The Holy Rosary, from the Writings of the Fathers of the Church Fr. Mark Higgins, The Fathers of the Church, 2020-12-08 This collection of rosary meditations taken from the writings of the Fathers of the Church allows the reader for the first time to bring the insights of Sacred Tradition into the daily recitation of the Holy Rosary We know well as true sons and daughters of Holy Mother Church that the Truths of the Catholic Faith come to us both through Sacred Scripture and Sacred Tradition indeed St Paul writes Therefore brothers stand firm and cling to the traditions we taught you whether by speech or by letter 2 Thess 2 15 How little time alas do we give to the sayings of the ancient fathers how little attention towards their words of reflection and yet what riches can be found in their insights as they ponder upon the events of salvation history and share from the Fountain of Wisdom that in one manner was so much closer to their lips than it is to ours Drawing from diverse authors both those canonically held as Fathers but also other ancient writers of the First Millennium of Christianity this book will serve as a faithful companion to any committed Catholic who is desirous of going deeper in contemplation of the Holy Rosary and to do so in a manner which seeks neither novelty nor the theological fashions of today but the wisdom of the earliest saints of our Holy Religion You will find here hundreds of carefully selected paragraphs of meditation chosen in and through prayer You will find points for every bead of the traditional rosary as well as the additional mysteries proposed by Pope John Paul II and The Hopeful Mysteries introduced in an earlier work by the same author which bring to the faithful's consideration events concerning Our Lady and Salvation History prior to the Annunciation This is a book to be kept alongside your rosary beads to be brought out at adoration to be carried on retreat to be shared with your children in family prayers and to be passed on to those who wish to
