E. L. Jefferson

The House Of Blue Lightning:

The House of Blue Lightning Wilfred Cartey, 1973 **The House of Blue Leaves** John Guare, 1971 Artie Shaugnessy is a songwriter with visions of glory Toiling by day as a zoo keeper he suffers in seedy lounges by night plying his wares at piano bars in Queens New York where he lives with his wife Bananas Who is Much to the chagrin of Artie s downstairs mistress Bunny Flingus who ll sleep with him anytime but refuses to cook until they are married On the day the Pope is making his first visit to the city Artie s son Ronny goes AWOL from Fort Dix stowing a home made bomb intended to blow up the Pope in Yankee Stadium Also arriving are Artie s old school chum now a successful Hollywood producer Billy Einhorn with starlet girlfriend in tow who holds the key to Artie s dreams of getting out of Queens and away from the life he so despises But like many dreams this promise of glory evaporates amid the chaos of ordinary lives *The House of Mountfathom* Nigel McDowell, 2017-03-09 THE HOUSE OF MOUNTFATHOM is the kind of book that turned me into a reader in the first place It has the same clever interweaving of history and fantasy that I so admired in Nigel McDowell s previous books but is also filled with an utterly infectious kind of delight The characters are so vivid and the world brims with the most gorgeous detail And if this wasn t enough the language itself is a pure joy Nigel McDowell has left an extraordinary legacy behind something of the imagination and something of the soul Eimear McBride multi award winning author of A GIRL IS A HALF FORMED THING Lyrical ominous and utterly original with a passionate sense of place and history THE HOUSE OF MOUNTFATHOM is one of those books that pushes strange roots down into your mind Frances Hardinge Costa Award winning author of THE LIE TREE Luke Mountfathom knows he is special and odd He is told so by everyone he knows His parents are special and odd too they are the keepers of the House of Mountfathom a magnificent stately home where the wrong door could take you to a far away land and strange animals appear to stalk the grounds at midnight The house is his home but it is also the headquarters of the Driochta a magic weaving group of poets artists politicians and activists charged with keeping the peace in Ireland They have many powers have mastered Mirror Predicting and Smoke Summoning and Storm Breaching and a final ability that of Mogrifying taking on a unique animal form But Luke s idyllic existence at Mountfathom cannot last Word reaches the House of protests across Ireland There is a wish for independence a rising discontent and scenes of violence that even the Driochta cannot control In Dublin death and disease is running rife in the tenements a darkness is clogging the air and is intent on staying And when things quickly spin out of control for the Driochta it is up to Luke his cat Morrigan and his best friend Killian to worm out the heart of the evil in their land The House on Boulevard St David Kirby, 2007 Features poems by David Kirby done in a three part scheme as the author puts everything together from youth to mixed blessings *House of Darkness House of Light* Andrea Perron, 2014-08-11 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970 The Arnold Estate located just beyond the village of Harrisville Rhode Island seemed the idyllic setting in which to raise a family The couple unwittingly

moved their five young daughters into the ancient and mysterious farmhouse Secrets were kept and then revealed within a space shared by mortal and immortal alike Time suddenly became irrelevant fractured by spirits making their presence known then dispersing into the ether The house is a portal to the past and a passage to the future This is a sacred story of spiritual enlightenment told some thirty years hence The family is now somewhat less reticent to divulge a closely guarded experience Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf They consider the Perron family saga to be one of the most compelling and significant of a famously ghost storied career as paranormal researchers During a seance gone horribly wrong they unleashed an unholy hostess the spirit called Bathsheba a God forsaken soul Perceiving herself to be the mistress of the house she did not appreciate the competition Carolyn had long been under siege overt threats issued in the form of fire a mother's greatest fear It transformed the woman in unimaginable ways After nearly a decade the family left a once beloved home behind though it will never leave them as each remains haunted by a memory This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery an eternal journey for the living and the dead

Locating the Anglo-Indian Self in Ruskin Bond Debashis Bandyopadhyay, 2011-01-01 Ruskin Bond's life and for that matter his semi autobiographical works are allegories of the colonial aftermath His is an odd but exemplary attempt at absorption as a member of the Anglo Indian ethnic minority a community whose role in the shaping of the postcolonial Indian psyche has yet to be systematically analysed This study explores the dialogue between the biographical and authorial selves of Ruskin Bond whose subjectivity is informed by the fantasies of space and time

Lawless and the House of Electricity William Sutton, 2017-08-22 In London's East End a corpse tumbles from a ship Tangled in tarpaulin it has lain forgotten for years A scrap of paper in its pocket reads Roxbury The shadows of European machinations loom over the capital For Sergeant Campbell Lawless fears become reality as a series of explosions tear across the country Home Office anxieties lead Lawless to Roxbury House where the Earl of Roxbury the country's foremost weapons manufacturer resides with a cavalcade of innovative scientists and researchers Lawless places his best agent ex street urchin Molly in the Earl's home as he races to find those behind the attacks before the tinderbox of Europe is ignited

Medbh McGuckian Borbála Faragó, 2014-03-27 This book offers a wide ranging analysis of the

entire corpus of Medbh McGuckian's published work. Its objective is to provide both a readable synthesis of existing criticism in a fashion which will be generally useful to academics and students and also to offer an original contribution to the field of contemporary Irish literary studies on the basis of new research. The book investigates a variety of previously neglected themes in particular McGuckian's exploration of ideas of creativity and performativity in her poetry. Over the past two decades McGuckian has been recognized by both her fellow poets and by literary critics as one of the most original, daring and important poetic voices in contemporary Ireland. Since 1982 she has published fifteen volumes of poetry extraordinary not merely for its sustained quality and linguistic and technical virtuosity but also for its constant evolution and reinvention. This book provides an original perspective on her work both thematically and methodologically. From a thematic perspective the process of artistic creation is a key preoccupation of McGuckian's poetry which recurs in every volume of her oeuvre but has previously escaped critical attention. By adapting and refining theories of singularity and creativity the book allows for a coherent analysis of this central aspect of McGuckian's work. Methodologically it differs from previous studies in the scope of its approach. Uniquely it pursues its investigation across the entire breadth of the poet's published output and emphasizes the thematic unity of individual volumes in the light of the poet's constant change and development. Throughout the book the reading of McGuckian's work concentrates on poems in their entirety an approach which has not figured to any notable degree in the existing secondary literature on the poet not least because of the perceived difficulty of her writing. A critical investigation however which respects both the integrity of the individual poems and the internal coherence of her various volumes allows for a far deeper understanding both of the poet's thematic preoccupations and of the evolution of her distinctive poetic voice.

Jefferson, 2019-07-23 We are all surrounded by evil. Evil exists and if you think it does not you are deluding yourself. It is real, it is tangible and it is faceless. It is an insatiable hunger living in all of us, lying dormant, endlessly waiting for the moment it can be unleashed. No one is immune to its influence or shielded from its wraith. The moment you are possessed by its power it is all consuming and it forces you to do the unthinkable. For proof of this you need only watch the daily news. It's filled with stories of unimaginable suffering brought about by the hand of man against his fellows. What you are about to read in these pages are true stories about those things we fear the most. Acts so heinous we refuse to believe human beings could commit them. Depravities so vile they shock us to the very core of our being. Brutality so vicious it will make you ashamed to claim membership in the human race. What is even more appalling is that people don't care about evil until it touches them.
