## **Surely Not Doctor:**

**Surely Not, Doctor!** Robert Clifford, 2014-10-02 Doctor Bob's country practice is in Tadchester on the Somerset coast but no one can accuse the town of being a sleepy little backwater. All human life is there with its quirks, colour, comedy and richness. There's the absent-minded incontinent vicar of St Peter's, the well-known London publisher whose dog has more taste than most, the lady magistrate who travels for miles for a doctor with warm hands and the packet of suppositories which prompts a bomb scare. Then there's the hairdresser with a penchant for male strippers and the whispering journalist who learnt how to shout. Even off-duty Doctor Bob's life is full of incident and he himself ends up with a long spell in hospital. It all goes to show that truth can be so much stranger than fiction. **Oh Dear, Doctor!** Robert Clifford, 2014-09-18

Oh Dear Doctor is the fourth in the series of Dr Clifford's richly entertaining and true life accounts of his experiences as a G.P. in a small West Country practice. Once again the inhabitants of Tadchester and Sanford prove that patients are not necessarily a virtue. Like Ralph the tiny greengrocer only too aware that an operation might restore marital duties with his huge bowler-hatted wife, the commander's wife who was literally a knock-out and the dubious joys of being a school medical officer. Even off-duty things don't go too smoothly; there are trials and tribulations of taking his elderly and eccentric father-in-law on a camping holiday through France and the writer's summer school where Dr Clifford ends up holding endless surgeries. Doctor family man, humourist, philosopher and counsellor Dr Robert Clifford takes us through his busy life sharing his patients' problems and joys, tragedies and courage. **Not There, Doctor** Robert Clifford, 2014-09-04 Not There Doctor continues the hilarious and heartwarming true story of a young doctor and his patients in the heart of West Country. In the period leading up to Dr Clifford's wedding day, the trials and tribulations of his procession of patients are a source of constant entertainment. There's the angler whose salmon lure ends up embedded in the seat of his trousers, the bridegroom with a tattoo he's desperate to remove before he marries the pregnant woman whose X-rays reveal a truly amazing phenomenon and there's the Doctor's own wedding when the bridesmaids appear in transparent dresses and the vicar forgets his lines. Dr Clifford's chronicles are a marvellous blend of human laughter, tragedy and courage, tales of a doctor totally at one with his world.

**There You Are, Doctor!** Robert Clifford, 2014-10-09 As charming as he is entertaining, Dr Robert Clifford dispenses a delightful dose of hilarious anecdotes, colourful portraits of patients, family and friends, tempered with heartwarming tales of human courage and tragedy. There's the eccentric hermit Hamish Richardson, the stubborn Romany Zackovitch, Hebden Miss Peabody, the elderly spinster ever hopeful of a pool's win and William Jessop, the blind man whose handicap obviously isn't a handicap. As well as stories from his Tadchester surgery, Dr Robert Clifford tells of his son's accident on Sark and there are more fishy tales with water bailiff John Denton and a sparkling of delightful descriptions of holidays at home and abroad. Doctor family man, humourist, philosopher and counsellor Dr Robert Clifford's stories are a tonic for us all. **Just Here, Doctor** Robert Clifford, 2014-08-28 Just Here Doctor is the true story of a young country doctor and his patients, a richly

entertaining and humorous chronicle of the life of a small West Country community as seen through the eyes of its G P Dr Clifford has some marvellous stories to tell about the home delivery of a cricket fan's baby in between overs of a televised Test Match of the time he rode off on a gigantic horse to attend a hunting casualty and rode back in an ambulance as the casualty and the amazing saga of his student rugby tour of France the craziest most drunken ever undertaken Here too on the more serious side are moving accounts of the courage of ordinary people in the face of serious even fatal illness Teeming with colourful and curious places and characters Just Here Doctor is packed with comedy drama and tragedy every bit as warm and enthralling as James Herriot's famous stories of a vet's life

**Regeneration** Great Britain: Parliament: House of Commons: Communities and Local Government

Committee, 2011-11-03 The Government set out its new approach to regeneration in Regeneration to enable growth What Government is doing in support of community led regeneration DCLG But the document gives the Committee little confidence that the Government has a clear strategy for addressing the country's regeneration needs It lacks strategic direction and is unclear about the nature of the problem it is trying to solve It focuses overwhelmingly upon the achievement of economic growth giving little emphasis to the specific issues faced by deprived communities and areas of market failure The proposed measures are unlikely to bring in sufficient resources Funding for regeneration has been reduced dramatically and disproportionately over the past two years and unless alternative sources can be found there is a risk of problems being stored up for the future Also lacking is a strategy for attracting private sector investment And the document gives too much prominence to changes to the planning system and does not acknowledge the benefits effective planning has brought to regeneration The financial and economic climate has impacted dramatically upon regeneration but the withdrawal of Housing Market Renewal Funding in particular has created significant problems leaving many residents trapped in half abandoned streets The Committee suggests a number of measures that could as part of a wider approach contribute to stimulating regeneration and incentivising private sector involvement The Government should now produce a national regeneration strategy which sets out a coherent approach to tackling deprivation and market failure in the country's most disadvantaged areas

Robert Clifford, 2014-09-25 Doctor Bob lives in Tadchester on the Somerset coast It's a good little town but like all English country towns it has its fair share of interesting cases To start with there's young Mr Haggard who has a thing about doctors Then there's Mr Wood the amorous but underdeveloped photographer with a crush on Amazing Grace the receptionist not forgetting Mrs Short with her secret addiction Charlie Sloper the local poacher and supermarket shoplifter the accident prone Aubrey Cattermole and last but not least the rugby team from Drake's College who develop a mysterious and

Three Times A Day, Doctor Robert Clifford,2015-01-08 Three Times a Day Doctor combines the first three books in this humorous and heartwarming doctor series Just Here Doctor Not There Doctor and What Next Doctor Together the paint a richly entertaining portrait of life in a small West Country community as seen through the eyes of its G P We read of the time he rode off on a horse to tend to a hunting casualty and rode back in an ambulance as the casualty of the craziest most drunken rugby tour of France ever undertaken of the pregnant woman whose X rays revealed a medical phenomenon of the elderly couple who turned out to be mother and son the son being eighty one Teeming with colourful places and curious characters by turns comic dramatic and tragic these tales provide an immensely entertaining slice of life delivered with a warmth and humour that will make them a real delight to read     **Carey's Library of Choice Literature** ,1836 Containing the best works of the day in biography history travels novels poetry etc     *Report of the Royal Commission on the Poor Laws and Relief of Distress* Great Britain.
