Wholeness and Home in West Indian Literature Daizal R. Samad, 2023-08-18 WHOLENESS AND HOME IN WEST INDIAN LITERATURE is an invaluable resource for everyone who has an interest in West Indian literature or Culture West Indian Society or History Ethnic Tensions and Psychic Heterogeneity It is especially useful for university and secondary school students and teachers who teach or need to learn about writers from the West Indies It offers unique critical insights into the works of globally renowned writers who hail from the Caribbean V S Naipaul George Lamming Wilson Harris Edward Kamau Brathwaite John Hearn Jean Rhys and Derek Walcott WHOLENESS AND HOME is important reading for any student

of ethnic relations The book focuses on the possibilities of a culture that had its very beginnings in genocide and in the forced or fraudulent fetching of human beings from many other places These people were pitted against each other to ensure division and assure plantation profitability This book examines how major West Indian writers capture this initial ethnic antagonism that now infects much of the world WHOLENESS AND HOME also insists on the futility of racism and bigotry by pointing to the enormous potential for social harmony At the very least Samad and Harripersaud offer excellent examples of essay writing for teachers and students especially those at the university and college levels Jesus RX Eva

Popek,2024-07-29 Eva a pharmacist for twenty three years and author of this book saw many patients trying to find hope in a pill She was dispensing medications because people didn t know how to deal with some of the issues in their life She was giving her patients something to treat the effects of anger unforgiveness divorce financial situations doubt fear etc Let s face it life can be stressful and cause fear to enter one s life What do we do when doubt or fear or a lack of joy is evident in our life While we don t deny traditional medicine plays a role while on this earth the mission statement for this book is to lead people first and foremost to the Great Physician for all of life s circumstances through the Word of God We don t deny medicine plays a part while on this earth Eva couldn t resist filling prescriptions from the Great Physician for love forgiveness peace doubt wisdom fear speech anger marriage children finance and joy As you work through each of the 12 studies you will be taking in spiritual medicine that may help with physical problems Get healthy and be well Facing Diasporic Trauma

Fatim Boutros,2015-11-09 Fictional writing has an important mnemonic function for the Afro Carib bean community It facilitates an encounter between contemporary societies and their historical origins The representation of diasporic trauma in the novels of Fred D Aguiar John Hearne and Caryl Phillips challenges territorial under standings of nationality and raises awareness of the eurocentric basis of Western historiography Slavery is a recurring motif of the nine novels analysed in this study They narrate the fates of silenced victims who all share the traumatic experience of racial violence even if otherwise separated through time space gender and age These charismatic fictional characters facilitate an empathic access to the history of slavery that goes beyond the anonymity of traditional historical sources Their most private and intimate sorrows make the traumatic conditions of slavery appear much less remote and reveal their suffering The euphemistic and distorting selection of the events that has been passed down by the dominant culture is thus countered by a relentless display of historical violence These literary images establish an important symbolic repertoire and introduce powerful founding myths of the diaspora In spite of the traumatic foundations of the community the nine novels display considerable optimism about the possibility of a convivial future that transcends racial boundaries The capacity and willingness to improvise and adapt to new environments and to do so even in face of a traumatic heritage can be regarded as the most important precondition for positive future developments within the matrix of a rapidly transforming global environment The Way to Escape the Horrible and Eternal Burnings of Hell Through Jesus Christ Thomas Vincent,2012-10-17 This book is a combination of

Thomas Vincent's last two known works one of which is a sermon entitled *The Only Deliverer from Wrath to Come* and the other is a book called *Words Whereby We May be Saved*. The sermon covers 1 Thessalonians 1:10 *Even Jesus which delivered us from the wrath to come*. Vincent demonstrates that 1 there is evidence of this second coming of Jesus Christ and 2 the ground of their hope and comfortable expectation and waiting for this coming in the text is because Jesus had delivered them from the wrath to come. The second work is a book on salvation covering 1 Words to try people whether they are in a state of salvation 2 Words to move people to endeavor after salvation And 3 Words to guide people in the way to attain salvation Also included are Vincent's sayings which were a collection of quotations taken out of his writings published separately after his death. This is not a scan or facsimile and has been updated in modern English for easy reading. It also has an active table of contents for electronic versions.

Our Lady of Unity Romeo C. Deiparine,2025-07-08 In the history of mankind we are instinctively drawn to religion which is indicative of God s real presence in our lives Thus in every country and places on earth all kinds of religion or faith are being practiced In the place called the Holy Land three prominent religions of Islam Christianity and the Jewish faith became true witnesses of the real existence of God It was God chosen people the Jewish race that God revealed Himself and they shared to us their God who created us all The God of Noah Abraham Moses Isaac and Jacob is the One and Only true God became the centerpiece of mankind s religion Abraham of the Jewish descend was chosen by God to become father of many nations of which the Islamic and the Christian faith came to existence The great prophet of Israel Moses recorded the history of God with his writings on the Old Testament the Five Books of Genesis Exodus Leviticus Numbers and Deuteronomy The Jewish faithful revered the teachings of the Torah and we can see them doing their religious ritual at the Wailing Wall their most revered sacred site in Jerusalem Also in Jerusalem the Islamic faith had their famous shrine the Dome of the Rock while the Christian faith had many revered religious site where the Son of God and Man revealed and renewed religion to the fullness of the truth The long awaited Messiah the Savior of mankind became the central Figure of the New Testament where He showed us the way the truth and the life In Jerusalem the holy city millions of Christians made pilgrimage to the most revered most sacred site The Church of Holy Sepulchre the place where the Son of God and Man died was buried and rose from the dead Theologians who seriously studied the Old and New Testament and comparing one to each other can easily conclude that the Christian religion is far more superior than the Jewish and Moslem religion by simply comparing their founder or their spiritual leader In the Jewish faith the faithful are formed through the Mosaic Laws written by their spiritual leader Moses the great prophet of Israel The Moslem religion was founded by their prophet Mohammed but the Christian religion was founded by the Son of God and Man Jesus Christ Analytically Moses and Mohammed though they were chosen to be prophets of God could never saved their flock for the simple reason that they do not the way the truth and the life While the Son of God and Man was sent by God the Father so to redeem and restore us back to Him The book reveals that God sent His only Begotten Son not only to redeem and save us but most importantly to established the Catholic Church

as the new ark so mankind will be saved from eternal death The central figure of this book is the Great Lady of God the Great Lady of our race a lowly creature like us chosen as the most worthy bride of God Holy Spirit which eternally sealed the union of God Spirit and mankind flesh Once the union was consummated by the birth of the Son of God and Man mankind was made worthy to enter the kingdom of Heaven prepared by the Risen Lord To conclude without Mary s yes mankind can never be saved And as Mother of God Mother of the Church Mother of Salvation this Great Lady of God will be the one who will unite all religion into her Son under the Patronage of Our Lady of Unity To the Neck and Rising Richard White,2019-05-14 In life there are times when we are overwhelmed by what is happening around and within us It is like being caught in floodwaters with no way out King David describes his life this way in Psalm 69 To the neck and rising explores his thoughts feelings emotions and attitudes throughout the Psalm The journey that David takes is not dissimilar to ours and can provide us with valuable personal insights Choices we make while in the place of the floodwaters determine whether we remain in that place of emotional turmoil or we begin to make steps towards recovery *The Works of Samuel Hopkins, D.D.* ...
