Augusta Maria WOODTHORPE

The Hour:

The Hour is Now Richard Chilson, 2014 *The Hour of Fate* Susan Berfield, 2020-05-05 A riveting narrative of Wall Street buccaneering political intrigue and two of American history's most colossal characters struggling for mastery in an era of social upheaval and rampant inequality. It seemed like no force in the world could slow J.P. Morgan's drive to power. In the summer of 1901 the financier was assembling his next mega deal Northern Securities, an enterprise that would affirm his dominance in America's most important industry, the railroads. Then a bullet from an anarchist's gun put an end to the business-friendly presidency of William McKinley. A new chief executive bounded into office, Theodore Roosevelt. He was convinced that as big business got bigger, the government had to check the influence of the wealthiest or the country would inch ever closer to collapse. By March 1902 battle lines were drawn: the government sued Northern Securities for antitrust violations. But as the case ramped up, the coal miners' union went on strike, and the anthracite pits that fueled Morgan's trains and heated the homes of Roosevelt's citizens went silent. With millions of dollars on the line, winter bearing down, and revolution in the air, it was a crisis that neither man alone could solve. Richly detailed and propulsively told, *The Hour of Fate* is the gripping story of a banker and a president thrown together in the crucible of national emergency, even as they fought in court. The outcome of the strike and the case would change the course of our history. Today, as the country again asks whether saving democracy means taming capital, the lessons of Roosevelt and Morgan's time are more urgent than ever. Winner of the 2021 Theodore Roosevelt Association Book Prize, Finalist for the Presidential Leadership Book Award. *The Hour of Two: a Novel* Augusta Maria WOODTHORPE, 1809 **The Hour of Sorrow** G. F. Maclear, 2023-11-19 Reprint of the original first published in 1875 **The Hour is Come** Andrew Nunn, 2021-11-30 The gospel accounts change when we come to the final days of Jesus' life, and for the first time we are given precise timings when things happen. It was night, the next morning it was nine o'clock, in the morning when they crucified him it was noon, it was three o'clock in the afternoon. *The Hour is Come* enables readers to enter into the experience of Jesus, his disciples, and all the other players in the Passion narrative by using real time to immerse us in the story. Ideal for daily reading during Lent, Holy Week, and Easter, it offers scripture reflections and prayers that trace the journey to and beyond the cross. It begins on Mothering Sunday, the Fourth Sunday of Lent, with a reminder that Jesus' journey to the cross began in infancy. The pace is slow at the beginning but during the great Three Days, from Maundy Thursday evening until Easter Day, the story unfolds hour by hour as it happens. Then the pace slows again as we move through Easter's fifty days to Pentecost. This presentation reveals a God so intimately involved with human life that the ticking clock becomes part of how we know Jesus. **The Hour of the Fox** Kurt Palka, 2018-07-31 From the bestselling author of *The Piano Maker* comes a stunning, profoundly moving story about motherhood, grief, marriage, and friendship. For fans of M.L. Stedman's *The Light Between Oceans*, Margaret Bradley is the most senior associate at a prestigious law firm, and she is on track to make partner. It is the 1970s; her climb up the career ladder in this male-dominated profession has been

difficult but with hard work she has made herself one of the best in it She is dedicated to her work and is happily married until one day her entire world is shattered by the sudden death of her son Andrew a military pilot Now Margaret lives with a heavy all encompassing sense of loss and regret that is pushing her further and further away from the person she once knew herself to be and from her husband Jack a successful geologist and a loving and loyal partner Consumed by her sorrows Margaret is drawn back to the family summer home in Sweetbarry a small town off the coast of the North Atlantic where she spent much of her childhood Her lifelong best friend Aileen is close by When Aileen s adult son Danny is questioned by local police in connection with a violent crime that shocks the community Margaret provides legal and moral support And it is while doing so that an opportunity presents itself for her to confront her sorrow She sees a door opening A way forward and she boldly reaches out with an act of courage and humility that has profound consequences Set against the backdrops of the rugged Atlantic coast Toronto and Paris *The Hour of the Fox* is emotionally resonant atmospheric and unforgettable in its depiction of motherhood and loss

Man of the Hour Jennet Conant,2017-09-19 James B Conant was a towering figure who stood at the center of the great crises and challenges of the twentieth century He shaped national policy as a scientist nuclear pioneer Cold War statesman diplomat and educational reformer for nearly fifty years As a brilliant young chemist he supervised the production of poison gas in WWI As the Nazi threat loomed he boldly led the interventionist cause in WWII and was tapped by President Franklin D Roosevelt to be one of the scientific chiefs at the helm of the Manhattan Project personally overseeing the massive secret effort to develop the atomic bomb He went on to become one of America s first cold warriors led the bitter fight to reject the hydrogen bomb and campaigned tirelessly for the international control of atomic weapons He continued to exert his influence as President Eisenhower s high commissioner and then ambassador to Germany helping to secure the country s future and strengthen Europe s defenses against Soviet aggression He achieved national prominence in his twenty year reign as president of Harvard the very symbol of the intellectual and social elite and yet was a champion of meritocracy and open admissions helping to create the SAT and devoting his later life to improving public schools as the engine of democracy For all his brilliance he never understood the depression that ravaged his family but struggled to keep his wife from succumbing in the process alienating both his sons With *Man of the Hour* Jennet Conant paints a rich nuanced portrait of a great American leader and visionary the last of a vanishing breed Jacket
