The Home Front 1939 1945 Good Housekeeping:

The Home Front, 1987-01 **The Home Fronts of Iowa, 1939-1945** Lisa L. Ossian, 2009-10-16 As Americans geared up for World War II each state responded according to its economy and circumstances as well as the disposition of its citizens This book considers the war years in Iowa by looking at activity on different home fronts and analyzing the resilience of Iowans in answering the call to support the war effort With its location in the center of the country far from potentially threatened coasts Iowa was also the center of American isolationism historically Republican and resistant to involvement in another European war Yet Iowans were quick to step up and Lisa Ossian draws on historical archives as well as on artifacts of popular culture to record the rhetoric and emotion of their support Ossian shows how Iowans quickly moved from skepticism to overwhelming enthusiasm for the war and answered the call on four fronts farms factories communities and kitchens Iowa's farmers faced labor and machinery shortages yet produced record amounts of crops and animals even at the expense of valuable topsoil Ordnance plants turned out bombs and machine gun bullets Meanwhile communities supported war bond and scrap drives while housewives coped with rationing raised Victory gardens and turned to home canning The Home Fronts of Iowa 1939 1945 depicts real people and their concerns showing the price paid in physical and mental exhaustion and notes the heavy toll exacted on Iowa's sons who fell in battle Ossian also considers the relevance of such issues as race class and gender particularly the role of women on the home front and the recruitment of both women and blacks for factory work taking into account a prevalent suspicion of ethnic groups by the state's largely homogeneous population The fact that Iowans could become loyal citizen soldiers forming an Industrial and Defense Commission even before Pearl Harbor speaks not only to the patriotism of these sturdy midwesterners but also to the overall resilience of Americans In unraveling how Iowans could so overwhelmingly support the war Ossian digs deep into history to show us the power of emotion and to help us better understand why World War II is consistently remembered as the Good War *The Home Front Encyclopedia* James Ciment, Thaddeus Russell, 2006-12-12 This definitive reference work covers the complete transformation of American Canadian and British societies during the two world wars including all aspects of working recreational and cultural life during wartime The Home Front Encyclopedia United States Britain and Canada in World Wars I and II is the first scholarly work devoted exclusively to the utter transformation of American Canadian and British societies in those pivotal years Other works have looked at developments in wartime life government agencies economic mobilization but this encyclopedia is the first to focus on how the wars permeated every aspect of life Coverage includes such fundamental issues as shifting sexual mores era defining musical genres jazz in World War I swing in World War II and the exploding popularity of baseball boxing comics movies and radio It also encompasses the decidedly unheroic moments of the times racial violence censorship labor conflicts The Home Front Encyclopedia is a uniquely insightful culturally attuned volume where Bernard Baruch Jane Addams Henry Stimson and Gunnar Myrdal share space with Charlie Chaplin Billy

Sunday Joe Louis Vera Lynn and Kate Smith At last these seminal aspects of the most momentous events of the 20th century get the definitive reference they deserve Nearly 700 alphabetically organized entries on all aspects of life on the home front during the world wars including biographies and accounts of cities and regions cultural phenomena movies music and literature ethnic groups key events elections strikes mobilization efforts government agencies and private institutions More than 100 expert contributors from the United States Canada and Great Britain including specialists in politics economics sociology and popular culture Chronologies of important events in both World Wars I and II A selection of primary sources including speeches official documents propaganda journalism and personal correspondence plus a wealth of historical images photographs propaganda posters editorial cartoons

The Home Front in World War Two Susie Hodge, 2013-02-19 This book brings an era to life with vivid stories and information from those who were there During World War Two 90% of the British population remained civilians The War affected daily life more than any other war had done before The majority of British people faced this with fortitude courage and determination and this is their story the telling of events and situations that forced their ingenuity and survival instincts to rise Make do and mend came to mean so much more than reworking old clothes and this book describes the enterprise that went on and has long been forgotten From the coasts and the countryside this is how those at home faced and fought the war passively particularly women whose job it was to keep the home fires burning These ordinary people were crucial to the war effort without their courage and inventiveness the outcome could have been very different Packed with interviews photographs and other firsthand information this book will appeal to all those who were there but even more for those with little or no experience of World War Two who will gain insights into the humor strength and creativity that emerged in the face of hardship and tragedy The book explores how people lived in Britain during times of fear hardship and uncertainty how they functioned and supported those away fighting and how they dealt with the enormous challenges and adversities

