The Hero and the Crown Robin McKinley, 2014-11-18 An outcast princess must earn her birthright as a hero of the realm in this utterly engrossing Newbery Medal winning fantasy The New York Times Aerin is an outcast in her own father's court daughter of the foreign woman who it was rumored was a witch and enchanted the king to marry her She makes friends with her father's lame retired warhorse Talat and discovers an old overlooked and dangerously imprecise recipe for dragon fire proof ointment in a dusty corner of her father's library Two years many canter circles to the left to strengthen Talat's weak leg and many burnt twigs and a few fingers secretly experimenting with the ointment recipe later Aerin is present when someone comes from an outlying village to report a marauding dragon to the king Aerin slips off alone to fetch her horse her sword and her fireproof ointment But modern dragons while formidable opponents fully capable of killing a human being are small and accounted vermin There is no honor in killing dragons The great dragons are a tale out of ancient history That is until the day that the king is riding out at the head of an army A weary man on an exhausted horse staggers into the courtyard where the king's troop is assembled The Black Dragon has come Maur who has not been seen for generations the last of the great dragons great as a mountain Maur has awakened Hero and the Crown Robin McKinley, 1985 Aerin with the guidance of the wizard Luthe and the help of the blue sword wins the birthright due her as the daughter of the Damarian King and a witchwoman of the mysterious demon haunted North **The Hero and the Crown** Robin McKinley, Ed Sala, Roslyn Alexander, 2006-04-18 Scared Money *The Hero and the Crown* Robin McKinley, 1998-02-01 Aerin with the guidance of the wizard Luthe and the help of the blue sword wins the birthright due her as the daughter of the Damarian king and a witchwoman of the mysterious demon haunted North **The Hero's Quest** Wendi Birkhead, 1995 The Hero and the Goddess Jean Houston, 2014-05-29 All great stories can change our lives and practically none is more transformational than Homer's The Odyssey which had a power so great that it launched Greek civilization and has influenced the West ever since In this fresh approach to self realization human potentials leader Jean Houston provides empowering experiential exercises at every key stage of Homer's epic to make The Odyssey our own journey As we set sail with Odysseus together we endure loss and suffering the search for the divine Beloved and the joy of finally arriving home Tapping the power of these archetypes says Houston helps us effect healing in areas that have kept us immobilized and anguished By raising our own tragic dimension to a mythic level we awaken to a larger nobler life The Hero and the Historians Alan Gordon, 2010-07 This unique exploration of commemoration and memory traces Jacques Cartier's evolving image over five centuries to show how changing notions of the past have shaped identity formation and nationalism in English and French speaking Canada **The Hero and the Sage, Reincarnated and Engaged: Volume 6** Washiro Fujiki, 2025-12-01 Taking down an evil empire and establishing a new world is where most tales would mark their happily ever after but for Raid and Eluria this was no more than the first step in their painstaking journey to save the ravaged

timeline The true key to the world's salvation lay somewhere deep in the infested continent but there's only so much they can do when they've got nothing but a war-torn empire on their side The solution A quick trip back home to fetch some supplies and personnel of course But therein lies a new problem Raid has to lead the trip back home while Eluria has to stay behind to protect the world Splitting up for the first time since their reincarnation the strongest couple brave their time apart with a tender promise to fulfill upon their reunion And awaiting them after that is the truth that was left to the world two millennia ago by a certain all-seeing sage      *The Hero and the Misfit* Albert Rosenberg,2020-01-29 The future of man and society rests with man himself Just as our technological future depends on our understanding of the working of nature so our social future depends largely on our scientific understanding of the future of the workings of society If we are to control and direct social life toward ends we believe to be worthwhile we must first be able to explain and understand the mechanism of society in general and for our own society in particular This study called social science is obviously of vital importance today and for this reason it has been selected as the subject of this book      **The Hero and the Whore** Camille Hernandez,2023-10-31 Of all the things modern people of faith overlook or choose to ignore in the Bible stories of sexual exploitation are near the top of the list This isn't so different from our world today when victims of trafficking rape and harassment are dismissed and disbelieved their stories twisted and erased Trauma-informed educator and minister Camille Hernandez dives deep into the Bible's stories of exploitation and abuse to name the difficult truths buried in Scripture address the forms such violence takes in modern society and illuminate a path of healing and hope With a blend of storytelling cultural analysis and trauma-informed care *The Hero and the Whore* invites readers to reconsider their assumptions about victims of sexual exploitation and respond with compassionate understanding that will bring us all to the wholeness God desires      Robin McKinley Evelyn M. Perry,2010-11-16 Since her first book *Beauty: A Retelling of the Story of Beauty and the Beast* was published in 1978 Robin McKinley has enchanted young adult readers for more than thirty years This study is the first in-depth analysis of McKinley's works including her award-winning books *The Blue Sword* Newbery Honor 1983 and *The Hero and the Crown* Newberry Medal 1985 In *Robin McKinley: Girl Reader Woman Writer* Evelyn Perry examines McKinley's novels and short stories as grouped into three categories those set in Damar which introduce and develop the rich geographic social political and linguistic history of McKinley's secondary world the retellings of folk and fairy tales which reveal not only McKinley's encyclopedic knowledge of source stories but her respectful and highly literate approach to their contemporary adaptation and her other works less easily categorized but generally most recent written for more mature readers and featuring a diverse set of influences from vampires to homeopathy Perry also explores the feminist articulation of character and social settings that are dominant themes running through McKinley's works Anyone interested in Robin McKinley and her work including secondary and post-secondary students faculty and librarians will find *Robin McKinley: Girl Reader Woman Writer* a valuable resource      **The Hero and the Fiend (Harbinger of Doom)** Glenn G.
