Surpassing Realism The Politics Of European Integration Since 1945

Sergio Fabbrini

Surpassing Realism The Politics Of European Integration Since 1945:

Surpassing Realism Mark Gilbert, 2003 A second edition of this book is now available This accessible text provides a concise political history of European integration from the end of World War II to the present The European project raises fascinating and important questions How did Europe's states overcome their traditional rivalries and quarrels to build supranational institutions What were the economic and geopolitical forces that drove them Which individual statesmen contributed most to defining the European project What are the issues that confronted the EU in the last decade and what problems will the EU face as its leaders consider even more advanced forms of political integration All these questions are addressed by this engaging text which offers a clear and readable account of the complex historical process by which Europe's unique polity has been built *Richard M. Nixon and European Integration* Joseph M. Siracusa, Hang Thi Thuy Nguyen, 2018-04-13 This book re-examines the Nixon administration's attitude and approach to the European integration project The formulation of US policy towards European integration in the Nixon presidential years 1969-1974 was conditioned by the perceived relative decline of the United States Western European emergence and competition the feared Communist expansionism and US national interests Against that backdrop the Nixon administration saw the need to re-evaluate its policy on Western Europe and the integration process on this continent Underpinning this study is the extensive use of newly released archival materials from the Nixon Presidential Library and Museum the Library of Congress and the State Department Furthermore the work is based on the public papers in the American Presidency Project and the materials on the topic of European integration and unification in the Archive of European Integration Finally the study has extensively used newspaper archives as well as the declassified online documents memoirs and diaries of former US officials Mining these sources made it possible to shed new light on the complexity and dynamism of the Nixon administration's policy towards European integration **The New Minorities of Europe** Michael Johns, 2014-02-27 The New Minorities of Europe Social Cohesion in the European Union argues that while the EU currently faces economic issues it is pressed with larger questions and potential problems due to the backlash against those who move freely inside the union It uses the intra EU migrants particularly the Polish community who moved post 2004 into Britain and to a lesser extent Ireland as the case through which to examine these issues The book argues that the traditional definitions of minorities and migrants are no longer valid in the EU and we should look at all groups collectively through a continuum of social cohesion based on their ability to access rights The book traces the development of free movement in the EU the movement of the intra EU migrants and the challenges and growing chilly climate they and other non EU immigrants face across Europe The book concludes with a proposal for the development of a High Commission on Social Cohesion in the European Union similar to the OSCE High Commissioner on National Minorities who could use Quiet Diplomacy to try to work with minority groups in all their forms and the EU member states to address these issues *A New Narrative for a New Europe* Daniel Innerarity, Jonathan

White, Cristina Astier, Ander Errasti, 2018-10-31 According to the European Commission Europe is facing a transversal crisis that obliges the rethinking and redefinition of its narrative As a result of the economic crisis that has affected Europe during the past years Europe has in turn faced a structural crisis that forces the reconsideration of its own existence The foundation of the European project the promises of Democracy and Human Dignity need to be assessed The internal crisis and global challenges require a paradigm shift to establish a new foundation upon which to keep those promises alive This crisis is multidimensional environmental cultural political social economic etc and the European Union should tackle it as such The book aims at contributing to that debate by offering a new conceptual approach to the core ideas of European integration process sovereignty diversity common challenges etc By doing so the edited volume settles the ground for some institutional and legal transformations that may reflect this new narrative for a new Europe

Building Europe Wilfried Loth, 2015-08-31 Relying on internal sources Wilfried Loth analyses the birth and subsequent development of the European Union from the launch of the Council of Europe and the Schuman Declaration until the Euro crisis and the contested European presidential election of Jean Claude Juncker This book shines a light on the crises of the European integration such as the failure of the European Defence Community De Gaulle's empty chair policy or the rejection of the European Constitution in France and the Netherlands but also highlights the indubitable successes that are the Franco German reconciliation the establishment of the European common market and the establishment of an expanding common currency What this study accomplishes for the first time is to illuminate the driving forces behind the European integration process and how it changed European politics and society An enlightening work A required reading for all who doubt the unfinished history of Europe Rolf Steininger Frankfurter Allgemeine Zeitung This book will become an indispensable standard work J rg Himmelreich Neue Z rcher Zeitung

