## **The Home Front And War In The Twentieth Century:**

**The home front and war in the twentieth century** , **The Home Front and War in the Twentieth Century** ,1983 **The Home Front and War in the Twentieth Century** Mary Ann Robinson,1982 **The Home front and war in the twentieth century** James Titus,1984 **Americans and the Wars of the Twentieth Century** Jenel Virden,2008-02-04 Jenel Virden outlines the causes courses and consequences of the major wars of the Twentieth century in American history examining how the US became involved how the wars were fought and the domestic consequences Applying just war theory foreign policy as well as civil liberty are discussed **The Home Front and War in the Twentieth Century** Office of Air Force History,United States Air Force,2015-02-24 The essays and commentaries which form this volume originally were presented at the Tenth Military History Symposium which was held at the United States Air Force Academy on October 20 22 1982 The Military History Symposium is a biennial event sponsored jointly by the Department of History and the Association of Graduates United States Air Force Academy The purpose of this series is to provide a forum in which scholars may present the results of their research in military affairs We hope in this way to encourage interest in a vital subject among civilian and military scholars members of the armed forces and the cadets of the United States Air Force Academy Any undertaking of the magnitude and scope of the Tenth Military History Symposium accumulates many debts Primary thanks are owed to the superb group of scholars who gathered at the Academy to deliver papers offer commentaries and moderate the various sessions Such value as this volume may possess is due entirely to their vigorous scholarship and willingness to share their erudition with the rest of us Even historians in uniform belong to a wider community of scholars whose members exchange ideas and information as they pursue a common objective of understanding the past Many friends of the Department of History offered suggestions and critical insights which contributed significantly to the success of the Tenth Military History Symposium *On the Home Front* Kate Darian-Smith,2009-04-01 What really happened on the Australian home front during the Second World War For the people of Melbourne these were years of social dislocation and increased government interference in all aspects of daily life *On the Home Front* is the story of their work leisure relationships and their fears for by 1942 the city was pitted with air raid trenches and in the half light of the brownout Melburnians awaited a Japanese invasion As women left the home to replace men in factories and offices the traditional roles of mothers and wives were challenged The presence of thousands of American soldiers in Melbourne raised new questions about Australian nationalism and identity and the carnival spirit of many on the home front created anxiety about the issues of drunkenness gambling and sexuality Kate Darian Smith s classic and evocative study of Melbourne in wartime draws upon the memories of men and women who lived through those turbulent years when society grappled with the tensions between a restrictive government and new opportunities for social and sexual freedoms **Women and War in the Twentieth Century** Nicole A. Dombrowski,2004-11-23 First published in 2005 This volume documents women s 20th century wartime

experiences from World War I through the recent conflicts in Bosnia The articles cross national boundaries including France China Peru Guatemala Germany Bosnia the U S and Great Britain The contributors of these original essays trace the evolution of women s roles as victims of war while also showing how they have been increasingly incorporated into battle as actors and perpetrators These comparative studies analyze war s disruptions of daily life its effects on children rape as a war crime access to equal opportunity and women s resistance to violence      The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set Brian W. Shaffer,2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A S Byatt Samuel Beckett D H Lawrence Zadie Smith Salman Rushdie V S Naipaul Nadine Gordimer Alice Munro Chinua Achebe J M Coetzee and Ng g Wa Thiong o and their key works Examines the genres and sub genres of fiction in English across the twentieth century including crime fiction Sci Fi chick lit the noir novel and the avant garde novel as well as the major movements debates and rubrics within the field such as censorship globalization modernist fiction fiction and the film industry and the fiction of migration diaspora and exile      *Gender and War in Twentieth-Century Eastern Europe* Nancy M. Wingfield,Maria Bucur,2006-05-09 This volume explores the role of gender on both the home and fighting fronts in eastern Europe during World Wars I and II By using gender as a category of analysis the authors seek to arrive at a more nuanced understanding of the subjective nature of wartime experience and its representations While historians have long equated the fighting front with the masculine and the home front with the feminine the contributors challenge these dichotomies demonstrating that they are based on culturally embedded assumptions about heroism and sacrifice Major themes include the ways in which wartime experiences challenge traditional gender roles postwar restoration of gender order collaboration and resistance the body and memory and commemoration      Gendering Global Humanitarianism in the Twentieth Century Esther Möller,Johannes Paulmann,Katharina Stornig,2020-08-24 This volume is interesting both because of its global focus and its chronology up to the present it covers a good century of changes It will help define the field of gender studies of humanitarianism and its relevance for understanding the history of nation building and a political history that goes beyond nations Glenda Sluga Professor of International History and ARC Kathleen Laureate Fellow at the University of Sydney Australia This volume discusses the relationship between gender and humanitarian discourses and practices in the twentieth century It analyses the ways in which constructions norms and ideologies of gender both shaped and were shaped in global humanitarian contexts The individual chapters present issues such as post genocide relief and rehabilitation humanitarian careers and

subjectivities medical assistance community aid child welfare and child soldiering They give prominence to the beneficiaries of aid and their use of humanitarian resources organizations and structures by investigating the effects of humanitarian activities on gender relations in the respective societies Approaching humanitarianism as a global phenomenon the volume considers actors and theoretical positions from the global North and South from Europe to the Middle East Sub Saharan Africa South and South East Asia as well as North America It combines state and non state humanitarian initiatives and scrutinizes their gendered dimension on local regional national and global scales Focusing on the time between the late nineteenth century and the post Cold War era the volume concentrates on a period that not only witnessed a major expansion of humanitarian action worldwide but also saw fundamental changes in gender relations and the gradual emergence of gender sensitive policies in humanitarian organizations in many Western and non Western settings *Homefront* Catherine Lutz, 2001 From secret training operations that use civilians as mock enemies and allies to the low wage satellite economy of the town Lutz's history of Fayetteville reveals the burdens that military preparedness has created for all of us throughout the twentieth century Her portrait of the town poses the provocative question Are we all military dependents BOOK JACKET
