that I was first I shall have no argument with them for I was not so anxious to be the first to produce the result as to

**Anthony's Photographic Bulletin for** ,1887      **History and Practice of Photogenic Drawing on the True Principles of the Daguerreotype** Louis Jacques Mandé Daguerre, John Smythe Memes, 2025-08-01 Reprint of the original first published in 1839 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      A History of Photography in Canada, Volume 1 Martha Langford, 2025-09-22 From early reports of the invention to its wide application during World War I the idea of photography created anticipation and participation in the modern world The first volume of A History of Photography in Canada captures this phenomenon by looking at hundreds of photographs generated in and about Canada in the making and by listening to the chords they struck in the collective imagination Emphasizing technological readiness and cultural eagerness for the medium Martha Langford shows how photography served ideals of progress and improvement as Canada's settler society looked to master the world by seizing its visible traces The imposition of these programs on Indigenous Peoples and indentured labourers is confronted throughout this volume which offers both narratives and counternarratives of subjectification Reproducing images of people places events and objects from the unceded territories of the First Nations Inuit and Métis from British North America and from the Dominion of Canada and the Dominion of Newfoundland Langford asks where and when photographs were taken why and by whom How did the making and preservation of a photograph alter the circumstances in which it was produced and how did this affect individual and collective consciousness Alongside accomplished portraits landscapes still lifes and their vernacular counterparts the book draws glimmers of photographic experience from treatises and doggerel official reports and personal diaries newspapers magazines letters and travelogues Anticipation to Participation chronicles eight decades of reinvention and repurposing from a wondrous discovery to the wide adoption of a basic tool for knowledge gathering artmaking and journaling Langford's sweeping narrative rewrites the history of photography from the bottom up vividly expanding the definition of photographic experience      **Athenaeum and Literary Chronicle** ,1852      **Daguerreotypes** Lisa Saltzman, 2015-07-06 In the digital age photography confronts its future under the competing signs of ubiquity and obsolescence While technology has allowed amateurs and experts alike to create high quality photographs in the blink of an eye new electronic formats have severed the original photochemical link between image and subject At the same time recent cinematic photography has stretched the concept of photography and raised questions about its truth value as a documentary medium Despite this situation photography remains a stubbornly substantive form of evidence referenced by artists filmmakers and writers as a powerful emblem of truth photography has found its home in other media at precisely the moment of its own material demise By examining this idea of photography as articulated in literature film and the graphic novel Daguerreotypes demonstrates how photography secures identity for figures with an otherwise unstable sense of self Lisa Saltzman argues that in many modern

works the photograph asserts itself as a guarantor of identity whether genuine or fabricated From Roland Barthes's *Camera Lucida* to Ridley Scott's *Blade Runner* W G Sebald's *Austerlitz* to Alison Bechdel's *Fun Home* we find traces of photography's fugitive subjects throughout contemporary culture Ultimately *Daguerreotypes* reveals how the photograph at once personal memento and material witness has inspired a range of modern artistic and critical practices
