M. Barrett, 2011-02-02 Morale in the country of Oasis has never been worse The Earthers a tree hugging sect fall on their knees at the name of the Earth Mother and beg forgiveness for their crimes against twigs and weeds The Godlies preach penitence suffering and stifling self righteousness and inspire their followers into submission with terrifying images of an afterlife spent being chased by a fire breathing dragon Most Oasans are more concerned about this life They all fear the dragon in the swamp at the country s edge but they don t know that he fears them too Druid whose greatest talent is for putting out fires steams up when he learns that a cunning opportunist intends to exploit dragonphobia and call for a communal dragon hunt so that he can level the swamp for suburban housing Tara a kitten with charisma becomes Druid s ally She ll need all her charm to enchant Serazina

This young human woman hides her ability to read emotions in order to avoid a stay in the Ward for the Chronically Crazy Serazina gets into greater trouble when Phileas Guardian of the troubled land discovers that she can read minds too and targets her to be the mother of the heir he so badly needs Phileas has more immediate problems The would be real estate mogul is spreading rumors that the Guardian is soft on dragons His follow up plan involves assassination Dead dragons dead Guardians It s all one to a megalomaniac who dreams of domination Somehow these four must overcome communication difficulties mutual mistrust and delusions of human superiority to save the country Otherwise even though Druid doesn t breathe fire Oasis will be toast From the Book Orion stood on a ridge overlooking the city As he swayed exhausted and hungry the threads of its winding dirty streets seemed to tighten around his neck in a noose that limited both breath and freedom His sister Sekhmet nuzzled him with her black nose Lost in thought Wishing you d waited a year or so to haul me away from the good life We thought we d better get on the road before you wore out your equipment Mr Tomcat Stud Orion s other sister Bast trotted toward them her white fur gleaming in starlight We ve come to the right place The pull is strong Praise the Many Taloned One Sekhmet said My paws are killing me The lights of the city flickered in eye burning imitation of the starry sky It s not going to be easy Orion said The smell alone makes me gag It s not just the physical stench but also the foul odor of self righteousness and fear And some of the fear is mine I ve never failed before Big Dragons Don t Cry highlights the separation between humans and the rest of life that allows ecological disasters to unfold I used the medium of fantasy to imagine new possibilities What would the world be like if humans and animals understood and respected each other What could humans learn if we no longer saw ourselves as apart from nature but entered wholeheartedly into the dance of life We might trip over our feet at first but practice makes improvement
