**The Homing Spirit** John S. Dunne, 1997 Coming home for the spirit according to the author means coming to peace The book recounts the author's quest for peace in the form of three pilgrimages to Jerusalem and how he found peace in conversations with Jews Christians and Muslims Yearnings of the Soul Jonathan Garb, 2015-11-23 In Yearnings of the Soul Jonathan Garb uncovers a crucial thread in the story of modern Kabbalah and modern mysticism more generally psychology Returning psychology to its roots as an attempt to understand the soul he traces the manifold interactions between psychology and spirituality that have arisen over five centuries of Kabbalistic writing from sixteenth century Galilee to twenty first century New York In doing so he shows just how rich Kabbalah's psychological tradition is and how much it can offer to the corpus of modern psychological knowledge Garb follows the gradual disappearance of the soul from modern philosophy while drawing attention to its continued persistence as a topic in literature and popular culture He pays close attention to James Hillman's archetypal psychology using it to engage critically with the psychoanalytic tradition and reflect anew on the cultural and political implications of the return of the soul to contemporary psychology Comparing Kabbalistic thought to adjacent developments in Catholic Protestant and other popular expressions of mysticism Garb ultimately offers a thought provoking argument for the continued relevance of religion to the study of psychology **Feminist Companion to John** Amy-Jill Levine, Marianne Blickenstaff, 2003-01-01 V 2 studies includes some that seek to locate the cumulative effect of all the stories concerning women these lead to general suggestions concerning both the evangelist's view of gender and the role of women in the Johannine community Also Christological language and theological categories in search for an alternative to the androcentrism and exclusivity theologians typically associate with the Fourth Gospel Highlights of specific scenes e.g. crucifixion appearance to Mary Magdalene to interrogate the function of feminine imagery the implications of particularly troublesome verses the cultural appropriations of the narratives from back cover **Wisdom Commentary: John 1-10** Mary L Coloe, PBVM, 2021-07-15 Teaching and researching the Gospel of John for thirty years has led author Mary L Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology language and symbolism in the prologue with Nicodemus in the Bread of Life discourse with Mary and Lazarus and in the culminating Hour She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom considered deuterocanonical and omitted from some Bible editions are essential intertexts Only the book of Wisdom speaks of the reign of God Wis 10 10 eternity life Wis 5 15 and the ambrosia maintaining angelic life Wis 19 21 all concepts found in John's Gospel While the Gospel explicitly states the Logos was enfleshed in Jesus this is also true of Sophia Coloe makes the case that Jesus's words and deeds embody Sophia throughout the narrative At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel passage drawing Sophia out of the shadows John 1?10 Mary L. Coloe, 2021-07-29 2022 Catholic Media Association honorable mention in scripture academic studies Teaching and researching the Gospel of John for thirty

years has led author Mary L Coloe to an awareness of the importance of the wisdom literature to make sense of Johannine theology language and symbolism in the prologue with Nicodemus in the Bread of Life discourse with Mary and Lazarus and in the culminating Hour She also shows how the late Second Temple theology expressed in the books of Sirach and Wisdom considered deuterocanonical and omitted from some Bible editions are essential intertexts Only the book of Wisdom speaks of the reign of God Wis 10 10 eternity life Wis 5 15 and the ambrosia maintaining angelic life Wis 19 21 all concepts found in John s Gospel While the Gospel explicitly states the Logos was enfleshed in Jesus this is also true of Sophia Coloe makes the case that Jesus s words and deeds embody Sophia throughout the narrative At the beginning of each chapter Coloe provides text from the later wisdom books that resonate with the Gospel passage drawing Sophia out of the shadows *Feminist Companion to the New Testament and Early Christian Writings* Amy-Jill Levine, Marianne Blickenstaff, 2001 *What is Mental Retardation?* Harvey N. Switzky, Stephen Greenspan, 2006 *What is Mental Retardation* is a rare peek into the divergent and at times contentious points of view among the world s leading researchers on what the condition of mental retardation is and how it should be defined measured and implemented in the 21st century This candid and insightful collection of 21 essays features expert opinion on issues ranging from whether mental retardation really is a slowing of mental development and what the disability should be called to how cultural norms affect the definition of the condition worldwide and lessons learned from the Atkins v Virginia case The definitions of mental retardation published from 1921 2002 by the American Association on Intellectual and Developmental Disabilities provide the backdrop for this powerful discussion **Sharing Lights on the Way to God** Pim Valkenberg, 2006 This book seeks to give form to a theology that hyphenates two traditions that have not only been in constant conflict during most of their historical encounters but are also presented as opposite blocks in the threatening clash of civilizations at the beginning of the third millennium Islam and Christianity Based on experiences of dialogue between the three Abrahamic faiths this book analyzes historical and contemporary processes of interreligious dialogue between Christians and Muslims in order to arrive at a concept of dialogue as mutual emulation It shows how in their theologies of religious others Judaism Christianity and Islam have based their images of others on their self images This characteristic makes traditional theologies of religion quite unsuitable for interreligious dialogue Consequently the author of this book develops a model in which comparative theology and interreligious dialogue are connected by studying as a Christian theologian the theological and spiritual sources of his Muslim partners These exercises in comparative Muslim Christian theology comprise both the medieval Aquinas al Ghazali Rumi and the modern periods Said Nursi Fethullah Gulen Tariq Ramadan An interlude on Teresa of Avila s poem Nada te turbe shows how Christians may recover important insights from their own tradition by reading these Muslim theological and spiritual sources **BOOK JACKET** **Christian Spirituality** Karen E. Smith, 2007 This textbook works towards presenting Christian spirituality as an ongoing dialogue between doctrine and experience and asserts that Christian spirituality must

**Forthcoming Books** Rose Arny, 1997     The Liminal and The Luminescent Terrill L. Gibson, 2021-12-21 Our world is bathed in ongoing biological political cultural climate and spiritual crises that seem endless If anything these disruptions appear to be spiraling into ever larger threat fronts that challenge our survival as a species Carl Gustav Jung renowned Swiss psychiatrist avowed in his archetypal psychology that there is a portal of transforming possibility if we have the courage to enter that doorway That threshold entering demands that we embrace our individual and collective sufferings and then seek the path of meaning and destiny that is always resident deeply at the core of such trauma This book narrates how this destiny is found and lived forward for both each individual life and for our varied human cultures It affirms and gives examples of the deep soul dimension of life that lies under the often chaotic surface the liminal realm of animate and guiding dream vision myth and spirituality where the gods meet us so that we all can find our mutual way Home This liminal world is navigated through the metaphoric and literalness of pilgrimage performance and political processes in our personal and cultural lives What might be your path of destiny     **Subject Guide to Books in Print** , 1991     **Books in Print** , 1987
