The History Growing Up The Hard Way In The 1930s History:

A Spirited History of Milwaukee Brews & Booze Martin Hintz, 2011-07-29 Crack open the first complete history of Brew City booze Discover how Milwaukee's rum holes weathered Prohibition and which Jones Island barkeep owned the longest mustaches Copy down the best recipe involving Sprecher Special Amber Rainbow Trout and sauerkraut Sample the rich heritage of Pabst Schlitz Gettleman and Miller the folk who turned Milwaukee into the Beer Capital of the World And save some room for the more recent contributions of distillers and craft brewers that continue to make the city an exciting place for the thoughtful drinker **The History** Harold Gauer, 1989-12 **The History: War and peace in the 1940s** Harold Gauer, 1991 Two young men pull down the last stronghold of Socialism in the United States The war the draft ration books conscription a heroic young mayor lost at sea Wendell Wilkie's last campaign selling stories to *Weird Tales Magazine* Washington D C in wartime slinging Mississippi mud an Eisenhower boom Earl Warren for vice president an imaginary baseball league the DA's box of dirty books escape from the Dies Committee selling CARE packages the bluebird of happiness

Family Men Laura King, 2015 Fathers are often neglected in histories of family life in Britain *Family Men* provides the first academic study of fathers and families in the period from the First World War to the end of the 1950s It takes a thematic approach examining different aspects of fatherhood from the duties it encompassed to the ways in which it related to men's identities The historical approach is socio cultural each chapter examines a wide range of historical source materials in order to analyse both cultural representations of fatherhood and related social norms as well as exploring the practices and experiences of individuals and families It uncovers the debates surrounding parenting and family life and tells the stories of men and their children While many historians have examined men's relationship to the home and family in histories of gender family life domestic spaces and class cultures more generally few have specifically examined fathers as crucial family members as historical actors and as emotional individuals The history of fatherhood is extremely significant to contemporary debate assumptions about fatherhood in the past are constantly used to support arguments about the state of fatherhood today and the need for change or otherwise in the future Laura King charts men's changing experiences of fatherhood suggesting that although the roles and responsibilities fulfilled by men did not shift rapidly their relationships position in the family and identities underwent significant change between the start of the First World War and the 1960s **History from**

the Bottom Up and the Inside Out James R. Barrett, 2017-08-04 James R Barrett rethinks the boundaries of American working class history by investigating the ways in which working class people's personal lives intersected with their activism and religious racial ethnic and class identities Channel DLS. Wisconsin. Division for Library Services, 1990 **A World History of Railway Cultures, 1830-1930** Matthew Esposito, 2021-08-29 A World History of Railway Cultures 1830 1930 is the first collection of primary sources to historicize the cultural impact of railways on a global scale from their inception in Great Britain to the Great Depression Its dual purpose is to promote understanding of complex historical processes leading to

globalization and generate interest in transnational and global comparative research on railways In four volumes organized by historical geography this scholarly collection gathers rare out of print published and unpublished materials from archival and digital repositories throughout the world It adopts a capsule approach that focuses on short selections of significant primary source content instead of redundant and irrelevant materials found in online data collections The current collection draws attention to railway cultures through railroad reports parliamentary papers government documents police reports public health records engineering reports technical papers medical surveys memoirs diaries travel narratives ethnographies newspaper articles editorials pamphlets broadsides paintings cartoons engravings photographs art ephemera and passages from novels and poetry collections that shed light on the cultural history of railways The editor s original essays and headnotes on the cultural politics of railways introduce over 200 carefully selected primary sources Students and researchers come to understand railways not as applied technological impositions of industrial capitalism but powerful fluid and idiosyncratic historical constructs

Small Press Record of Books in Print Len Fulton,1993 *Taking the Hard Road*

Mary Jo Maynes,2000-11-09 Taking the Hard Road is an engaging history of growing up in working class families in France and Germany during the Industrial Revolution Based on a reading of ninety autobiographical accounts of childhood and adolescence the book explores the far reaching historical transformations associated with the emergence of modern industrial capitalism According to Mary Jo Maynes the aspects of private life revealed in these accounts played an important role in historical development by actively shaping the authors social political and class identities The stories told in these memoirs revolve around details of everyday life schooling parent child relations adolescent sexuality early experiences in the workforce and religious observances Maynes uses demographics family history and literary analysis to place these details within the context of historical change She also draws comparisons between French and German texts men s and women s accounts and narratives of social mobility and political militancy

Major Controversies of Contemporary History

Jacques De Launay,2014-05-17 Major Controversies of Contemporary History provides a detailed analysis of all published sources concerning the major controversies of contemporary history This book presents the various works dealing with contemporary history covering the period 1914 to 1945 Organized into three parts encompassing 13 chapters this book begins with an overview of the complicity of the Serbian government in the Sarajevo outrage on June 28 1914 This text then discusses the Austro Hungarian declaration of war on Serbia taking into account the risk of Russian intervention Other chapters consider the significant role that the Russian chief of general staff plays in the decision to announce general mobilizations This book discusses as well the nature of the plans for a preventive war during the period 1933 1934 The final chapter deals with the Potsdam Conference in 1945 wherein the agenda includes the drafting of the peace treaty the occupation of Germany and the political organization of liberated Europe This book is a valuable resource for historians and students
