McElmurray**

## **The Hillbilly Highway:**

*Hillbilly Highway* Max Fraser, 2025-02-25 The best book to explain the world J D Vance came from is Max Fraser's *Hillbilly Highway* Jessica Wilkerson author of *To Live Here You Have to Fight* How Women Led Appalachian Movements for Social Justice Over the first two thirds of the twentieth century as many as eight million whites left the economically depressed southern countryside and migrated to the booming factory towns and cities of the industrial Midwest in search of work The hillbilly highway was one of the largest internal relocations of poor and working people in American history yet it has largely escaped close study by historians In *Hillbilly Highway* Max Fraser recovers the long overlooked story of this massive demographic event and reveals how it has profoundly influenced American history and culture from the modern industrial labor movement and the postwar urban crisis to the rise of today's white working class conservatives The book draws on a diverse range of sources from government reports industry archives and union records to novels memoirs oral histories and country music to narrate the distinctive class experience that unfolded across the Transappalachian migration during these critical decades As the migration became a terrain of both social advancement and marginalization it knit together white working class communities across the Upper South and the Midwest bringing into being a new cultural region that remains a contested battleground in American politics to the present The compelling story of an important and neglected chapter in American history *Hillbilly Highway* upends conventional wisdom about the enduring political and cultural consequences of the great migration of white southerners in the twentieth century

**The Hillbilly Highway** Michael Barrick, 1997 *From Diversity to Unity* Roger Guy, 2009-01-01 *From Diversity to Unity* is a community study of settlement and adaptation of southern and Appalachian migrants to the neighborhood of Uptown Chicago Oral histories community newspapers and secondary sources reveal the human experience of urban migration Following the postwar collapse of the coal industry Appalachian migration to northern cities increased significantly Roger Guy examines this migration placing particular emphasis on the role of women in the settlement of the migrants in a new place *From Diversity to Unity* fills a valuable niche in urban and Appalachian history and is ideal for scholars and students of urban and Chicago history as well as Appalachian and ethnic studies Book jacket

[Interstate 77, the Hillbilly Highway?](#) Kay Salter, 1997

**Behind Closed Doors** Alanna Nash, 2002-10-22 Journalist and biographer Nash interviews 27 country music stars from Merle Haggard and Loretta Lynn to contemporary chart toppers like Reba McEntire and Rosanne Cash

**Uneven Ground** Ronald D. Eller, 2008-10-24 This award winning history examines the politics of progress in America through a close look at industrial development in Appalachia since WWII Appalachia has played a complex role in the unfolding of American history Early twentieth century critics of modernity saw the region as a remnant of frontier life that should be preserved and protected However supporters of material production and technology decried what they saw as the isolation and backwardness of the region and sought to uplift its people through education and industrialization In *Uneven Ground* Ronald D Eller examines the

politics of development in Appalachia while exploring the idea of progress as it has evolved in America Passionate clear concise and at times profound this volume demonstrates that Appalachia s struggle to overcome poverty to live in harmony with the land and to respect the value of community is a truly American story Chad Berry author of Southern Migrants Northern Exiles Winner of the Appalachian Studies Association s Weatherford Award and the Southern Political Science Association s V O Key Award *Country Music* Kurt Wolff,2000 Includes essays tracing Country s growth from hand me down folk to a major American industry concise biographies critical album reviews from the earliest commercial recordings of the 1920s through the mulitplatinum artists of today and vintage album jackets and previously unpublished photographs

The Free-market Family Maxine Eichner,2020 US families have been pushed to the wall At the bottom of the economic ladder poor and working class adults aren t forming stable relationships and can t give their kids the start they need because of low wages and uncertain job prospects Toward the top professional parents lives have become a grinding slog of long hours of paid work Meanwhile their kids are overstressed by pressure to succeed and get into good colleges In this provocative book Maxine Eichner argues that these very different struggles might seem unconnected but they share the same root cause the increasingly large toll that economic inequality and insecurity are taking on families It s government rather than families that s to blame Eichner persuasively contends Since the 1970s politicians have sold families out to the wrongheaded notion that the free market alone best supports them In five decades of free market family policy they ve scrapped government programs and gutted market regulations that had helped families thrive The consequence is the steady drumbeat of bad news we hear about our country today the opioid epidemic skyrocketing suicide and mental illness rates deaths of despair and mediocre student achievement scores Meanwhile politicians just keep telling families to work a little harder The Free Market Family documents US families impossible plight showing how much worse they fare than families in other countries It then demonstrates how politicians free market illusions steered our nation wildly off course Finally it shows how using commonsense measures we can restructure the economy to work for families rather than the reverse Doing so would invest in our children s futures increase our wellbeing reknit our social fabric and allow our country to reclaim the American Dream