Look Who's Laughing Gail Finney, 2014-07-10 First Published in 1994 *Look Who's Laughing* belies the notion that in a joke the only place for a woman is in the butt Rather than analysing women's humor in isolation Gail Finney and twenty scholars map the terrain that the genders share and the areas that each hold exclusively Their essays investigate witty heroines sexual parodies domestic humor and romantic power They focus on comic drama and fiction stand up comedy cartoons and film describing the roles gender has played in the creation reception and interpretation of comedy from the sixteenth century to present They consider works by Shakespeare Oscar Wilde Zora Neale Hurston and Virginia Woolf whilst discussing characters such as V I Warshawski Molly Bloom and Elizabeth Bennet The book's emphasis on comedy's diverse sources uncovers critical prejudices and defines new contexts enabling men and women to understand more about each other's attitudes towards humor its means and ends

A Season of Shadows Paul McCusker, 2009-08-30 Love deception betrayal decisions duty and the truth How did things get so complicated The night before had been so ordinary as Julie Harris played the charming socialite at another of her husband's high society

Washington parties But that morning Julie awoke to find herself a widow forced to deal with the scandal surrounding Stewart Harris s death and with the shocking unsuspected secrets of his life Now her search for the truth about her late husband has brought Julie to wartime London Posing as an aide at the U S embassy she sets out to fulfill her mission infiltrate a radical Fascist group a group with mysterious ties to her husband s past As Hitler s savage air blitz against London commences Julie finds herself swept into a whirlwind of clashing images of glittering parties set against the firestorm of night bombings and of treachery covered by a veneer of smiles and fair words In a world where nothing is as it seems and where the best of intentions can inspire the worst of actions whom can Julie trust One man may hold the answer and with it hope not only amid war torn London but in the face of Julie s private struggle

Nationalising Femininity Christine Gledhill, Gillian Swanson, 1996 What was the relation between gender and nation when the waiting woman was displaced by the mobile woman and homes were flattened by bombs What happened to notions of femininity sexual difference and class as women moved into the workplace and donned dungarees military uniforms and utility clothing

The Birds That Wouldn't Sing Justin Smith, 2024-12-19 This compelling book offers a unique perspective on D Day and its aftermath through the personal testimonies of the Wrens who worked for Admiral Sir Bertram Ramsay during Operation Overlord Drawing on public and private archives it reveals the untold stories of the women serving in the Women s Royal Naval Service WRNS balancing their wartime contributions with the strictures of secrecy and censorship The narrative is framed by letters from these Wrens which provide intimate glimpses into both the personal and professional challenges they faced during World War II The book captures the atmosphere of war as experienced by British auxiliaries It highlights the Wrens vital but often overlooked role in the D Day planning effort and beyond revealing the surreal coexistence of the ordinary and extraordinary in wartime Focusing in particular on the wartime archive of one of the Wrens Joan Prior the author brings to life the contribution of these women to the war effort while also offering insights into British French and German morale and culture This thoughtful and moving account adds depth to the broader historical narrative of World War II making it a valuable addition for both the general reader and the professional historian

Women in the British Army Lucy Noakes, 2006-04-18 In this fascinating timely and engaging study Lucy Noakes examines women s role in the army and female military organizations during the First and Second World Wars during peacetime in the interwar era and in the post war period Providing a unique examination of women s struggle for acceptance by the British army Noakes argues that women in uniform during the first half of the twentieth century challenged traditional notions of gender and threatened to destabilise clear cut notions of identity by unsettling the masculine territory of warfare Noakes also examines the tensions that arose as the army attempted to reconcile its need for female labour with their desire to ensure that the military remained a male preserve Drawing on a range of archival sources including previously unpublished letters and diaries official documents newspapers and magazines *Women in the British Army* uncovers the gendered discourses of the army to reveal that it was a key site in the formation of

