The High Calling Charles M. Sheldon, 2019-12-02 In *The High Calling* Charles M. Sheldon weaves a compelling narrative that explores the spiritual and moral dimensions of everyday life through the lens of a fictive community grappling with transformative challenges. This didactic work employs a straightforward yet engaging prose style typical of late 19th century American literature, marked by its emphasis on moral instruction and social reform. The novel deftly navigates themes of faith, service, and the quest for meaning, reflecting the growing social gospel movement that sought to apply Christian ethics to social issues of the time. Sheldon, a prominent minister and social activist, drew upon his deep convictions of faith and his commitment to the Methodist Church to craft this thought-provoking narrative. His life and experiences in a rapidly changing America, marked by industrialization, urbanization, and social upheaval, fueled his belief in the necessity of applying Christianity to real-world concerns. *The High Calling* reflects not only Sheldon's personal ideals but also a broader cultural imperative to enact positive change through faith-based action. Sheldon, 2025-09-26 The High Calling by Charles Monroe Sheldon is a novel that follows the intertwined lives of townspeople confronted with moral crossroads asking whether their daily choices truly reflect their Christian faith The story centers on a group of men and women whose professional and personal lives are tested when they begin to take seriously the question What would Jesus do Businessmen face the temptation of easy profit at the cost of fairness a young lawyer struggles between career advancement and justice a pastor questions whether his ministry serves comfort or genuine service and families must reconcile personal desires with the demands of community responsibility The novel builds its drama around these moral tests showing how each character's decision shapes not only their own lives but also the health of the community The high calling of the title is not limited to church or ministry it extends to every vocation and circumstance running a business practicing law raising children or leading in politics all of which become opportunities for either compromise or faithfulness Through successes and failures Sheldon presents a picture of a society wrestling with the tension between material ambition and spiritual duty The narrative is less about dramatic external events than about the slow persistent struggle of conscience Readers witness how a single act of integrity can ripple outward inspiring others while one compromise can erode trust and weaken the moral fabric of the town In this way the novel reads both as a story and as a practical guide illustrating the cost and the reward of living consistently with one's beliefs Charles Monroe Sheldon 1857 1946 an American pastor and writer used fiction as a way to popularize the ideals of the Social Gospel movement His works including the famous In His Steps emphasize applied Christianity urging believers to live their faith in the marketplace the courtroom and the home Through The High Calling Sheldon reinforced his conviction that every life regardless of profession carries the responsibility of reflecting Christ in action The Prize of the High Calling of God Stendal, Russell M., 2022-11-11 What is the greatest danger to the Christian life Is it the government or the next pandemic Is it the wrath of unbelievers or exposure to their lifestyles The life of a committed Christian is often fraught with difficulty and danger yet this is not something that should be seen as abnormal The apostle Paul dealt with trials and was in jeopardy throughout his entire ministry even to the point of being incarcerated for his faith Even so he knew that the greatest danger to the Christian life comes from within us Namely the insatiable and unchecked desires of the flesh of which he also referred to as the old man Paul understood that the flesh must be dealt with before believers can ever come to maturity in Christ therefore this was a matter he addressed within most of his epistles In totality Paul teaches that we must be crucified with Christ so that we can live by the Spirit and not fulfill the lust of the flesh This is because he that sows to his flesh shall of the flesh reap corruption but he that sows in the Spirit shall of the Spirit reap eternal life Galatians 6 8 How can this be our reality In this latest book

The Prize of the High Calling of God author Russell M Stendal examines the entirety of the epistles Paul wrote while imprisoned in Rome As always with Russell s gift for seeing both the finer details and the larger picture he helps the reader to see that they can individually take hold of what God has for them in Christ and by the Holy Spirit Russell M Stendal is the editor and translator of the Jubilee Bible JUB and Biblia del Jubileo JBS translations that are published in English and in Spanish Well over a million copies of the Biblia del Jubileo have been donated and distributed into the most impoverished areas of Colombia and Venezuela Russell Stendal was born in Minneapolis and raised on the mission field in Colombia South America He became a missionary jungle pilot at age nineteen Almost ten years later he was kidnapped in 1983 by Marxist rebels and held hostage for five months Russell has written many other books produced videos and produced the two aforementioned Bible translations Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and co workers and covering much of Latin America with the Gospel A thriving underground church has developed in remote jungle areas of Colombia New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela Ecuador Peru and Brazil as well as throughout Colombia
