The History Of The Miami University Libraries

**National Referral Center for Science
and Technology (U.S.)**

The History Of The Miami University Libraries:

The History of the Miami University Libraries Elizabeth H. Baer, 1997 **The Information-literate Historian** Jenny L. Presnell, 2019 The Information Literate Historian is the only book specifically designed to teach today's history students how to successfully select and use sources primary secondary and electronic to carry out and present their research Expanded and updated the third edition is an indispensable reference for historians students and other readers doing history research

Replanting Cultures Chief Benjamin J. Barnes, Stephen Warren, 2022-09-01 Replanting Cultures provides a theoretical and practical guide to community engaged scholarship with Indigenous communities in the United States and Canada Chapters on the work of collaborative respectful and reciprocal research between Indigenous nations and colleges and universities museums archives and research centers are designed to offer models of scholarship that build capacity in Indigenous communities Replanting Cultures includes case studies of Indigenous nations from the St l of the Fraser River Valley to the Shawnee and Miami tribes of Oklahoma Ohio and Indiana Native and non Native authors provide frank assessments of the work that goes into establishing meaningful collaborations that result in the betterment of Native peoples Despite the challenges readers interested in better research outcomes for the world's Indigenous peoples will be inspired by these reflections on the practice of community engagement **The Making of a Music Academy** Jerome

Stanley, 2015-12-01 This is a story of a music training program at one among many American institutions of higher learning These institutions accepted the challenge to evolve and develop training programs for music as part of a liberal arts education Covering a period of more than one hundred years the book discusses aspects of politics and the arts in America during the twentieth and early twenty first centuries It focuses upon faculty and administrative efforts to maintain a rich experience in the arts at a typical university in Midwestern America It is a representative story that includes interviews with former faculty and administrators as well as with present faculty and alumni It is a kind of arts survival story presenting the argument that music is essential to the ideals of a complete education Librarians as Researchers Paul C. Campbell, Sarah Nagle, 2025-08-07 This book is designed to empower librarians to develop their research skills and embrace their identities as scholars Many librarians particularly those in academic libraries are expected to engage in research and scholarly output However unlike disciplinary faculty most librarians have not completed a PhD program and many have never designed or participated in original research upon embarking on their career This edited volume provides inspiration and support for academic librarians looking to develop or refresh their research skills and develop their scholarly identities The focus of this book is toward empowering librarians as researchers rather than librarians supporting student or faculty research This book provides a venue for librarians to share their knowledge on different aspects of research as well as build community for other librarians to actualize their own identities as researchers The existing literature and research in the realm of librarian identity development often touches on librarian identities in the face of emerging technologies and new library types or how

librarians can support research at their institutions However there is a gap in the literature around librarians developing their own identities as researchers Librarians have a unique role in the scholarly community we often sacrifice our own research interests so that we can provide support and instruction to others whether it be faculty students or the public But the library world holds immense opportunity for developing and executing original research Additionally conducting research is beneficial to librarians individual practice as well as the library community as a whole This edited volume will provide guidance as well as actionable methods for librarians to develop foundational research philosophies create communities of practice and hone practical skills in a wide range of research areas

John Bell Hood and the Fight for Civil War

Memory Brian Craig Miller, 2010 In this first biography of the general in more than twenty years Miller offers a new original perspective directly challenging those historians who have pointed to Hood's perceived personality flaws his alleged abuse of painkillers and other unsubstantiated claims as proof of his incompetence as a military leader This book takes into account Hood's entire life as a student at West Point his meteoric rise and fall as a soldier and Civil War commander and his career as a successful postwar businessman In many ways Hood represents a typical southern man consumed by personal and societal definitions of manhood that were threatened by amputation and preserved and reconstructed by Civil War memory Miller consults an extensive variety of sources explaining not only what Hood did but also the environment in which he lived and how it affected him Jacket

Sex and War on the American Stage Emily Klein, 2014-04-24 American adaptations of Aristophanes enduring comedy *Lysistrata* have used laughter to critique sex war and feminism for nearly a century Unlike almost any other play circulating in contemporary theatres *Lysistrata* has outlived its classical origins in 411 BCE and continues to shock and delight audiences to this day The play's make love not war message and bawdy humor render it endlessly appealing to college campuses activist groups and community theatres so much so that none of Aristophanes plays are performed in the West as frequently as *Lysistrata* Starting with the play's first mainstream production in the U S in 1930 Emily B Klein explores the varied iterations of *Lysistrata* that have graced the American stage page and screen since the Great Depression These include the Federal Theatre's 1936 Negro Repertory production the 1955 movie musical *The Second Greatest Sex* and *Spiderwoman Theater*'s openly political *Lysistrata Numbah* as well as Douglas Carter Beane's Broadway musical *Lysistrata Jones* and the international *Lysistrata Project* protests which updated the classic in the contemporary context of the Iraq War Although Aristophanes oeuvre has been the subject of much classical scholarship *Lysistrata* has received little attention from feminist theatre scholars or performance theorists In response this book maps current debates over *Lysistrata*'s dubious feminist underpinnings and uses performance theory cultural studies and gender studies to investigate how new adaptations reveal the socio political climates of their origins Emily B Klein is Assistant Professor of English and Drama at Saint Mary's College of California Her work has appeared in *Women and Performance* and *Frontiers* as well as *Political and Protest Theater After 9/11* *Patriotic Dissent* Routledge 2012

