The Highland Regiments Tigers In Tartan:

The Highland Regiments: Tigers in Tartan William Pratt Paul, 1971 The Highland Regiments: Tigers in Tartan, [By] W. Pratt Paul William Pratt Paul, 1971 *A Bibliography of Regimental Histories of the British Army* Arthur S. White, 2013-02-04

This is one of the most valuable books in the armoury of the serious student of British Military history. It is a new and revised edition of Arthur White's much sought after bibliography of regimental battalion and other histories of all regiments and Corps that have ever existed in the British Army. This new edition includes an enlarged addendum to that given in the 1988 reprint. It is quite simply indispensable.

The Seaforth Highlanders Paul Chrystal, 2025-04-28 Formed in 1881 through the amalgamation of two line infantry regiments 72nd Regiment and 78th Highland Regiment the Seaforth Highlanders fought in various late colonial wars in Africa invasion of Egypt Mahdist War 2nd Boer War and India Hazara Campaigns and Chitral Expedition Northwest Frontier as well as serving in the Far East. In the First World War its battalions saw service in the Middle East Mesopotamia Kut Baghdad Palestine as well as most of the major battles of the Western Front from Le Cateau in 1914 to the breaking of the Hindenberg Line in 1918 and including Aubers Ridge Messines 2nd Ypres The Somme and Passchendaele in between. Between the wars they were involved in colonial policing again on the Northwest Frontier Palestine and elsewhere. During the Second World War 1st Battalion fought in the East throughout Malaya Burma India while 2nd Battalion saw action in the Battle of France and was forced to surrender to Rommel's troops at St Valery en Caux. A particular strength of this book is the personal story of one of the regiment's soldiers his time on the North West Frontier and coverage of his four years of captivity and forced labour in PoW camps as suffered by many 2nd Battalion veterans during World War 2. This comes courtesy of exclusive access to this PoW's correspondence home. Meanwhile the reconstituted 2nd Battalion redeemed itself through its participation in the Second Battle of El Alamein the invasions of Tunisia Sicily and Italy D Day and the Normandy Battles and the invasion of Germany operations Veritable and Plunder. Overall this is an excellent and overdue account of the loyal service and many campaigns and battles of the Seaforth Highlanders Regiment across eighty years from its raising to its amalgamation into the Queen's Own Highlanders in 1961.

Echoes of Success: Identity and the Highland Regiments Ian Stuart Kelly, 2015-03-31 In *Echoes of Success* Ian Stuart Kelly uses new information about late Victorian Scottish Highland battalions to provide new insights into how groups identify themselves and pass that sense on to successive generations of soldiers. Kelly applies concepts from organisational theory the study of how organisations function to demonstrate how soldiers' experiences create a blueprint of expected behaviours and thought patterns that contribute to their battalion's continued success. This model manages the interplay between public perception and actual life experiences more effectively than current approaches to understanding identity. Also Kelly's primary research offers a more certain description of soldiers' life faith education and discipline than has previously been available.

The Gordons recruited from the north east of Scotland and the regiment s character was moulded by men from the farming counties of Aberdeenshire Moray and Nairn It was raised in 1794 by an aristocratic landowner the Duke of Gordon whose wife played a major role in attracting recruits by riding through her husband s estates and offering a guinea and a kiss to each man who enlisted Originally raised as the 100th Highlanders it was later renumbered the 92nd Highlanders and in 1881 was amalgamated with the 75th Stirlingshire Regiment to form The Gordon Highlanders In the nineteenth century the two regiments were in constant service throughout the empire and in 1879 the 92nd Highlanders were involved in Lord Roberts historic march from Kabul to Kandahar during the fighting in Afghanistan One of the first Victoria Crosses was awarded to a Gordon Highlander Private Beach who was decorated for his supreme gallantry while serving in the Crimea in 1854 Another Victoria Cross winner was Major George White Afghanistan 1879 who went on to become a field marshal During the fighting on the north west frontier of India in 1897 Piper George Findlater was awarded the Victoria Cross for continuing to play his pipes despite being wounded and under heavy enemy fire In 1994 The Gordon Highlanders amalgamated with Queen s Own Highlanders to form The Highlanders and in 2006 became the 4th Battalion of The Royal Regiment of Scotland This is a celebratory account of the regiment s long and distinguished history **Queen Victoria's Highlanders** Stuart Reid,2011-12-20 In 2006 the title Highlanders finally disappeared from the British Army s list of infantry regiments after nearly 270 years Throughout this period Scottish Highland units distinguished themselves in battle but it was in the 19th century heyday of the British Empire that they acquired an elite reputation and their colourful uniforms evolved to their full complexity This book traces and explains the identity and appearance of the individual regiments throughout Queen Victoria s reign illustrating a wide variety of their home service uniforms with engravings paintings photographs and full colour plates specially researched and prepared for this tribute to a unique military tradition *The Scots Magazine* Charles Stewart