**In the Hands of a Happy God** Howard Dorgan,1997 The investigation of Primitive Baptist Universalists Calvinist No Hellers which sounds for all the world like an oxymoron requires the exact type of seasoned and comprehensive field experience which Dorgan has brought to it with meticulous care and insight Deborah Vansau McCauley author of Appalachian Mountain Religion Among the many forms of religious practice found in the ridges and hollows of Central Appalachia one of the most intriguing and least understood is that of the Primitive Baptist Universalists PBUs Popularly known as the No Hellers this small Baptist sub denomination rejects the notion of an angry God bent on punishment and retribution and instead embraces the concept of a happy God who consigns no one to eternal damnation This book is the first in depth study of the PBUs and their beliefs As Howard Dorgan points out the designation No Heller is

something of a misnomer Primitive Baptist Universalists he notes believe in hell but they see it as something that exists in this life in the temporal world rather than in an afterlife For a PBU sinfulness is the given state of natural man and hell a reality of earthly life the absence from God's blessing torment that sin generates PBUs further believe that at the moment of Resurrection all temporal existence will end as all human kind joins in a wholly egalitarian heaven the culmination of Christ's universal atonement In researching this book Dorgan spent considerable time with PBU congregations interviewing their members and observing their emotionally charged and joyous worship services He deftly combines lucid descriptions of PBU beliefs with richly textured vignettes portraying the people and how they live their faith on a daily basis He also explores a fascinating possibility concerning PBU origins that a strain of early nineteenth century American Universalism reached the mountains of Appalachia and there fused with Primitive Baptist theology to form this subdenomination which barely exists outside a handful of counties in Tennessee Virginia Kentucky and West Virginia Like Dorgan's earlier books *In the Hands of a Happy God* offers an insightful blend of ethnography history and theological analysis that will appeal to both Appalachian scholars and all students of American religion

*Combating Mountaintop Removal* Bryan T. McNeil, 2011-11-08 Drawing on powerful personal testimonies of the hazards of mountaintop removal in southern West Virginia *Combating Mountaintop Removal* critically examines the fierce conflicts over this violent and increasingly prevalent form of strip mining Bryan T. McNeil documents the changing relationships among the coal industry communities environment and economy from the perspective of local grassroots activist organizations and their broader networks Focusing on Coal River Mountain Watch CRMW an organization composed of individuals who have personal ties to the coal industry in the region the study reveals a turn away from once strong traditional labor unions and the emergence of community based activist organizations By framing social and moral arguments in terms of the environment these innovative hybrid movements take advantage of environmentalism's higher profile in contemporary politics In investigating the local effects of globalization and global economics McNeil tracks the profound reimagining of social and personal ideas such as identity history and landscape and considers their roles in organizing an agenda for progressive community activism

**Walk Till the Dogs Get Mean** Adrian Blevins, Karen Salyer McElmurray, 2015-09-15 In *Walk Till the Dogs Get Mean* Adrian Blevins and Karen Salyer McElmurray collect essays from today's finest established and emerging writers with roots in Appalachia Together these essays take the theme of silencing in Appalachian culture whether the details of that theme revolve around faith class work or family legacies In essays that take wide ranging forms making this an ideal volume for creative nonfiction classes contributors write about families left behind hard earned educations selves transformed identities chosen and risks taken They consider the courage required for the inheritances they carry Toughness and generosity alike characterize works by Dorothy Allison bell hooks Silas House and others These writers travel far away from the boundaries of a traditional Appalachia and then circle back always to the mountains that made each of them the distinctive thinking and feeling people they ultimately became The

essays in Walk Till the Dogs Get Mean are an individual and collective act of courage Contributors Dorothy Allison Rob Amberg Pinckney Benedict Kathryn Stripling Byer Sheldon Lee Compton Michael Croley Richard Currey Joyce Dyer Sarah Einstein Connie May Fowler RJ Gibson Mary Crockett Hill bell hooks Silas House Jason Howard David Huddle Tennessee Jones Lisa Lewis Jeff Mann Chris Offutt Ann Pancake Jayne Anne Phillips Melissa Range Carter Sickels Aaron Smith Jane Springer Ida Stewart Jacinda Townsend Jessie van Eerden Julia Watts Charles Dodd White and Crystal Wilkinson