male and female identities **The Mill House** Paul McCusker,2009-05-26 They found her by the dilapidated country chapel clutching shards of colored glass from the old stained glass windows desperately clinging to the fragments of a shattered past England Shrouded in the heartache of a fifty year old secret Elaine Arthur suddenly slips into a deep depression and gives up on life Lainey her granddaughter is desperate to save her and certain that uncovering the secret will bring healing and hope America Nicholas the grandson of a powerful publishing mogul discovers a box from his grandfather s English past including unopened letters that reveal a love once lost Nicholas believes those letters may explain his grandfather s hardheartedness and the writer may hold the key that could open the door to redemption As Lainey and Nicholas search for answers their paths cross and together they move into a deep mystery and discover that love and forgiveness can show up in the most unlikely places From the pain of the past emerges a tender story of lost love betrayal reconciliation and renewed hope that spans a half century and thousands of miles Ration Book Recipes Gill Corbishley,1990 Here is a lively summary of the facts about food and rationing between 1939 and 1954 together with some of the more noteworthy recipes and many illustrations from contemporary sources **C. S. Lewis & Mere Christianity** Paul McCusker,2014-06-20 Mere Christianity is one of the best books of Christian apologetics ever written Arguably no book other than the Bible itself has had as much influence for the cause of the gospel over the past 60 years The story of how that message came to be created during the rigors of World War II in England is fascinating in and of itself But it also addresses a very important question How do we present the gospel effectively to a culture that has Christian foundations but has become largely secularized and ignorant of biblical truth C S Lewis Mere Christianity develops the circumstances of Lewis s life and the inner workings of the BBC It also goes into greater detail about life in the middle of war against Nazi Germany and Lewis s series of broadcasts that extended into 1944 **Domestic Soldiers** Jennifer Purcell,2010-08-26 Over 8 million women stayed at home during the Second World War and their story has never been told Using brand new research from the Mass Observation Archive Jennifer Purcell brings to life in all its tragedy pathos joy and fear the lives of six ordinary women made extraordinary by the demands of war In their diaries and notes they record the inner thoughts and everyday activities as they tried to survive come what may Nella Last the archetypal housewife struggles between the demands of her husband and her desire to help the war effort Cambridge educated middle class Natalie Tanner sneaks out to the cinema whenever possible and discusses politics in town leading a leisured life while others try to scrape by Saddled with a draughty and unwieldy centuries old home directly in the path of German bombs Helen Mitchell constantly tries to escape the war and her domestic life Opinionated and patriotic Edie Rutherford uses the war to escape the home and go to work Alice Bridges endures the horrors of the Blitz on her home town of Birmingham and finds a new and exciting social life as she reports the war for Mass Observation Housebound for most of the war with debilitating arthritis working class Irene Grant struggles to keep her family fed and dreams of a better Britain Intensely moving and personal each woman reveals their most secret fears and hopes as well as the everyday problems of

wanting to contribute to the war effort keeping a house together under difficult circumstances the travails of rationing work and volunteering whilst maintaining their duties as wife and mother Jennifer Purcell redraws a new emotional and unexpected history of the Second World War as it was experienced by those left behind the domestic soldiers **Liverpool's Children in the Second World War** Pamela Russell, 2011-11-30 This is the untold story of Liverpool's children in the Second World War Whilst everyone is familiar with the tales of evacuees who were rushed out of the cities once the bombs started falling many of us are unaware that many stayed behind either by choice or necessity as the city of their childhood disintegrated and burned around them In the words of those who experienced the Liverpool Blitz first hand we hear of their adventures and misadventures the fun and games and ever present danger and the humor and sorrow of those wartime years This is an important and revealing look at the war as seen through the eyes of these children This book not only explores the memories of a childhood ravaged by war but also the formative effect this had on individuals' lives It reflects the collective spirit of a city that refused to be crushed even at the darkest hours of the Luftwaffe's bombing campaign Ideal for anyone who lived through those times or who is fascinated by experiences and the legacy of the wartime generation this new title pays tribute to the war's forgotten children *Spuds, Spam and Eating For Victory* Katherine Knight, 2011-10-21 The battle to keep the nation fed during the Second World War was waged by an army of workers on the land and the resourcefulness of the housewives on the Kitchen Front The rationing of food clothing and other substances played a big part in making sure that everyone had a fair share of whatever was available In this fascinating book Katherine Knight looks at how experiences of rationing varied between rich and poor town and country and how ingenious cooks often made a meal from poor ingredients Charting the developments of the rationing programme throughout the war and afterwards *Spuds Spam and Eating for Victory* documents the use of substitutions for luxury ingredients not available resulting in delicacies such as carrot jam and oatmeal sausages The introduction of Spam in America in the forties led to this canned spiced pork and ham becoming an iconic symbol of the worse period of shortage in the twentieth century Seventy years after the outbreak of the Second World War this book listens to some of the people who were young during the conflict share their memories both sad and funny of what it was like to eat for Victory **Epistolary Selves** Rebecca Earle, 2016-12-05 This volume of ten essays discusses the pivotal role that letters have played in social economic and political history from the seventeenth to the twentieth century The recent scholarly interest in the history of reading has as yet yielded few studies which consider letters as a category of readable material The contributors to this book seek to redress this oversight viewing letters as texts which can reveal information not only about their writers and readers but about the wider historical context in which they were written Topics covered include the mercantile letter diplomatic correspondence and what these epistolary forms suggest about the rise of a polite literate culture in the eighteenth century the experience of immigration from Europe to America during the nineteenth and twentieth centuries the relationship through the letter and the working of gender in the epistolary

