*Summerfolk* Stephen Lovell, 2016-06-02 The dacha is a sometimes beloved sometimes scorned Russian dwelling Alexander Pushkin summered in one Joseph Stalin lived in one for the last twenty years of his life and contemporary Russian families still escape the city to spend time in them Stephen Lovell's generously illustrated book is the first social and cultural history of the dacha Lovell traces the dwelling's origins as a villa for the court elite in the early eighteenth century through its nineteenth century role as the emblem of a middle class lifestyle its place under communist rule and its post Soviet incarnation A fascinating work rich in detail *Summerfolk* explores the ways in which Russia's turbulent past has shaped the function of the dacha and

attitudes toward it The book also demonstrates the crucial role that the dacha has played in the development of Russia's two most important cities Moscow and St Petersburg by providing residents with a refuge from the squalid and crowded metropolis Like the suburbs in other nations the dacha form of settlement served to alleviate social anxieties about urban growth Lovell shows that the dacha is defined less by its physical location usually one or two hours distance from a large city yet apart from the rural hinterland than by the routines values and ideologies of its inhabitants Drawing on sources as diverse as architectural pattern books memoirs paintings fiction and newspapers he examines how dachniki summerfolk have freed themselves from the workplace cultivated domestic space and created informal yet intense intellectual communities He also reflects on the disdain that many Russians have felt toward the dacha and their association of its lifestyle with physical idleness private property and unproductive use of the land Russian attitudes toward the dacha are Lovell asserts constantly evolving The word dacha has evoked both delight in and hostility to leisure It has implied both the rejection of agricultural labor and more recently a return to the soil In *Summerfolk* the dacha is a unique vantage point from which to observe the Russian social landscape and Russian life in the private sphere **The Statist** ,1912 **The Town House in Georgian London** Rachel Stewart,2009 This title takes a fresh look at a familiar building type the town house in 18th century London and investigates the circumstances in which individuals made decisions about living in London and particularly about their West End house **How We Are Changed by War** D.C. Gill,2010-04-30 *How We Are Changed by War* examines the changes to Americans during wartime through the medium of their diaries and correspondence beginning with the colonial period of the early seventeenth century and ending with diaries and letters from Iraq War veterans The book clearly discusses and describes the universal themes of war such as reintegration to society and the horrors of war through private writings regardless of the narrator's historical era This allows the writers to speak to each other across time to reveal a profound commonality of cultural experience *How We Are Changed by War* is a fascinating look at the writings of individuals who served their military in different eras and a great example of how history is shaped by both memory and experience Jacket **Statist** ,1912 *Real Estate Record and Builders' Guide* ,1928 *450th Bomb Group (H)* ,1996 The 450th Bomb Group H contained the 720th 721st 722nd and 723rd squadrons *Freedom's Gardener* Myra Beth Young Armstead,2012 A fascinating study of freedom and slavery told through the life of an escaped slave who built a life in the Hudson Valley In 1793 James F Brown was born a slave and in 1868 he died a free man At age 34 he ran away from his native Maryland to pass the remainder of his life as a gardener to a wealthy family in the Hudson Valley Two years after his escape and manumission he began a diary which he kept until his death In *Freedom's Gardener* Myra B Young Armstead uses the apparently small and domestic details of Brown's diaries to construct a bigger story about the transition from slavery to freedom In this first detailed historical study of Brown's diaries Armstead utilizes Brown's life to illuminate the concept of freedom as it developed in the United States in the early national and antebellum years That Brown an African American and

former slave serves as such a case study underscores the potential of American citizenship during his lifetime *Freedom's Gardener* Myra B. Young Armstead, 2013-06-22 Unearths an unexpected bloom of liberty in an ex slave's journal **Home**, 1990 **The Post Magazine and Insurance Monitor**, 1916 **The Building News and Engineering Journal**, 1926 **The Surveyor & Municipal & County Engineer**, 1892 300 Days Living Like Locals Neil M.