**Fat Chance** Rick Christman, 2021-02-23 During the early 1990s the diet drugs fen phen and Redux achieved tremendous popularity The chemical combination was discovered by chance marketed with hyperbole and prescribed to millions But as the drugs developer pharmaceutical giant American Home Products cashed in on the miracle weight loss pills medical researchers revealed that the drugs caused heart valve disease This scandal was incredibly only the beginning of an unbelievable saga of greed In Fat Chance Rick Christman recounts a story that a judicial tribunal later described as a tale worthy of the pen of Charles Dickens Bill Gallion Shirley Cunningham and Melbourne Mills contrived to bring a class action lawsuit against American Home Products in Covington Kentucky Their hired trial consultant Mark Modlin had a bizarre relationship with the presiding judge Jay Bamberger of Covington who was once honored as the Kentucky Bar Association s Judge of the Year Soon after Stan Chesley arguably the most successful trial attorney in the United States joined the class action suit Ultimately their efforts were rewarded with 200 million for the 431 plaintiffs and the four lawyers immediately began to plunder their clients money When the fraud was discovered two of the attorneys received long prison sentences and another was acquitted after claiming an alcoholism defense All four were permanently banished from the practice of law and Judge Bamberger was disbarred and disrobed Recounting a dramatic affair that bears conspicuous similarities to opioid related class action litigation against the pharmaceutical industry Christman offers an engaging if occasionally horrifying account of one of America s most prominent product liability cases and the settlement s aftermath

Canary in the Coal Mine William Cooke, 2023-05 When Dr Will Cooke an idealistic young physician just out of medical training set up practice in the small rural community of Austin Indiana he had no idea that much of the town was being torn apart by poverty addiction and life threatening illnesses But he soon found himself at the crossroads of two unprecedented health care disasters a national opioid epidemic and the worst drug fueled HIV outbreak ever seen in rural America Confronted with Austin s hidden secrets Dr Cooke decided he had to do something about them In taking up the fight for Austin s people however he would have to battle some unanticipated foes prejudice political resistance an entrenched bureaucracy and the dark despair that threatened to overwhelm his own soul

**The Sum of My Works** John Keck, 2023-04-20 Things roll downhill energy dissipates disorder increases Things wear out break fall apart Jimmy Doyle describes his life as a mechanic in these terms but these hard truths better describe the thirty year story of the Doyle brothers as told in The Sum of My Works On the eve of the Cuban Missile crisis the lives of Jimmy and Patrick Doyle are shattered as surely as if the button had been pushed

Together and apart the brothers experience the fear and uncertainty of intergenerational trauma the justice system incarceration and the Vietnam War as well as the heady 1960s counterculture the anti war movement exile wilderness and survival against overwhelming odds Through it all the brothers search for the human connections they've lost as they struggle against the inexorable forces arrayed against them until they must face yet another personal apocalypse and betrayal of their brotherhood

**Rarity from the Hollow** Robert Eggleton, 2018-05-14 Lacy Dawn's father relives the never ending Gulf War her mother's teeth are rotting out and her best friend is murdered by the meanest daddy on Earth Life in the hollow is hard She has one advantage an android was inserted into her life and is working with her to cure her parents But he wants something in exchange It's up to her to save the Universe Lacy Dawn doesn't mind saving the universe but her family and friends come first An award winning adult social science fiction novel filled with tragedy comedy and satire that raises funds to help abused children

