## **The House At Worlds End:**

**The House at World's End** Monica Dickens, 2011-09-28 Carrie Tom Em and Michael Fielding are at the mercy of their rotten Uncle Rudolph after a fire leaves them homeless with their mother in hospital and their father abroad at sea Uncle Rudolph and his vain wife Val reluctantly take the children in but soon let them live alone at World's End their ramshackle house in the countryside rather than look after them So begins a life with no grown ups where the Fielding children can adopt as many dogs cats monkeys and horses as they like Free at last from interference from their relatives they begin to fend for themselves adding to their already sizeable collection of animals rescuing them from the thoughtless cruelty of adults The House at World's End is the first adventure in The World's End series *The Well at World's End* William Morris, 2021-08-26 William Morris classic 1896 adventure novel tells the tale of Ralph the youngest prince of Upmeads and his pursuit of the fabled well at world's end His journey is a perilous one however fraught with all manner of danger From impassioned knights who would sooner slay him than let him speak his piece to tyrannical lords that rule over their people with an iron fist Ralph must brave them all if he is ever to find the storied well and return home to his family **The Well at the World's End** William Morris, 2025-01-06T22:18:48Z The King of Upmeads has four sons who are tired of living in the peaceable kingdom and yearn to adventure abroad Three are sent out but the fourth Ralph is chosen to stay home He can't stand being left behind and so he runs away wandering to the many lands beyond Upmeads On his travels he encounters much evil meeting both thieves and tyrants At the start Ralph is somewhat naive and is merely carried along by events But when he hears of a legendary Well at the World's End that grants health and long life he devotes himself to finding it though many before him have tried Ralph must make allies escape evil plots and take charge of his journey to fulfill his quest Along the way he'll grow into a confident warrior and the kind of ruler that can set things right in the world The Well at the World's End is an early example of the high fantasy genre as it takes place in a fictional world filled with romance and features a heroic protagonist The magic is subtle and the story is largely an adventure of knights damsels villains and heroes The prose is written in an archaic style of English which inspired many later fantasy writers including J R R Tolkien who may have been influenced by the book's King Gandolf and horse Silverfax and C S Lewis This book is part of the Standard Ebooks project which produces free public domain ebooks **The Well at the World's End: A Tale** William Morris, 2022-06-02 Set against the backdrop of a richly imagined medieval world William Morris's The Well at the World's End A Tale weaves a complex narrative that intertwines themes of adventure love and the quest for an idyllic existence Morris employs a lyrical prose style that celebrates nature and humanity reminiscent of the romantic traditions of the era The novel is not merely a tale of epic journeys but a profound exploration of the human spirit's yearning for utopia reflecting the broader aesthetic and philosophical currents of 19th century literature including longing for simpler times amidst industrialization William Morris a prominent figure in the Arts and Crafts movement was deeply influenced by medieval literature and folklore which is evident

in his meticulous world building and character development His experiences as a designer poet and social activist provided him with a unique perspective on societal progression and the struggle for personal fulfillment The themes in *The Well at the World's End* resonate with his belief in an artful life inviting readers to ponder the nature of beauty and the meaning of true happiness This novel is indispensable for readers seeking a profound exploration of myth and morality within a fantastical narrative Morris's intricate prose and philosophical insights make *The Well at the World's End* not just a story of adventure but a timeless reflection on the paths we choose in search of our own well at the world's end
