The Headmistress:

The Headmistress of Rosemere Sarah E. Ladd, 2014-01-07 In Regency England the same time period as *Bridgerton* and *Poldark* Patience Creighton has devoted her life to running her father's boarding school. But when the enigmatic master of the estate appears at her door battered and unconscious the young headmistress suddenly finds her livelihood and her heart in the hands of one dangerously handsome gentleman. At twenty five Patience Creighton is already a spinster. The busy headmistress of Rosemere always expected a dashing man to sweep her off her feet and take her away but that man never came. And since her father's death keeping the school running and her mother happy has been plenty to keep her occupied. William Sterling dallied his way into financial trouble and mortal danger. When he is assaulted by his creditors henchmen on the road home from a tavern he guides his horse to the doorstep of his tenant the Rosemere School for Young Ladies. After being tended to by Patience the wounded William rides off into the dawn but makes a point to learn more about the lovely headmistress. As he spends more time at Rosemere something delicate begins to develop between William and Patience. But that will not deter William's creditors. With little money to repay his debts and less for the upkeep of his estate it becomes clear that sacrificing Rosemere may be the only way to preserve his legacy. But it may also cost him his happiness. Book Two of the *Whispers on the Moor* series. Books do not need to be read in order. Book One *The Heiress of Winterwood*. The Pink Rose E. L. Kenning, 2019-09-27 After a nearly fatal accident, Sarah is shocked to discover that she is a witch. She is even more shocked when she learns that the school she is now allowed to attend, Aralas Academy for Magic, was built 100 years in the future to protect its students and that she will have to travel in time in order to learn the secrets of her newly discovered magical powers. To make things even worse upon arriving in this strange future, she learns that the world has been destroyed somewhere in the last 100 years and that the only thing left standing is Aralas Academy itself, having been built by time-travelling witches and warlocks after the unknown event that destroyed the world occurred. Inside the school's walls, the students are encouraged to forget the disastrous state of the outside world. And so Sarah, both afraid of what has happened to the world she once knew and of her own lack of magical knowledge, starts her career at the mysterious school of magic. Now all alone without family or friends for the first time in her life, Sarah soon discovers that not all is as well behind the scenes at Aralas Academy as their strict headmistress would like everyone to believe.

The British Marine Engineer Liana Margiva, 2020-09-10 Two days later Douglas called Lorena, his best friend ever. His words touched Lorena deeply; she sat staring into the front yard through the glass door, thinking of Douglas. Little did she know then that she would never be able to shut him out of her soul; that he would always be beside her in her dreams. The cage she was confined to, albeit temporarily, hardly brought Lorena any joy, but it couldn't prevent her from being carried away in her dream to the ocean beach next to Douglas. They were on the beach, side by side. Lorena's eyes fixated on Douglas's smiley face. Unable to speak, mesmerized by his presence, Lorena longed to touch his cheek, caress his face, but resisted the urge. After a while, feeling emboldened, she uttered in a low voice, almost whispered, "May I touch your face?" Douglas kept on staring at her, smiling smartly as if knowing what was happening in Lorena's soul. Certainly, he whispered back and smiled again. Lorena reached out slowly and ran her shaky fingers gently across his cheek. Douglas kept smiling, then took Lorena by the hand and looked straight into her eyes. He then reached out with his own hand and touched Lorena's cheek, leaned over and gently kissed her on the lips. Lorena closed her eyes; she wanted to save this memory, to be able to savor it, to warm her soul once she became lonely once again.