form Rebecca Earle provides an overview of how the study of letter writing can open up new avenues of historical as well as literary investigation This together with contributions from leading international scholars makes *Epistolary Selves* an essential text for those researching the letter genre

Army Wives Midge Gillies, 2016-11-18 Most families have an army wife somewhere in their past Over the centuries they have followed their men to the front helped them keep order in far flung parts of the empire or waited anxiously at home *Army Wives* uses first hand accounts letters and diaries to tell their story We meet the wives who made the arduous journey to the Crimean war and witnessed battle at close quarters We hear the story of life in the Raj and the often terrifying experiences of the women who lived through its dying days We explore the pressures of being a modern army wife whether living in barracks or trying to maintain a normal home life outside the patch In the twentieth century two world wars produced new generations of army wives who forged friendships that lasted into peacetime *Army Wives* reveals their experience and that of a new breed of independent women who supported their men through the Cold War to the current war on terror Midge Gillies author of acclaimed *The Barbed Wire University* looks at how industrial warfare means husbands can survive battle with life changing injuries that are both mental and physical and what that means for their family She describes how army wives communicate with their husbands via letters and coded messages to more immediate but less intimate texts and Skype She examines bereavement from the seances public memorials and deaths in a foreign field of the Great War to the modern media coverage of flag draped coffins returning home by military plane Above all *Army Wives* examines what it really means to be part of the army family

The Home Front Pocket Manual, 1939-1945 Lucinda Gosling, 2020-04-09 This compilation of WWII era magazine articles is a really useful reference guide covering aspects of life in the 1940s packed with information Home Front History This manual brings together articles from stylish contemporary magazines of Britain during the World War II era including *Britannia* what to do with the family car augmenting rationed foods and turning them into tasty meals contributing to the war effort by keeping livestock salvaging valuable materials and growing food all of course while remaining fashionable and keeping up appearances

Ration Book Cookery Gill Corbishley, 2004 Britain was at its most healthy during the days of rationing as people were forced to think about everything they put in their mouths This new book in the *Cooking Through the Ages* series looks at the history behind rationing and its impact on the British population Many of the recipes of the time reproduced here showed incredible ingenuity in creating a well balanced and nutritious meal out of very few ingredients With shortages of pretty much everything this concise history describes how Britain coped with rationing and the lessons they learnt

La Société anglaise en guerre, 1939-1945 , Cet ouvrage examine de nombreux aspects de la société anglaise au cours de la Seconde Guerre mondiale Durant cette période en effet elle a connu un profond examen de ses structures sociales économiques politiques et culturelles

The Home Front 1939 1945 Good Housekeeping Introduction

In today's digital age, the availability of The Home Front 1939 1945 Good Housekeeping books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Home Front 1939 1945 Good Housekeeping books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Home Front 1939 1945 Good Housekeeping books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Home Front 1939 1945 Good Housekeeping versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Home Front 1939 1945 Good Housekeeping books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Home Front 1939 1945 Good Housekeeping books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Home Front 1939 1945 Good Housekeeping books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It

also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Home Front 1939 1945 Good Housekeeping books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Home Front 1939 1945 Good Housekeeping books and manuals for download and embark on your journey of knowledge?

FAQs About The Home Front 1939 1945 Good Housekeeping Books

1. Where can I buy The Home Front 1939 1945 Good Housekeeping books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
