seated with Christ astounding *The Blood of Christ* Andrew Murray, 2001-06 A step by step exploration of why the blood of Christ is so important to Christians from master theologian Andrew Murray **Reflection of the Son** Todd Coburn, 2016-03-02 This book examines a simple fact of nature the way the moon reflects the sun's light to a darkened world and draws some staggering insights into the way a Christian is to reflect Jesus Christ to a fallen world Its chapters are named with simple mnemonic titles to lead readers through foundational principles in a clear and compelling way that can help Christians remain focused on productive steps toward spiritual maturity In the process this book reveals some deep spiritual truths and presents them in a way that a child can understand So Great a Salvation Jon C. Laansma, George H. Guthrie, Cynthia Long Westfall, 2019-06-27 This volume presents a dialogue between historians exegetes and theologians on the background and key themes of the atonement in Hebrews Presenting a range of differing perspectives and contributing to the renewed conversation between biblical and theological scholarship the argument is structured in two parts contexts and themes within Hebrews Focusing on atonement not only in the Old Testament but also in the Greco Roman world and touching on themes such as sacrifice plight and solution and faith these contributions shed light on the concept of the atonement in a directly scriptural way The whole is a definitive collection of studies on the atonement in Hebrews that will be of service well beyond the confines of Hebrews specialists a collection as important for what it says about the atonement and the 21st century church as for what it says about Hebrews **The Power of the Blood** George Mfula , The Power of the Blood is worth reading There is untapped power in the blood of Jesus No devil can stand the blood that Jesus shed on Calvary Our redemption in Christ Jesus is a function of the blood He shed for us Each time you engage the mystery of the blood of Jesus in your life sickness and disease can't stand you It is an error as a church to do away with the blood of Jesus which Jesus Himself used to purchase His glorious Church Any church that will do that has missed it and needs a lot of spiritual help In this book we are going to talk about the blood of Jesus nothing else We may have blood today in this world but only the blood of Jesus is what matters It is an enormous risk to be a child of God and know nothing about the blood of Jesus There are some churches where the blood of Jesus never matters or gets mentioned Pastors have stopped preaching about it God forbid It is scary and a reduction to the entire purpose of God's divine plan of the blood I believe it is time for you and me to revisit our spiritual foundations The mystery behind the blood of Jesus dates back as far as the blood God shed in the Garden of Eden When Adam and Eve sinned against God they needed atonement for them to stand before God Otherwise there was no way they could have even spoken to Him God Instead God killed an animal and used the blood to cover their spiritual nakedness Then He used the animal skin to cover their physical nakedness Shedding blood for atonement was instituted by God in the Garden of Eden It is non negotiable Get this book You will scale greater heights of wisdom understanding knowledge and spiritual growth in Christ Jesus *The Real Presence of the Body and Blood of Our Lord Jesus Christ* Edward Bouverie Pusey, 1885
