05-15 Written for social work degree students this practical book looks at the experience of children in need who live in state care and the social worker s role in working with these children Topics include relevant studies and legislation residential care foster care adoption and leaving care The book also looks at the needs of children and young people living away from home and discusses both the Looked After Children LAC system and consultation with looked after children Throughout practical examples and case studies encourage readers to apply their new knowledge to practice *The Palgrave Handbook of Britain and the Holocaust* Tom Lawson, Andy Pearce, 2021-01-19 This handbook is the most comprehensive and up to date single volume on the history and memory of the Holocaust in Britain It traces the complex relationship between Britain and the destruction of Europe s Jews from societal and political responses to persecution in the 1930s through formal reactions to war and genocide to works of representation and remembrance in post war Britain Through this process the handbook not only updates existing historiography of Britain and the Holocaust it also adds new dimensions to our understanding by exploring the constant interface and interplay of history and memory The chapters bring together internationally renowned

academics and talented younger scholars Collectively they examine a raft of themes and issues concerning the actions of contemporaries to the Holocaust and the responses of those who came after At a time when the Holocaust related activity in Britain proceeds apace the contributors to this handbook highlight the importance of rooting what we know and understand about Britain and the Holocaust in historical actuality This the volume suggests is the only way to respond meaningfully to the challenges posed by the Holocaust and ensure that the memory of it has purpose

**Social Work, Immigration and Asylum** Debra Hayes, Beth Humphries, 2004-01-19 The practical and ethical challenges facing human service professionals working with refugees asylum seekers and other people subject to immigration controls are discussed in this book The contributors explore the tensions that exist between anti oppressive values and the role professionals increasingly play as gate keepers to services

**Children of Refugees** Aida Alayarian, 2018-05-08 There is a wide gap between the psychological needs of the children of refugees and the services provided Refugees home countries cultures and social make up are widely diversified and their needs cannot be readily consolidated This diversity of interest and need goes unacknowledged by the service providers who may treat them as a single homogenous group Some refugees needs are exaggerated while others are ignored This approach often ignores the justifiable and legitimate interest of refugees psychological wellbeing Many children of refugees may struggle with questions of race ethnicity language barriers and other socio political and economic issues that can influence their mental health and psychological wellbeing Preoccupations of the child s emotions with those issues therefore have effects on child personality formations Apart from having an overview of the relevant processes involved in therapeutic work and possible challenges therein it is also important for the therapist to have an overview of the child s situation in the past and any current issues which this book provides

**Children's Perspectives on Integrated Services** Mary Kellett, 2011-09-06 Launching Palgrave s new Interagency Working in Health and Social Care series this book provides one of the first reflective assessments of the Every Child Matters legacy of New Labour Woven through with the voice of the child it examines the new landscape of children s services in both principle and practice

**Community Care Practice and the Law** Michael Mandelstam, 2008-10-15 This fourth edition of Community Care Practice and the Law has been fully updated to reflect the rapid and continuing legal policy and practice changes affecting community care It provides comprehensive and jargon free explanations of community care legislation as well as other areas of law directly relevant to practitioners

**The Revolution is for the Children** Anita Casavantes Bradford, 2014 Since 1959 the Cuban revolutionary government has proudly proclaimed that the revolution is for the children Many Cuban Americans reject this claim asserting that they chose exile in the United States to protect their children from the evils of Castro communism Anita Casavantes Bradford s analysis of the pivotal years between the Revolution s triumph and the 1962 Missile Crisis uncovers how and when children were first pressed into political service by ideologically opposed Cuban communities on both sides of the Florida Straits Casavantes Bradford argues that in Havana the Castro government

deployed a morally charged politics of childhood to steer a nationalist and reformist revolution toward socialism At the same time Miami exile leaders put children at the heart of efforts to mobilize opposition to Castro's regime and to link the well being of Cuban refugees to U S Cold War foreign policy objectives Casavantes Bradford concludes that the 1999 Eli n Gonz lez custody battle was the most notorious recent manifestation of the ongoing struggle to define and control Cuban childhood revealing the persistent centrality of children to Cuban politics and national identity

**Child Refugee Asylum as a Basic Human Right** Sonja C. Grover, 2018-05-24 This book addresses the intersection of various domains of international law refugee law human rights law including child rights international law and humanitarian law in terms of the implications for State obligations to child refugee asylum seekers in particular both as collectives and as individual persons How these State obligations have been interpreted and translated into practice in different jurisdictions is explored through selected problematic significant cases Further various threats to refugee children realizing their asylum rights including refoulement of these children through State extraterritorial and pushback migration control strategies are highlighted through selected case law The argument is made that child refugee asylum seekers must not be considered in theory or in practice beyond the protection of the law if the international rule of law grounded on respect for human dignity and human rights is in fact to prevail
