Sure Shot And Other Poems:

Sure Shot and Other Poems Erica Funkhouser, 1992 The opening section of Erica Funkhouser's first book of poems since Natural Affinities comprises twenty six lyric poems of a surpassing tenderness poems that explore a contemporary woman s response to elemental events and the loves and losses that make up the fabric of our human frailty Refusing to observe nature complacently she witnesses the stillbirth of a calf and deconstructs the wild diet of owls bringing an equally tough precision and richness of emotion to family life and the relations of friends and lovers The inventiveness and humor of these poems under firm formal control yet warm in their unexpected inner motions is rare indeed in contemporary poetry. The second part of Sure Shot consists of three poetic monologues that reconsider the history and ideals of America through the eyes of nineteenth century women Sacagawea the Shoshone squaw who guided Lewis and Clark up the Missouri River and across the Rockies to reach the Pacific Louisa May Alcott during her self sacrificial girlhood in the transcendental colony of Fruitlands in Massachusetts and Annie Oakley the renowned sharpshooter who traveled around the world with Buffalo Bill Cody s Wild West Show These keenly dramatic poems display voices and textures that explore both the inner worlds of these three extraordinary women and their richly layered responses to some of the central events of the century in which they lived The light in Funkhouser's poems is generous but exacting she illuminates what we have never noticed before BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved A Chant of Love for England, and other Poems Helen Gray Cone, 2024-09-11 Discover the lyrical beauty of Helen Gray Cone s A Chant of Love for England And Other Poems a collection that celebrates the profound connection between love landscape and nation Prepare to be enchanted by Cone s evocative verses that breathe life into the heart of England In A Chant of Love for England And Other Poems Cone invites readers on a poetic journey through the lush countryside and storied past of England Each poem is a love letter to the land reflecting the natural splendor and rich heritage of the English landscape As you delve into these pages you ll experience the grace and emotional depth of Cone's reflections on love identity and belonging The themes of patriotism and natural beauty are skillfully intertwined with personal and universal emotions creating a tapestry of lyrical brilliance Cone s adept use of imagery and metaphor brings the English countryside to life while her exploration of love both personal and national offers a poignant commentary on human connections and the enduring spirit of a nation The overall tone of the collection is both nostalgic and celebratory reflecting Cone s deep appreciation for the English landscape and its cultural heritage Her poetry resonates with a timeless quality offering readers both solace and inspiration as they journey through her verses A Chant of Love for England And Other Poems has been praised for its rich imagery and emotional resonance securing Cone's place in the pantheon of celebrated poets This collection stands out for its unique blend of national pride and personal reflection appealing to readers who appreciate both lyrical beauty and cultural significance For those who cherish poetry that explores the intersection of place and identity Cone's collection offers a profound and moving experience Her
