The Guards Changing Of The Guard Trooping The Colour Regimental Histories:

The Guards Peter Simkin, 1976 Popular imperialism and the military, 1850-1950 John M. MacKenzie, 2017-03-01

Colonial war played a vital part in transforming the reputation of the military and placing it on a standing equal to that of the navy. The book is concerned with the interactive culture of colonial warfare with the representation of the military in popular media at home and how these images affected attitudes towards war itself and wider intellectual and institutional forces. It sets out to relate the changing image of the military to these fundamental facts. For the dominant people they were an atavistic form of war shorn of guilt by Social Darwinian and racial ideas and rendered less dangerous by the increasing technological gap between Europe and the world. Attempts to justify and understand war were naturally important to dominant people for the extension of imperial power was seldom a peaceful process. The entertainment value of war in the British imperial experience does seem to have taken new and more intensive forms from roughly the middle of the nineteenth century. Themes such as the delusive seduction of martial music, the sketch of the music hall song, powerful mythic texts of popular imperialism and heroic myths of empire are discussed extensively. The first important British war correspondent was William Howard Russell, 1820-1907, of *The Times* in the Crimea. The 1870s saw a dramatic change in the representation of the officer in British battle painting. Up to that point it was the officer's courage, tactical wisdom and social prestige that were put on display. A History of British Tradition: Old English Customs and Ceremonies F. J. Drake-Carnell, 2025-09-25

A History of British Tradition by F. J. Drake-Carnell offers a detailed exploration of England's traditional life, tracing the grand pageantry of state such as the opening of Parliament and the enduring rituals of rural communities. Drawing on historical records, antiquarian sources and first-hand accounts, Drake-Carnell reconstructs the seasonal rhythms and communal practices that once structured English society. From May Day revels, harvest home feasts and wassailing to royal ceremonies, church ales and curious tenures, these customs reflect a cultural continuity that links ancient belief with social identity. From the pomp and pageantry of royal coronations and the Houses of Parliament to the timeless rhythms of village life, this book is a captivating journey through the heart of England's past. Both a historical resource and a celebration of England's folk heritage, this volume is essential reading for folklorists, social historians and anyone interested in the history of traditional English life. *Trooping the Colour* Ben Skipper, 2025-04-28

Trooping the Colour explores the history, traditions and key personalities behind London's ceremonial regiments, both on parade and at war. Today, Trooping the Colour gathers crowds of tourists along with the pomp and ceremony; it is an event filled with tradition that spans many hundreds of years. In that history lies duty, a call to arms and a rallying in battle. The regimental colours were presented to the soldiers daily so that they would recognize it in the melee of battle and rally toward it. In 1748 the Grenadier Guards began this tradition, also called the King's Birthday Parade, which is now held annually at Horse Guards Parade in London. Boots, buckles and busbies gleaming, formations perfect and eyes right, Trooping the Colour is the culmination of months of hard work by the staff of the London District and the

Royal Household without whom state ceremonial and public duties would not exist From regimental bands and gun salutes to Lord Lieutenants and Yeoman it is the personalities and traditions that make the history of ceremonial duties so colourful Trooping the Colour describes the histories of the key personalities and units of the London District the Royal Household Their histories are intertwined in one of the most complex narratives of the modern age It describes the numerous moments stories and traditions behind the many appointments that produce some of the most awe inspiring displays now taken for granted The book examines those defining moments in contemporary British history when planning and experience have delivered breathtaking spectacles of grandeur enjoyed by billions of people around the globe Though it s not all parades and pomp though these fine regiments have served with distinction in battles across the world and through time This book explores London s Ceremonial Regiments at war and on parade *The Guards plus CD* Pitkin Pitkin,2010-04-22 The seven illustrious Guards regiments renowned and respected around the world for their self discipline smartness and reliability are manned today by modern soldiers equally at home on parade or on operational duty See the Guards at their best in this superbly illustrated Pitkin Guide including a CD with music by the Guards a must for visitors to London Look out for more Pitkin Guides on the very best of British history heritage and travel **The Rough Guide to London** Rob Humphreys,2012-05-04 Full colour throughout The Rough Guide to London is the ultimate travel guide to one of the world s most exciting cities With 30 years experience and our trademark tell it like it is writing style Rough Guides cover all the basics with practical on the ground details as well as unmissable alternatives to the usual must see sights At the top of your to pack list and guaranteed to get you value for money each guide also reviews the best accommodation and restaurants in all price brackets we know there are times for saving and times for splashing out In The Rough Guide to London Over 50 colour coded maps featuring every listing Area by area chapter highlights Practical information on the Olympic park Top 5 boxes Things not to miss section Make the most of your trip with The Rough Guide to London **Subject Catalog, 1979** Library of Congress,1979 **Defenders of the Realm: Guardians of British Heritage** Pasquale De Marco,2025-08-13 Defenders of the Realm Guardians of British Heritage is a fascinating exploration of the people and institutions that make Britain great From the monarchy to the military from the arts to the sciences this book covers a wide range of topics that are sure to appeal to anyone interested in British culture and history In this book you will learn about the history and traditions of the British monarchy You will meet the Queen s Champion the Yeomen of the Guard and the Lord High Chancellor You will learn about the role of the British Parliament and the judiciary You will explore the world of British culture from the Royal Opera House to the Wimbledon Championships Along the way you will meet some of the most fascinating people in British history You will learn about the lives of Winston Churchill William Shakespeare and Jane Austen You will discover the stories behind some of Britain s most famous landmarks such as Buckingham Palace and the Tower of London Defenders of the Realm is a celebration of all things British It is a tribute to the people the culture and the history of a great nation This book
