The Heroic Temper Studies In Sophoclean Tragedy

Jacques A. Bromberg, Peter Burian

The Heroic Temper Studies In Sophoclean Tragedy:

The Heroic Temper Bernard Knox, 1964 The first two chapters of this book isolate and describe the literary phenomenon of the Sophoclean tragic hero In all but one of the extant Sophoclean dramas a heroic figure who is compounded of the same literary elements faced a situation which is essentially the same The demonstration of this recurrent pattern is made not through character analysis but through a close examination of the language employed by both the hero and those with whom he contends The two chapters attempt to present what might with a slight exaggeration be called the formula of Sophoclean tragedy A great artist may repeat a structural pattern but he never really repeats himself In the remaining four chapters a close analysis of three plays the *Antigone* *Philoctetes* and *Oedipus at Colonus* emphasizes the individuality and variety of the living figures Sophocles created on the same basic armature This approach to Sophoclean drama is as in the author's previous work on the subject both historical and critical the universal and therefore contemporary appeal of the plays is to be found not by slighting or dismissing their historical context but by an attempt to understand it all in its complexity The play needs to be seen as what it was to be understood as what it is

The Mirror of Justice Theodore Ziolkowski, 2018-06-05

This book studies major works of literature from classical antiquity to the present that reflect crises in the evolution of Western law the move from a prelegal to a legal society in *The Eumenides* the Christianization of Germanic law in *Njal's Saga* the disenchantment with medieval customary law in *Reynard the Fox* the reception of Roman law in a variety of Renaissance texts the conflict between law and equity in *Antigone* and *The Merchant of Venice* the eighteenth century codification controversy in the works of Kleist the modern debate between pure and free law in Kafka's *The Trial* and other fin de siècle works and the effects of totalitarianism the theory of universal guilt and anarchism in the twentieth century Using principles from the anthropological theory of legal evolution the book locates the works in their legal contexts and traces through them the gradual dissociation over the centuries of law and morality It thereby associates and illuminates these masterpieces from an original point of view and contributes a new dimension to the study of literature and law In contrast to prevailing adherents of Law and Literature this book professes Literature and Law in which the emphasis is historical rather than theoretical substantive rather than rhetorical and literary rather than legal Instead of adducing the literary work to illustrate debates about modern law this book consults the history of law as an essential aid to the understanding of the literary text and its conflicts

Enraged Emily Katz Anhalt, 2017-08-22 Anhalt's contribution is building an overarching narrative of how the Greeks engaged problems of anger problems that continue to provoke Choice Millennia ago Greek myths exposed the dangers of violent rage and the need for empathy and self restraint Homer's *Iliad* Euripides *Hecuba* and Sophocles *Ajax* show that anger and vengeance destroy perpetrators and victims alike Composed before and during the ancient Greeks

groundbreaking movement away from autocracy toward more inclusive political participation these stories offer guidelines for modern efforts to create and maintain civil societies Emily Katz Anhalt reveals how these three masterworks of classical Greek literature can teach us as they taught the ancient Greeks to recognize violent revenge as a marker of illogical thinking and poor leadership These time honored texts emphasize the costs of our dangerous penchant for glorifying violent rage and those who would indulge in it By promoting compassion rational thought and debate Greek myths help to arm us against the tyrants we might serve and the tyrants we might become An engaging and sometimes inspiring guide to the rich complexities of the Iliad Her underlying point is that from its earliest origins Western literature questioned the values of the society that produced it The New York Times Book Review Anhalt has taken on three of history s most important works of literature and applied their lessons to the present day Enraged is an important reminder that reflection dialogue and empathy have no boundaries or time limits Amanda Foreman Whitbread Prize winning author of Georgiana Duchess of Devonshire Anhalt s study is rewarding and unnerving A call to arms Bryn Mawr Classical Review [A Companion to Sophocles](#) Kirk Ormand,2015-06-02 A Companion to Sophocles presents the first comprehensive collection of essays in decades to address all aspects of the life works and critical reception of Sophocles First collection of its kind to provide introductory essays to the fragments of his lost plays and to the remaining fragments of one satyr play the Ichneutae in addition to each of his extant tragedies Features new essays on Sophoclean drama that go well beyond the current state of scholarship on Sophocles Presents readings that historicize Sophocles in relation to the social cultural and intellectual world of fifth century Athens Seeks to place later interpretations and adaptations of Sophocles in their historical context Includes essays dedicated to issues of gender and sexuality significant moments in the history of interpreting Sophocles and reception of Sophocles by both ancient and modern playwrights **Seneca** John G. Fitch,2008-02-07 Seneca was a man of many facets statesman dramatist philosopher prose stylist His life was marked by extremes of fortune extremes that are reflected in much of his writing and in the vicissitudes of his reputation in later centuries This volume brings together some outstanding essays written about him over the past four decades and illustrates the diversity of approaches by which modern critics have attempted to understand this multifaceted figure Just as Seneca s writings often reflect his times so current critical approaches often reflect issues in contemporary thought and society Several of the essays have been revised by their authors for this volume and two of them are translated for the first time A new introduction places the articles within the context of recent academic thought and criticism All Latin has been translated **Masterpieces of Classic Greek Drama** Helaine Smith,2005-10-30 Aeschylus Oresteia Sophocles Oedipus plays Euripides Medea and Bacchae and Aristophanes Birds and Lysistrata are discussed in this lively and scholarly volume The author s experience teaching these plays to gifted high school students makes this volume particularly useful The drama festivals the adaptations of myth the relevance of Aristotelian criteria and the political and cultural background of each play are described fully and the nature of tragedy and comedy plot

