The Holy Spirit In The Theology Of Karl Barth Princeton Theological Monograph Series No 23:

Karl Barth and Pentecostal Theology Frank D. Macchia, Terry L. Cross, Andrew K. Gabriel, 2024-02-08 The essays in this volume evaluate and build on Barth's theology from the perspective of Pentecostal theology and thereby contribute to constructive Pentecostal systematic theology by using Barth as a valuable dialogue partner At present a theological conversation of Pentecostals with Barth does not exist and this volume fills this void More widely it will aid all those who seek a convergence of the Word and the Spirit in theology Barth and Pentecostals share some important common theological interests Barth's mature theology has a decidedly christological emphasis Likewise historically Pentecostals have often spoken of a full gospel with an emphasis on Christ as savior healer baptizer in the Spirit and soon and coming King with some Pentecostal traditions also adding a fifth emphasis on Christ the sanctifier Furthermore near the end of his life Barth anticipated the possibility of a theology of the third article a theology where the Holy Spirit would dominate and be decisive The realization of Barth's dream is no doubt coming to pass in part through the development of Pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for Pentecostal theology

Trinitarian Theology after Barth Myk Habets, Phillip Tolliday, 2011-01-01 The most outstanding theological thinker of the twentieth century is proving to be the most pivotal theological figure of the twenty first century as well It is no wonder some have referred to Karl Barth as a Father of the Church Karl Barth widely acknowledged as the most influential theologian of the modern era continues to provoke and inspire Christian theological reflection in a distinct and enduring way His work has occasioned appreciation critique and rejection but however one responds to Barth one must reckon with him in pursuing the theological task This volume draws together scholars whose essays exhibit work after Barth in engaging the doctrine of the Trinity and its related themes Barth's thought as evidenced amongst his most expert commentators allows for a variety of interpretations the details of which are being hammered out on the pages of academic journals and volumes such as this one It is this variety of responses to and interpretations of Barth's theology that gives such vibrancy to the essays in this volume by seasoned Barth scholars and voices new to the conversation Contributors include Ivor J Davidson Bruce L McCormack John C McDowell Paul D Molnar Murray A Rae and a Foreword by John B

Webster **Election, Atonement, and the Holy Spirit** Matthias Grebe, 2014-11-06 This book examines the doctrines of election and atonement in Karl Barth's Church Dogmatics taking up Barth's own challenge to his reader to surpass his argument and offer a better typological interpretation of the cultic texts Barth's radical reworking of Calvin's doctrine of election is one of the most important developments in twentieth century theology Christ synthesizes for Barth a particular dialectic the binary structure of God's Yes of election and God's No of rejection The book's central question how can Jesus simultaneously be both the elected and the rejected CD II 2 acting as both the judge and the judged CD IV 1 is followed by an exploration of the roles of the Holy Spirit and human freedom in God's electing and saving action Commentators both acknowledge Barth's innovation in this area and identify problems with his approach but few have offered what David Ford has called a correction from within Barth using Barth's own method Using the concept of Existenzstellvertretung this critique of Barth's exegetical justification for the doctrines offers an alternative exegesis that not only provides this much needed correction but also immerses the reader in a fresh engagement with Scripture itself **Jonathan Edwards's Theology: A Reinterpretation** Kyle C. Strobel, 2012-11-29 This volume provides an interpretative key to Jonathan Edwards's theology developed from within his own doctrinal constructs Strobel offers a dogmatic exposition of Edwards's theology by unveiling the trinitarian architecture of his thought Building upon this analysis Strobel applies his construct to reinterpret three key areas of redemption debated widely in the secondary literature spiritual knowledge regeneration and religious affection In order to achieve this purpose Strobel's approach is theological rather than philosophical employing Edwards's self confession as a Reformed theologian to guide his analysis In advancing a theological reading of Edwards Strobel focuses on the systematic nature of Edwards's theology ordering it according to his doctrinal affirmations This necessitates as many Edwards scholars now affirm a primary focus on Edwards's trinitarian theology where the Trinity serves as the key ontological principle which orders the whole of his doctrinal construction By grounding the interpretive key in Edwards's understanding of the Trinity Strobel's idiosyncratic exposition of his doctrine of the Trinity serves to recast Edwards's theology in a new light Abide and Go Michael J. Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of Jesus As God's children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Listening to the Neighbor** Byungohk Lee, 2015-05-12 The

Trinity can be understood as a social community with members speaking and listening to one another in love or as Luther understood the Trinity as conversation then God's mission essentially involves in mission in dialogue Byungohk Lee contends the church has to embrace the dialogical dimension in missional terms because the triune God is the subject of mission The missional church conversation has taken it for granted that local churches should speak and listen to their neighbors In contrast for many churches in Asia including Korea mission has generally tended to be practiced in a monological rather than dialogical manner The neighbor has not been regarded as a conversational partner of the church but only as the object for its mission In *Listening to the Neighbor* Lee shows that some local churches have participated in God's mission by listening to their neighbors He argues that listening is not a technique but a multifaceted learning process in missional terms The church must nurture its hearts eyes and ears in order to listen to the sigh of its neighbors

Spirit Christopher R. J. Holmes,2015-10-06 Who is the Holy Spirit and how does the Spirit come to be in relation to the Father and the Son What is the mission of the Spirit and where does it come from Chris Holmes takes up the questions surrounding the Spirit's procession and mission with the help of three of the church's greatest teachers Augustine Thomas Aquinas and Karl Barth Drawing on their engagements with the Fourth Gospel Holmes presents an account of the Spirit's identity origin and acts to show how the acts of the Spirit derive from the Spirit's life in relation to Father and Son and the extent to which the Spirit's mission testifies to the Spirit's origin Holmes presents a way forward for pneumatology Housed within the doctrine of the Trinity pneumatology's joyful task is to describe the Spirit's acts among us in light of their source in the Spirit's acts in God The end of this inquiry is our beatitude knowledge of the Trinity that yields to love of the Trinity

ABOUT THE SERIES New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer's *Studies in Dogmatics* this series provides thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers

Books in Print Supplement ,1982 **Books in Print** ,1981 *Role of the Holy Spirit in Protestant Systematic Theology*

Wilson Varkey,2011-08-01 This volume is a meticulously researched text on pneumatology which puts the major pneumatological issues together without confining to the traditional way of dealing with the doctrine of the Holy Spirit

Although pneumatology has been a neglected field in theological discussions of the past there is a renewal of interest among theologians on pneumatology today This renewal of interest has led to the formation of this work on the role of the Holy Spirit in the Protestant Systematic Theology Through highlighting the role and significance of the Holy Spirit in the whole divine action this volume contends that pneumatology is not a dull theological locus but rather an essential theological disposition relevant for today The detailed arguments found within challenge and inspire the contemporary pneumatological discussions as it relates to all the facets of theological reflection and action **Engaging the Doctrine of the Holy Spirit** Matthew Levering, 2016-07-19 A Distinguished Theologian on the Doctrine of the Holy Spirit Distinguished theologian Matthew Levering offers a historical examination of the doctrine of the Holy Spirit defending an Augustinian model against various contemporary theological views A companion piece to Levering s *Engaging the Doctrine of Revelation* this work critically engages contemporary and classical doctrines of the Holy Spirit in dialogue with Orthodox and Reformed interlocutors Levering makes a strong dogmatic case for conceiving of the Holy Spirit as love between Father and Son given to the people of God as a gift **The Spirit as Lord** Philip J. Rosato, 1981
