the farm stood and see if the gate leading to the moor was safely shut For the sheep he had been driving were not meant for the Open moorland Their feeding grounds lay in the stone walled fields round the home stead and had they strayed on to the mountain beyond which was reserved for a hardier Scotch breed David would have been answerable SO he strode whistling up the hill to have a look at that top gate while Louie sauntered down to the stream which ran round the lower pastures to wait for him The top gate was fast but David climbed the wall and stood there a while hands in his pockets legs apart whistling and looking About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The History of David Grieve; 1](#) Mary Augusta Ward,1911 **The History of David Grieve, Vol. 3 of 3 (Classic Reprint)** Mrs. Humphry Ward,2015-07-12 Excerpt from The History of David Grieve Vol 3 of 3 In two or three days the English doctor who was attending David strongly advised Mr Ancrum to get his charge home The fierce strain his youth had sustained acting through the nervous system had disordered almost every bodily function and the collapse which followed Mr Ancrum s appearance was severe He would lie in his bed motionless and speechless volunteered no confidence and showed hardly any rallying power Get him out of this furnace and that doghole of a room said the doctor He has come to grief here somehow that s plain You won t make anything of him till you move him When the lad was at last stretched on the deck of a Channel steamer speeding to the English coast and the sea breeze had brought a faint touch of returning colour to his cheek he asked the question he had never yet had the physical energy to ask Why did you come and how did you find me About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [History of David Grieve](#) , [The History of David Grieve](#) Mary Augusta 1851-1920 Ward,2015-09-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you