construction stagecraft theme character imagery and individual odes and speeches are analyzed in depth The 5th century BC witnessed the flourishing of Athenian culture and was one of the most influential periods in history The achievements of the Greeks at that time forever shaped our political and legal institutions and provided the foundation for Western civilization At the same time the world of the Greeks is distant and exotic to contemporary students The values and beliefs of the Greeks are best represented in the plays that were crafted at that time and these works continue to be widely read and studied This book is a valuable introduction to ancient Greek drama Designed for high school students undergraduates and their teachers this work describes the origins and physical aspects of ancient Greek theatre discusses Aristotle's Poetics and analyzes in ten separate chapters ten frequently studied Greek plays Aeschylus Oresteia Sophocles Antigone Oedipus Rex and Oedipus at Colonus Euripides Medea and Bacchae and Aristophanes Birds and Lysistrata For each there is cultural political and mythological background plot synopsis and analysis of overall structure and important scenes speeches and odes The Aristophanes chapters explore comic method and all chapters discuss theme and stagecraft in depth

The ^AOxford Handbook of Heracles Daniel Ogden, 2021-07-13 The Oxford Handbook of Heracles is the first large scale guide to the rich myth cycle of Heracles his Twelve Labors and so much more and to the pervasive impact of the hero upon Greek and Roman culture Presenting in 39 chapters the authoritative work of international experts in a clear and well structured format this volume provides a convenient reference tool for scholars and offers an accessible starting point for students

Dolos and Dikē in Sophokles' Elektra Leona MacLeod, 2017-07-31 The main problem facing critics of Sophokles Elektra has always been understanding the presentation of the vengeance and the nature of justice it represents This volume addresses the ethical issues of this play through an analysis of the language and argumentation which the characters use to explain and justify their behaviour The focus is on the examination of the themes of aid s and dolos and the way in which each contributes to our overall understanding of the vengeance as an act which for all its justice remains shameful By exploring the union between these two contradictory elements this study exposes the ethical complexity of Sophokles treatment of the vengeance theme Dolos Dik contains a useful critique of recent interpretative approaches to the play a full bibliography and a complete index of passages cited

A Companion to Aeschylus Jacques A. Bromberg, Peter Burian, 2023-03-20 A COMPANION TO AESCHYLUS In A Companion to Aeschylus a team of eminent Aeschyleans and brilliant younger scholars delivers an insightful and original multi authored examination the first comprehensive one in English of the works of the earliest surviving Greek tragedian This book explores Aeschylean drama and its theatrical historical philosophical religious and socio political contexts as well as the receptions and influence of Aeschylus from antiquity to the present day This companion offers readers thorough examinations of Aeschylus as a product of his time including his place in the early years of the Athenian democracy and his immediate and ongoing impact on tragedy It also provides comprehensive explorations of all the surviving plays including Prometheus Bound which many scholars have concluded is not by Aeschylus A Companion to Aeschylus is an

ideal resource for students encountering the work of Aeschylus for the first time as well as more advanced scholars seeking incisive treatment of his individual works their cultural context and their enduring significance Written in an accessible format with the Greek translated into English and technical terminology avoided as much as possible the book belongs in the library of anyone looking for a fresh and authoritative account of works of continuing interest and importance to readers and theatre goers alike

