Supremacy Of God In Preaching:

The Supremacy of God in Preaching John Piper, 2004-02-01 According to Warren Wiersbe The Supremacy of God in Preaching calls us back to a biblical standard for preaching a standard exemplified by many of the pulpit giants of the past especially Jonathan Edwards and Charles Spurgeon This newly revised edition is an essential guide for preachers who want to stir the embers of revival Piper focuses his study on the example of Jonathan Edwards as an illustration of a leader who submitted to God

In God's Name John Chandos, 1971

Revival Preaching Ernest Eugene Klassen, 2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection Revival Preaching extracts the most important lessons of Edwards's writings and sermons for preaching in today's world

Inspirational Preaching Craig Brian Larson, 2022-05-03 Here leading pastors offer specific guidance from both personal and biblical perspectives on themes of vision desire integrity emotions and transformation In so doing the contributors show that the ability to inspire people through preaching flows from one thing leading them into the presence of Christ The writers in this book share the bounty of decades of experience to help pastors do just that by delivering more effective and inspirational sermons Each of the following chapters focuses on an important element of this most important form of preaching including The Biggest idea in Preaching Authentic Inspiration 5 Veins of Deep Preaching Preaching with wonder Interpretation and Application How does one best make ancient biblical texts pertinent to the 21st Century listener while still maintaining the integrity of the Scriptures Interpretation and Applications designed to provide guidance on how to interpret and apply God's word honestly and accurately in a sermon Sermon Preparation On top of all the responsibilities that comprise their vocation pastors must write sermons that are original insightful useful challenging and comforting once a week Sermon Preparation explores the art and craft of sitting down to a blank page and writing a message that nourishes and speaks truth to the listener Every chapter written by an expert in the field provides insights and techniques that are the result of years of sermon preparation

A Philosophy of Pastoral Preaching David A. Christensen, 2023-05-26 I am a pastor I preach Doesn't that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we

preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place *How Effective Sermons End* Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light *Reformed Preaching* Joel Beeke,2018-10-15 Preaching today all too often tragically misses the point We ve all heard sermons that sound more like a lecture filling the head but not the heart And we ve all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit s grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God s life transforming truth looks like today **Handbook of Contemporary Preaching, 2nd Edition** Michael Duduit,2024-07-15 The revised and updated 2nd edition of *Handbook of Contemporary Preaching* is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching *Justification as the Speech of the Spirit* Jeffrey K. Anderson,2021-08-10 In the past few decades there have been an increasing number of authors and movements that reject the classic Protestant understanding of justification e g the New Perspective on Paul Auburn Avenue Theology the Renewal Movement etc While the various proposals differ in many respects they are generally united in their rejection of justification as a legal declaration made by the Father about the believer based on the work of the Son In particular among renewal

Pentecostal Charismatic authors there have been several attempts to redefine justification insisting that it is an umbrella term incorporating numerous redemptive ideas rather than a declaration of the believer's righteousness. These attempts are in part rooted in the absence of any overt pneumatology in the doctrine's typical formulation. One need only read the above sentences to see that there is no mention of the Holy Spirit. This book addresses these and other concerns especially by renewal authors and demonstrate that the doctrine is in fact pneumatologically informed albeit latently rather than blatantly. As a result there is no need to redefine the theology of the Reformers and their successors.

Issues in Contemporary Pentecostalism R. Keith Whitt, and French L. Arrington, Editors, 2012-09-19

Preaching Jason C. Meyer, 2013-10-31 The sermon is under attack. Many churches are increasingly forsaking formal preaching in favor of substitutes like dialogue, discussion, and sharing. In response to this recent trend, Jason Meyer has written a robust biblical and practical theology of preaching where he explores how the concept of preaching develops throughout the Bible and how it impacts one's understanding of other key doctrines. In addition to offering readers a comprehensive overview of the Bible's teaching, the book sets forth clear, accessible answers to commonly raised questions about preaching: what is it, how is it done, and why is it so important. Combining in-depth study of God's word with practical reflection on the place of preaching in the ministry of the church, Meyer challenges readers to reexamine the importance of preaching for the Christian life.

