The House of Pride Jack London, 2021-09-05 The House of Pride Jack London *The House of Pride, and Other Tales of Hawaii* Jack JACK LONDON, 2020-07-05 JACK LONDON **The House of Pride by Jack London** Jack London, 2015-04-03 THE HOUSE OF PRIDE By JACK LONDON AND OTHER TALES OF HAWAII Fine Print Edition Publication date 1912 **The House of Pride Illustrated** Jack London, 2021-03-25 A departure from London's normal tales of the frozen North all of these tales take place in the islands of Hawaii Originally published in 1912 this collection contains six stories The House of Pride *The House of Pride, and Other Tales of Hawaii* Jack London, 2022-11-20 Reproduction of the original **The House of Pride ANNOTATED** Jack London, 2021-04-06 Jack London is best known for his stories about Alaska but I was happy to learn on a recent trip to Hawaii that he also wrote a book of Hawaiian stories For years now it has been a habit of mine to seek out literature written by someone from the place I am traveling or in lieu of that written about the place I am traveling In Ecuador I had an impossible time finding any translated Ecuadorian literature In Argentina I discovered one of my favorite authors Cesar Aira In India I read Salman Rushdie For Hawaii my choices were more limited than I expected I couldn't read the Descendants because I just saw the movie and I was not up for Paterson's 600 page epic London's collection enticed me as I always loved Call of the Wild and hadn't read anything else by him The book takes place in a Hawaii of another time the early part of the 20th century and deals with historic issues that probably still affect the culture to this day Each tale builds on the theme of the last so that the reader is able to gain a broader and broader perspective of the era The first story House of Pride shows the animosity that some haoles white people of the missionary class had toward the local natives particularly a sense of superiority big surprise The next story Koolau the Leper is based on a true story about how lepers were forced into quarantine in Molokai many against their will One of my favorite stories is Goodbye Jack beautifully written from the perspective of a young mainland woman who visits the island with her father and doesn't realize that the man she has been spending time with is in love with her until her boat is leaving port to return home In the same moment she realizes not only her requited love for him but the reason he never told her because he is a half caste and would never be accepted by her father London has a beautiful way of unveiling this young and tragic love In the story Chin ah Chun a Chinese immigrant comes to Hawaii as an indentured servant but soon makes his fortune with good business dealings It's a good story if you can stomach the character being referred to as a coolie which continuously annoyed me The last story The Sherriff of Kona served to tie all the other stories together in conversation topics lepers love half castes missionaries and immigrants I gained a tremendous amount of insight into the culture of Hawaii from reading a book of short stories written a hundred years earlier Humans are not quick to let go of our history especially when it is a traumatic one

Hawaii is at once completely different from London's time there and so much still the same The House of Pride, and Other Tales of Hawaii (Classic Reprint) Jack London, 2015-07-12 Excerpt from The House of Pride and Other Tales of Hawaii Percival Ford wondered why he had come He did not dance He did not care much for army people Yet he knew them all gliding and revolving there on the broad lanai of the Seaside the officers in their fresh starched uniforms of white the civilians in white and black and the women bare of shoulders and arms After two years in Honolulu the Twentieth was departing to its new station in Alaska and Percival Ford as one of the big men of the Islands could not help knowing the officers and their women But between knowing and liking was a vast gulf About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The House of Pride and Other Tales of Hawaii Annotated** Jack London, 2020-12-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible **The House of Pride, and Other Tales of Hawaii** Jack London, 2020-11-27 The House of Pride and Other Tales of Hawaii by Jack London Percival Ford wondered why he had come He did not dance He did not care much for army people Yet he knew them all gliding and revolving there on the broad lanai of the Seaside the officers in their fresh starched uniforms of white the civilians in white and black and the women bare of shoulders and arms After two years in Honolulu the Twentieth was departing to its new station in Alaska and Percival Ford as one of the big men of the Islands could not help knowing the officers and their women But between knowing and liking was a vast gulf The army women frightened him just a little They were in ways quite different from the women he liked best the elderly women the spinsters and the bespectacled maidens and the very serious women of all ages whom he met on church and library and kindergarten committees who came meekly to him for contributions and advice He ruled those women by virtue of his superior mentality his great wealth and the high place he occupied in the commercial baronage of Hawaii And he was not afraid of them in the least Sex with them was not obtrusive Yes that was it There was in them something else or more than the assertive grossness of life He was fastidious he acknowledged that to himself and these army women with their bare shoulders and naked arms their straight looking eyes their vitality and challenging femaleness jarred upon his sensibilities Nor did he get on better with the army men who took life lightly drinking and smoking and swearing their way through life and asserting the essential grossness of flesh no less shamelessly than their women He was always uncomfortable in the company of the army men They seemed uncomfortable too And he felt always that they were

laughing at him up their sleeves or pitying him or tolerating him Then too they seemed by mere contiguity to emphasize a lack in him to call attention to that in them which he did not possess and which he thanked God he did not possess Faugh They were like their women In fact Percival Ford was no more a woman s man than he was a man s man A glance at him told the reason He had a good constitution never was on intimate terms with sickness nor even mild disorders but he lacked vitality His was a negative organism No blood with a ferment in it could have nourished and shaped that long and narrow face those thin lips lean cheeks and the small sharp eyes The thatch of hair dust coloured straight and sparse advertised the niggard soil as did the nose thin delicately modelled and just hinting the suggestion of a beak His meagre blood had denied him much of life and permitted him to be an extremist in one thing only which thing was righteousness Over right conduct he pondered and agonized and that he should do right was as necessary to his nature as loving and being loved were necessary to commoner clay

The House of Pride Jack London,2018-02-04 Excerpt My God he cried finally you don t mean to tell me that you didn t know As in answer Percival Ford s cheeks turned slowly grey It s a ghastly joke he said a ghastly joke The doctor had got himself in hand Everybody knows it he said I thought you knew it And since you don t know it it s time you did and I m glad of the chance of setting you straight Joe Garland and you are brothers half brothers It s a lie Ford cried You don t mean it Joe Garland s mother was Eliza Kunilio Dr Kennedy nodded I remember her well with her duck pond and taro patch His father was Joseph Garland the beach comber Dr Kennedy shook his head He died only two or three years ago He used to get drunk There s where Joe got his dissoluteness There s the heredity for you We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The House of Pride Jack London,2004-06 In fact Percival Ford was no more a woman s man than he was a man s man A glance at him told the reason He had a good constitution never was on intimate terms with sickness nor even mild disorders but he lacked vitality His was a negative organism No blood with a ferment in it could have nourished and shaped that long and narrow face those thin lips lean cheeks and the small sharp eyes

odd She tentatively walked into the foyer and stopped looking around when a smell of cat urine and dust hit her nose Just then she heard a cat screech She jumped and looked around fear overtaking her facial expression She jumped when Malachi stepped up beside her Malachi said Well you know we have cats but that doesn't explain the open door There has to be someone here Then they heard a door slam from somewhere in the house She jumped eyes wide open I think I'll just wait for you out by the truck Don't be silly He had a way of calming her with his look of assurance We'll look around We'll find out what this person wants and why he is trying to scare us Well if it is indeed a person he must have a good reason to go to all that trouble I think I'll wait in the truck She turned on her heel and started for the door No no wait He reached out taking her arm and pulling her close I'll keep you safe What makes you think it's not some criminal operation or something Or maybe even a real ghost Her face was ashen and eyes blinking