Sophocles: Philoctetes Sophocles, 2013-09-12 Accessible edition with commentary of this widely read but highly complex and challenging play Provides help with morphology grammar and syntax and interpretation of the text in its historical social cultural and intellectual contexts The introduction also gives an account of its reception from antiquity to the present day

The Ancient Quarrel Between Poetry and Philosophy Thomas Gould, 2014-07-14 Affecting audiences with depictions of suffering and injustice is a key function of tragedy and yet it has long been viewed by philosophers as a dubious enterprise In this book Thomas Gould uses both historical and theoretical approaches to explore tragedy and its power to gratify readers and audiences He takes as his starting point Plato's moral and psychological objections to tragedy and the conflict he recognized between poetry the exploitation of our yearning to see ourselves as victims and philosophy the insistence that all good people are happy Plato's objections to tragedy are shown to be an essential feature of Socratic rationalism and to constitute a formidable challenge even today Gould makes a case for the rightness and psychological necessity of violence and suffering in literature art and religion but he distinguishes between depictions of violence that elicit sympathy only for the victims and those that cause us to sympathize entirely with the perpetrators It is chiefly the former Gould argues that fuel our responses not only to true tragedy but also to religious myths and critical displays of political rage Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Birth of Nomos Zartaloudis Thanos Zartaloudis, 2018-11-14 This is a highly original interdisciplinary study of the archaic Greek word *nomos* and its family of words More recently used to mean simply law or law making Thanos Zartaloudis draws out the richness of this fundamental term by exploring its many roots and uses over the centuries The Birth of Nomos includes extracts from ancient sources in both the original and English translation including material from legal history philosophy philology linguistics ancient history poetry archaeology ancient musicology and anthropology Through a thorough analysis of these extracts we gain a new and complete understanding of *nomos* and its foundational place in the Western legal tradition

Sophocles' Philoctetes and the Great Soul Robbery Norman Austin, 2011-06-01 Norman Austin brings both keen insight and a life long engagement with his subject to this study of Sophocles late tragedy Philoctetes a fifth century BCE

play adapted from an infamous incident during the Trojan War In Sophocles Philoctetes and the Great Soul Robbery Austin examines the rich layers of text as well as context situating the play within the historical and political milieu of the eclipse of Athenian power He presents a study at once of interest to the classical scholar and accessible to the general reader Though the play written near the end of Sophocles career is not as familiar to modern audiences as his Theban plays Philoctetes grapples with issues social psychological and spiritual that remain as much a part of our lives today as they were for their original Athenian audience

Victorian Women Writers and the Classics Isobel Hurst, 2006-09-14 Isobel Hurst examines the role of women writers in the Victorian reception of ancient Greece and Rome showing that they had a greater imaginative engagement with classical literature than has previously been acknowledged The restrictions which applied to women s access to classical learning liberated them from the repressive and sometimes alienating effects of a traditional classical education Women writers reworkings of classical texts serve a variety of purposes to validate women s claims to authorship to demand access to education to highlight feminist issues through the heroines of ancient tragedy to repudiate the warrior ethos of ancient epic

Four Tragedies Sophocles, 2007-09-15 Meineck and Woodruff s new annotated translations of Sophocles Ajax Women of Trachis Electra and Philoctetes combine the same standards of accuracy concision clarity and powerful speech that have so often made their Theban Plays a source of epiphany in the classroom and of understanding in the theatre Woodruff s Introduction offers a brisk and stimulating discussion of central themes in Sophoclean drama the life of the playwright staging issues and each of the four featured plays

The Princeton Encyclopedia of Poetry and Poetics Roland Greene, Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, Harris Feinsod, David Marno, Alexandra Slessarev, 2012-08-26 Rev ed of The Princeton encyclopedia of poetry and poetics Alex Preminger and T V F Brogan co editors Frank J Warnke O B Hardison Jr and Earl Miner associate editors 1993

As recognized, adventure as capably as experience approximately lesson, amusement, as skillfully as union can be gotten by just checking out a ebook **The Heroic Temper Studies In Sophoclean Tragedy** as a consequence it is not directly done, you could believe even more regarding this life, vis--vis the world.

We have enough money you this proper as well as simple exaggeration to acquire those all. We present The Heroic Temper Studies In Sophoclean Tragedy and numerous book collections from fictions to scientific research in any way. along with them is this The Heroic Temper Studies In Sophoclean Tragedy that can be your partner.