Let the Nations Be Glad! John Piper, 2022-09-27 John Piper's bestselling book on missions draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defense of God's supremacy in all things, providing readers with a sound theological foundation for missions. This 30th anniversary edition of a contemporary classic, now in paperback, incorporates insights from the author's refined thinking over the past 10 years. Used extensively as a textbook for missions courses and a resource for ministries, *Let the Nations Be Glad* provides a passionate plea for God-centeredness in the whole enterprise of world evangelization and explores the role of prayer and spiritual warfare. The book is essential reading for those involved in or preparing for missions work. It also offers enlightenment for students, pastors, youth workers, campus ministers, and all who want to connect their labors to God's global purposes.

Shepherding God's People Siang-Yang Tan, 2019-07-16 This comprehensive textbook on pastoral ministry for pastors, church leaders, and students articulates a biblical model for shepherding God's people. Written by a leading psychologist and seminary professor who has served as a pastor for more than two decades, the book covers twelve major areas of pastoral ministry, highlights the essential work of the Holy Spirit, and focuses on the personal and family life of the pastor. It includes cross-cultural perspectives of special interest in our diverse world and a foreword by John Ortberg.

A Watchman Over Christ's Church C. Matthew McMahon, 2021-08-20 The watchman's life is a life of consecration, a life on the wall dividing the world and church to watch and take heed to sound the alarm and bring God's message to his people boldly, faithfully, and plainly. The watchman acts in the name of another that is of God, who has called him to the task of

watching which includes praying power and preaching guidance and direction He is commissioned by God with supernatural gifts given by the effectual work of the Spirit on behalf of Christ which allows him to discern speak and work in the ministry by the word God has given him to preach He officiates in that office as one commissioned of God on behalf of God's people He is not sent of his own accord but sent of God to minister the words of Christ to his beloved church In this work on the watchman of Ezekiel 33 McMahon explains the nature of the watchman the work of the watchman the watched of the watchman and the faithful exercise of his duty on behalf of Jesus Christ who has commissioned him to serve his sheep as a faithful steward of the glory of Gospel

Your Identity in the Trinity Sean Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God's glory declare God's gospel and disciple for God's Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ

The Christ-Centered Expositor Tony Merida,2016-10-01 The Christ Centered Expositor by pastor and preaching professor Tony Merida provides a comprehensive overview of effective expository preaching that begins with the inner life of the expositor and then moves to the essential elements of sermon preparation and delivery Ideal for pastors teachers and students The Christ Centered Expositor will equip you for greater faithfulness to God his Word and his mission

A Homiletical Praxeology on the Persuasiveness of Literary Forms Ferdi P. Kruger,2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew's Gospel and the Hebrew sermon The book's uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice

Calvinism David L. Allen,Steve W Lemke,2022-08-01 Calvinism raises serious concerns about the growth of a popularized Reformed theology Through a wide lens of denominational and theological perspectives this volume carefully examines the theological tradition known today as

Calvinism particularly its doctrine of salvation Editors David L Allen and Steve W Lemke lead a team of top contributors offering theological historical biblical and practical critiques **Self-Defence in International and Criminal Law** Onder Bakircioglu, 2011-05-11 Drawing from scholarship across law history politics and philosophy *Self Defence in International and Criminal Law* provides a broad and interdisciplinary approach to the doctrine of self defence in both domestic criminal and international law It focuses on the requirement of imminence which deals with the question of when individuals or States may legitimately resort to defensive force against a serious danger or harm In both national and international law the imminence requirement if strictly applied renders any defensive measure taken in anticipation of a would be attack illegal Recently however attempts have been made to relax the temporal requirement of the self defence doctrine imminence with a view to allowing individuals or States to employ deadly force to arrest an anticipated threat when they believe that using pre emptive lethal force would be the only way to thwart an expected harm In domestic criminal law it has been argued that it is necessary to relax the rule of imminence in domestic violence cases where women employ lethal force against their abusive partners when there is no imminent threat to justify defensive force At the international level while there has long been controversy as to the justifiability of pre emptive force in non confrontational settings following the September 11 attacks the Bush Administration s war on terror policy radically shifted the focus from the notion of anticipation to that of prevention making it clear that if necessary it would invoke unilateral force against emerging threats before they are fully formed The book surveys the roots role rationale and objectives of self defence and questions whether the requirement of imminence should be removed from the traditional contours of the self defence doctrine in national and international law
