Passau course From John D Rockefeller to Bill Gates The Philanthropical American Tradition language English abstract

Philanthropy constitutes an integral and important part of American culture and the United States probably outstrips all other countries in the size and autonomy of its nongovernmental sector Gardner ix Originally the term Philanthropy derives from the Ancient Greek phrase philanthropia and means love to mankind Philanthropy 1989 Today the American philanthropic sector is unique in its dimension and organization among all countries in the world and no other nation manages its religious cultural social service health care and educational activities in this way Hamrack xv To explore the role of philanthropy in the United States of America it is necessary to analyze the number of cultural and historical influences and events from which the Philanthropical American Tradition emerged Affected by the Native American culture Puritan beliefs the Mayflower Compact from 1620 up to the adaption of the democratic U S Constitution in 1789 and the phenomena of U S patriotism a rich tradition of philanthropy developed in the USA By providing the impact of historical events shaping the Philanthropical American Tradition it is due to the multitude of influences only possible to examine the most important ones in this paper The impact of these historical influences on the Philanthropical American Tradition will be exposed in consideration of the American culture and character Finally against the background of the strong American Philanthropical Tradition the importance of America s non profit sector will be revealed from a historical perspective Robin Hood Was Right Chuck Collins,Pam Rogers,Joan P. Garner,2000 Last year Americans donated 150 billion to charity an amount larger than the U S defense budget Giving has never been more popular possible or for many more confusing There are oceans of need mountains of requests and often little time to examine our preconceptions about money earned inherited bequeathed saved spent and make the best decisions on how to give effectively Culturally Mindful Communication Masami Nishishiba,2017-07-06 Drawing on research in intercultural communication psychology and public and nonprofit administration Culturally Mindful Communication provides strategies for students and practitioners of public service to improve their intercultural communication skills Topics include expectations for public and nonprofit professionals in a multicultural society frameworks for assessing cultural differences and similarities verbal and nonverbal communication in the intercultural context barriers for effective intercultural communication key considerations for effective multicultural teams approaches for effective multicultural community engagement mindful leadership Leading Up Lilya Wagner,2005-10-13 Fundraisers at all levels discover the art of leading up Fundraisers know that in order to be successful in their demanding profession they have to get things done And to get things done they need to exercise leadership from whatever rank or position they hold often from the middle This concept is called leading up Recognizing that all fundraisers must be leaders Leading Up teaches professionals the skills and traits they need to be successful in their philanthropic roles Leading Up centers around author Lilya Wagner s unique model which exemplifies the concept of leading up Here fundraisers will discover how to get things done when they re not in charge how to motivate others when they don t have

formal authority how to convince or persuade their colleagues and superiors about their need for action and involvement and how to lead when they re not recognized leaders by virtue of power or position Focusing on problem solving concepts Leading Up is packed with thought provoking questions exercises and practical application steps that allow professionals to practice and implement the principles they ve just learned The book also includes inspirational quotes on leadership from recognized and successful professionals and leaders Leadership qualities have to be learned and practiced by all who wish to achieve success in fundraising whether boss or not Leading Up provides readers with the groundwork they need to not only build up their causes and organizations but also influence a professional field that is still developing *Native Americas*,2003