The European Union Ingeborg Toemmel, 2017-08-24 The European Union affects the lives of Europeans in many and varied ways yet in spite of its reach it often appears a constrained political system struggling for internal consensus reliant on the agreement of national governments and hampered by the scepticism of electorates These issues have become even more acute in the wake of the global economic and eurozone crises This new text provides a concise and up to date introduction to the nature of the European Union giving an account of its evolution and structure that makes sense of its current challenges The text analyses the EU's institutional structure and decision making procedures and highlights the manifold conflicts as well as the sophisticated mechanisms for consensus building among the core institutions It explains the ways in which the EU differs from other forms of political order and how this leads to political processes that are characterized by cooperation and conflict In providing this context the author invites readers to a critical assessment of the functioning of the European Union and of the implications of this for its democratic legitimacy and future prospects

Holding-Together Regionalism: Twenty Years of Post-Soviet Integration Alexander Libman, E.

Vinokurov, 2012-09-27 An in depth analysis of one of the most important and complex issues of the post Soviet era namely the

re integration of this highly interconnected region The book considers the evolution of holding together groups since the collapse of the Soviet Union in 1991 looking at intergovernmental interaction and informal economic and social ties

Conflicted Memories Konrad H. Jarausch, Thomas Lindenberger, 2007-05-01 Despite the growing interest in general European history the European dimension is surprisingly absent from the writing of contemporary history In most countries the historiography on the 20th century continues to be dominated by national perspectives Although there is cross national work on specific topics such as occupation or resistance transnational conceptions and narratives of contemporary European history have yet to be worked out This volume focuses on the development of a shared conception of recent European history that will be required as an underpinning for further economic and political integration so as to make lasting cooperation on the old continent possible It tries to overcome the traditional national framing that ironically persists just at a time when organized efforts to transform Europe from an object of debate to an actual subject have some chance of succeeding in making it into a polity in its own right

European Integration Mark Gilbert, 2012 Rev and updated ed of Surpassing realism the politics of European integration since 1945 c2003 International Handbook on Informal Governance Thomas Christiansen, Christine Neuhold, 2012-01-01 This volume provides a welcome overview of the diverse ways in which informal practices and norms shape policy in national states the European Union and international relations The wide range of cases that feature in the volume point to the normative and substantive importance of informality This volume is a valuable contribution to a fascinating and under researched topic Gary Marks University of North Carolina Chapel Hill US and VU Amsterdam The Netherlands Acknowledging that governance relies not only on formal rules and institutions but to a significant degree also on informal practices and arrangements this unique Handbook examines and analyses a wide variety of theoretical conceptual and normative perspectives on informal governance The insights arising from this focus on informal governance are discussed from various disciplinary perspectives within different policy domains and in a number of regional and global contexts This Handbook is an important contribution that will put informal governance firmly on the map of academic scholarship with its review of the range of the different uses and effects of informal arrangements across the globe Bringing together multidisciplinary contributions on informal governance arrangements this Handbook will appeal to postgraduate students in political science and scholars within the field of political science and global governance

Les deux europes Michele Affinito, 2009 L histoire de l Europe au XXe si cle est marqu e par de nombreux dualismes dont les traces continuent caract riser l Union europ enne Pour mieux comprendre les probl mes actuels de l int gration europ enne ces dualismes sont tudi s dans une perspective historique et d clin s en quatre axes de r flexion Europe de l Est versus Europe de l Ouest Europe comme r ve versus Europe comme r alit Europe s politique s versus Europe s conomique s et Europe puissance versus Europe comme instrument de puissance Le pr sent ouvrage recueille les actes du IIIe colloque international de l association RICHIE R seau international de jeunes chercheurs en histoire de l int gration europ enne qui s