**Detroit Country Music** Craig Maki, Keith Cady, 2013-10-11 The richness of Detroit's music history has by now been well established We know all about Motown the MC5 and Iggy and the Stooges We also know about the important part the Motor City has played in the history of jazz But there are stories about the music of Detroit that remain untold One of the lesser known but nonetheless fascinating histories is contained within Detroit's country music roots At last Craig Maki and Keith Cady bring to light Detroit's most important country and western and bluegrass stars such as Chief Redbird the York Brothers and Roy Hall Beyond the individuals Maki and Cady also map out the labels radio programs and performance venues that sustained Detroit's vibrant country and bluegrass music scene In the process Detroit Country Music examines how and why the city's growth in the early twentieth century particularly the southern migration tied to the auto industry led to this vibrant roots music scene This is the first book the first resource of any kind to tell the story of Detroit's contributions to country music Craig Maki and Keith Cady have spent two decades collecting music and images and visiting veteran musicians to amass more than seventy interviews about country music in Detroit Just as astounding as the book's revelations are the photographs most of which have never been published before Detroit Country Music will be essential reading for music historians record collectors roots music fans and Detroit music aficionados

***Bosnian Refugees in Chicago*** Ana Croegaert, 2020-10-14 Bosnian Refugees in Chicago Gender Performance and Post War Economies studies refugee migration through the experiences of survivors of the 1990s wars in former Yugoslavia as they rebuild home family and social lives in the wake of their displacement Ana Croegaert explores post 1970s Yugoslav era socialism American neoliberal capitalism and anti Muslim geopolitics to examine women's varied perspectives on their postwar lives in the United States Based on more than a decade of fieldwork Croegaert takes readers into staged performances coffee rituals protests memorials homes and non governmental organizations to shine a light on the pressures women contend with in their efforts to make a living and to narrate their wartime injuries Ultimately Croegaert argues that refugee women insist on understanding their wartime losses as simultaneously social and material a form of personhood she labels injured life At a

time of mass displacement and heated political debates concerning refugees Croegaert provides an engaging portrait of a lively and diverse group of women whose opinions on citizenship and belonging are needed now more than ever **Country Music USA** Bill C. Malone, Tracey Laird, 2018-06-04 Fifty years after its first publication Country Music USA still stands as the most authoritative history of this uniquely American art form Here are the stories of the people who made country music into such an integral part of our nation's culture We feel lucky to have had Bill Malone as an indispensable guide in making our PBS documentary you should too Ken Burns and Dayton Duncan Country Music An American Family Story From reviews of previous editions Considered the definitive history of American country music Los Angeles Times If anyone knows more about the subject than Malone does God help them Larry McMurtry from In a Narrow Grave With Country Music USA Bill Malone wrote the Bible for country music history and scholarship This groundbreaking work now updated is the definitive chronicle of the sweeping drama of the country music experience Chet Flippo former editorial director CMT Country Music Television and CMT.com Country Music USA is the definitive history of country music and of the artists who shaped its fascinating worlds William Ferris University of North Carolina at Chapel Hill former chairman of the National Endowment for the Humanities and coeditor of the Encyclopedia of Southern Culture Since its first publication in 1968 Bill C. Malone's Country Music USA has won universal acclaim as the definitive history of American country music Starting with the music's folk roots in the rural South it traces country music from the early days of radio into the twenty-first century In this fiftieth anniversary edition Malone the featured historian in Ken Burns's 2019 documentary on country music has revised every chapter to offer new information and fresh insights Coauthor Tracey Laird tracks developments in country music in the new millennium exploring the relationship between the current music scene and the traditions from which it emerged

*Cannibalism in Literature and Film* J. Brown, 2012-11-14 A comprehensive study of cannibalism in literature and film spanning colonial fiction Gothic texts and contemporary American horror Amidst the sharp teeth and horrific appetite of the cannibal this book examines real fears of over consumerism and consumption that trouble an ever-growing modern world

Czech Bluegrass Lee Bidgood, 2017-09-11 Bluegrass has found an unlikely home and avid following in the Czech Republic The music's emergence in Central Europe places it within an increasingly global network of communities built around bluegrass activities Lee Bidgood offers a fascinating study of the Czech bluegrass phenomenon that merges intimate immersion in the music with on-the-ground fieldwork informed by his life as a working musician Drawing on his own close personal and professional interactions Bidgood charts how Czech bluegrass put down roots and looks at its performance as a uniquely Czech musical practice He also reflects on Americanist musical projects and the ways Czech musicians use them to construct personal and social identities Bidgood sees these acts of construction as a response to the Czech Republic's postsocialist environment but also to US cultural prominence within our global mediascape

Thank you for downloading **The Hillbilly Highway**. Maybe you have knowledge that, people have look hundreds times for their chosen novels like this The Hillbilly Highway, but end up in harmful downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they are facing with some infectious bugs inside their laptop.