est tenu Naples Italie en d cembre 2007 et qui a r uni une vingtaine de jeunes chercheurs de toute l Europe pour pr senter l tat de leurs travaux en cours travers cette perspective The history of Europe in the 20th century is marked by several dualisms traces of which continue to characterize the European Union For a better understanding of the current problems of European integration these dualisms should be studied in their historical context This book is organized around four axes Eastern Europe versus Western Europe Europe as a dream versus Europe as a reality Political Europe s versus Economic Europe s Europe as a power versus Europe as an instrument of power The present work gathers the proceedings of the 3rd international conference of the RICHIE association International Network of Young Researchers in European Integration History The conference took place in Naples Italy in December 2007 and brought together young scholars from all over Europe to present their current research on this topic *Materializing Europe* A. Badenoch, A. Fickers, 2010-10-27 This book explores the relationships between European integration and material infrastructures Taking transnational infrastructures as the focal point of study the book focuses on the various forms of mediation between the material institutional and discursive levels of European integration and fragmentation in a truly transnational perspective *U.S.-UK Relations at the Start of the 21st Century*, **U.S.-UK Relations at the Start of the 21st Century** Jeffrey D. McCausland, Douglas T. Stuart, 2006 Although there is widespread agreement that the United States is the world s most powerful country in military economic and diplomatic terms and is likely to remain so for the foreseeable future there is little agreement as to how the rest of the world will react to America s lead Theory has an even more difficult time explaining the relationship between the United States and the United Kingdom UK especially its remarkable endurance over the past 6 decades The U S UK partnership flourished during World War II deepened during the long twilight struggle with the Soviet Union and has prospered further since the end of the Cold War It is likely to survive any new challenges that may loom on the horizon **Comparative Federalism** Thomas O. Hueglin, Alan Fenna, 2015-08-24 Comparative Federalism A Systematic Inquiry Second Edition is a uniquely comprehensive analytic and genuinely comparative introduction to the principles and practices as well as the institutional compromises of federalism Hueglin and Fenna draw from their diverse research on federal systems to focus on four main models America Canada Germany and the European Union but also to range widely over other cases At the heart of the book is careful analysis of the relationship between constitutional design and amendment fiscal relations institutional structures intergovernmental relations and judicial review Such analysis serves the dual role of helping the reader understand federalism and providing a comparative framework from which to assess the record of federal systems The second edition has been extensively revised and updated taking into account new developments in federal systems and incorporating insights from the growing body of literature in the field It includes two new chapters Fiscal Federalism and The Limits of Federalism *Political Economy and International Order in Interwar Europe* Alexandre M. Cunha, Carlos Eduardo Suprinyak, 2020-10-26 Standard histories of European integration emphasize the immediate aftermath of World War II as the

moment when the seeds of the European Union were first sown. However the interwar years witnessed a flurry of concern with the reconstruction of the world order generating arguments that cut across the different social sciences then plunged in a period of disciplinary soul searching and feverish activism. Economics was no exception several of the most prominent interwar economists such as F A Hayek, Jan Tinbergen, Lionel Robbins, François Perroux, J M Keynes and Robert Triffin contributed directly to larger public discussions on peace, order and stability. This edited volume combines these different strands of historical narrative into a unified framework showing how political economy was integral to the interwar literature on international relations and conversely how economists were eager to incorporate international politics into their own concerns. The book brings together a group of scholars with varied disciplinary backgrounds whose combined perspectives allow us to explore three analytical layers. The first part studies how different forms of economic knowledge from economic programming to international finance were used in the quest for a stable European order. The second part focuses on the existence of conflicting expectations about the role of social scientific knowledge either as a source of technical solutions or as an input for enlightened public discussion. The third part illustrates how certain ideas and beliefs found concrete expression in specific institutional settings which amplified their political leverage. The three parts are enclosed by an introductory essay laying out the broad topics explored in the volume and a substantial postscript tying all the historical threads together.

EU Federalism and Constitutionalism Andrew Glencross, Alexander H. Trechsel, 2010-10-21. EU Federalism and Constitutionalism: The Legacy of Altiero Spinelli edited by Andrew Glencross and Alexander H. Trechsel represents the first book length study of the travails of the implementation of federalism at the European level from the perspective of Altiero Spinelli's ideas and his political life which were both devoted to a federally united Europe. It is also a timely publication given the protracted struggle to implement a new EU institutional architecture, the 2009 Lisbon Treaty that is already being tested by the fallout from the global financial crisis. This fallout has brought into stark relief the tensions within the EU over the question of enhancing solidarity and federal unity or remaining a looser association of sovereign states. Hence by examining the successes and failures of federalism within the EU system the book seeks to explain not only how the EU has reached its current impasse but also how it may fare in the future. To achieve this objective the book takes an interdisciplinary approach that covers all three dimensions of the European project: historical, legal and political. In this fashion Andrew Glencross and Alexander H. Trechsel's EU Federalism and Constitutionalism: The Legacy of Altiero Spinelli offers a comprehensive and up to date analysis of the history, evolution and future of federal principles and institutions in the European integration process.

A Companion to Europe Since 1945 Klaus Larres, 2014-01-07. A Companion to Europe Since 1945 provides a stimulating guide to numerous important developments which have influenced the political, economic, social and cultural character of Europe during and since the Cold War. Includes 22 original essays by an international team of expert scholars. Examines the social, intellectual, economic, cultural and political changes that took place throughout Europe in

the Cold War and Post Cold War periods Discusses a wide range of topics including the Single Market European American relations family life and employment globalization consumption political parties European decolonization European identity security and defence policies and Europe's fight against international terrorism Presents Europe in a broad geographical conception to give equal weighting to developments in the Eastern and Western European states **Democracy and Federalism in the European Union and the United States** Sergio Fabbrini, 2005-02-25 The European Union a supranational system with its own institutional characteristics and autonomy has a structure and functional logic which are more similar to those of the US than those of European nation states Yet by and large the EU and the US tend to be analyzed more as potential geopolitical and economic rivals or allies than compared as institutional peers By bringing together some of the most influential political scientists and historians to compare the European and American experiences of federalism Democracy and Federalism in the European Union and the United States explores the future development and seeks a better understanding of a post national European Union democracy This book consists of three core parts how the EU has developed and the implications of the process of European federalization the features of American federalism tracing the intellectual debate that led to the approval of the American federal constitution in 1787 the future of European Union This is essential reading for all students of European politics democracy and international relations The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Surpassing Realism The Politics Of European Integration Since 1945 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Surpassing Realism The Politics Of European Integration Since 1945 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Surpassing Realism The Politics Of European Integration Since 1945 has opened up a world of possibilities. Downloading Surpassing Realism The Politics Of European Integration Since 1945 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Surpassing Realism The Politics Of European Integration Since 1945 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Surpassing Realism The Politics Of European Integration Since 1945. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Surpassing Realism The Politics Of European Integration Since 1945. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Surpassing Realism The Politics Of European Integration Since 1945, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Surpassing Realism The Politics Of European Integration Since 1945 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Surpassing Realism The Politics Of European Integration Since 1945 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Surpassing Realism The Politics Of European Integration Since 1945 is one of the best book in our library for free trial. We provide copy of Surpassing Realism The Politics Of European Integration Since 1945 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Surpassing Realism The Politics Of European Integration Since 1945. Where to download Surpassing Realism The Politics Of European Integration Since 1945 online for free? Are you looking for Surpassing Realism The Politics Of European Integration Since 1945 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Surpassing Realism The Politics Of European Integration Since 1945. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Surpassing Realism The Politics Of European Integration Since 1945 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Surpassing Realism The Politics Of European Integration Since 1945. So depending on what exactly you are searching, you will be able to choose e books to suit your own

need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Surpassing Realism The Politics Of European Integration Since 1945 To get started finding Surpassing Realism The Politics Of European Integration Since 1945, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Surpassing Realism The Politics Of European Integration Since 1945 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Surpassing Realism The Politics Of European Integration Since 1945. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Surpassing Realism The Politics Of European Integration Since 1945, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Surpassing Realism The Politics Of European Integration Since 1945 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Surpassing Realism The Politics Of European Integration Since 1945 is universally compatible with any devices to read.