Creating New Strategies for Cooperative

Collection Development Milton T. Wolf, Marjorie E. Bloss, 2013-10-18 Ensure the success of your library's cooperative collection development plan This solidly researched book brings a fresh perspective to the practical problems of library resource sharing Creating New Strategies for Cooperative Collection Development offers shrewd advice and creative thinking on the political and administrative issues that often present obstacles It will help you assess your library's situation identify new opportunities and find powerful new ways to perform the essential tasks of archiving preservation and digitization By making wise use of new technologies local libraries can offer international resources and services unimaginable just a few decades ago Creating New Strategies for Cooperative Collection Development shares the experiences of successful consortia all over the world including the US Eastern Europe the UK the nations of the Pacific Rim and South Asia It examines the costs and benefits of regional national and international cooperatives and debates the varying uses of centered and decentralized models of resource sharing Creating New Strategies for Cooperative Collection Development offers practical advice for overcoming specific obstacles including lengthy approval processes fixation on volume count instead of quality faculty and commercial resistance to reforming scholarly communications publishing monopolies and rising prices Creating New Strategies for Cooperative Collection Development defines the issues that need to be addressed by the library community to foster the advancement of cooperative collection development and suggests a series of steps that can be taken to ensure its future success and continued growth It is an essential guide to the world of resource sharing

Special Collections in Children's Literature Association for Library Service to Children. Committee on National Planning for Special Collections, 1995-07 This reference contains the addresses of US institutions listed by collection and by subject which presents children's literature holdings listed in various formats A directory of international collections describing the holdings of 119 institutions in 40 countries is also included

In the Name of Emmett Till Robert H. Mayer, 2021-09-14 A compelling history Foreword Reviews Inspiring and well researched Booklist The killing of Emmett Till is widely remembered today as one of the most famous examples of lynchings in America African American children in 1955 personally felt the terror of his murder These children however would rise up against the culture that made Till's death possible From the violent Woolworth's lunch counter sit ins in Jackson to the school walkouts of McComb the young people of Mississippi picketed boycotted organized spoke out and marched working to reveal the vulnerability of black bodies and the ugly nature of the world they lived in These children changed that world In the Name of Emmett Till How the Children of the Mississippi Freedom Struggle Showed Us Tomorrow weaves together the riveting tales of those young women and men of Mississippi figures like Brenda Travis the Ladner sisters and Sam Block who risked their lives to face down vicious Jim Crow segregation Readers also discover the adults who guided the young people elders including Medgar Evers Robert Moses and Fannie Lou Hamer This inspiring new book of history for young adults from award winning author Robert H Mayer is an unflinching portrayal of life in the segregated South and the bravery of young people who fought that system

As the United States still reckons with racism and inequality the activists working In the Name of Emmett Till can serve as models of activism for young people today A Directory of Information Resources in the United States: Physical Sciences, Biological Sciences, Engineering National Referral Center for Science and Technology (U.S.),1965 **Teaching Civic Participation with Digital Media in Art Education** Michelle Bae-Dimitriadis, Olga Ivashkevich, 2023-08-28 This anthology shares educational practices to engage young people in critical digital media consumption and production Comprehensive frameworks and teaching guidance enable educators to empower students to use digital technologies to respond to the social political economic and other critical issues in their real life and online communities Section I of the book explores philosophical and conceptual approaches to teaching civic participation via digital media and technologies in various educational settings Section II focuses on the participatory civic approaches in K 16 art education classrooms and Section III outlines these approaches for arts based community settings after school programs camps online sites Throughout authors reference different technologies video digital collage glitch game design mobile applications virtual reality and social media and offer in depth discussions of pedagogical processes and exemplary curriculum projects Building on National NAEA and State Media Arts Standards the educational practices outlined facilitate students media literacy skills and digital citizenship awareness in the art classroom and provide a solid foundation for teaching civic minded media making Ideal for art and media educators within preservice and higher education spaces this book equips readers to prepare their students to be thoughtful and critical producers of their own media that can effectively advocate for social change *Acquisitions and Collection Development in the Humanities* Linda S Katz, Sally J Kenney, Helen Kinsella, 2013-10-31 *Acquisitions and Collection Development in the Humanities* is a one of a kind guide on the procedures approaches and principles needed to make sound decisions in acquiring materials in various areas of the humanities It gives you an inside look at managerial concerns in documentary delivery changing budgetary needs and fluctuations in journal prices and helps you address many of the important questions in acquisitions and collection development within both traditional and technological environments As contributing author Dennis Dillon puts it the ultimate goal of humanities librarians is not to acquire information bytes and bits but to promote integrity integrity of texts integrity of selection the integrity of the collection and the integrity of the library and its ultimate purpose This objective underlies this multifaceted and comprehensive collection of articles as the authors address many interesting issues developments and challenges in the field including selecting candidates for digitization and producing e texts collecting in areas that don t have immediate utility or that may be unpopular what librarians need to know about the humanities as a discipline in order to effectively meet the informational and technological needs of their constituencies online discussion groups as useful sources of webliographic information cooperative collection building the importance of maintaining a high degree of local ownership for materials the principles criteria and tools needed to develop a Native American studies collection document driven and use driven approaches to collecting acquiring and

preserving records that chronicle the role played by African Americans in the United States development Acquisitions and Collection Development in the Humanities can help professional librarians graduate school faculty and students in information and library science acquire the knowledge and skills necessary for building a broadly based and academically responsive collection It will certainly help you keep up with changes in the information environment and show you how the tools you ve developed for selecting traditional library materials will be useful as you grapple with electronic texts spider search mechanisms on the Web becoming a webliographer and budget shortfalls

Queer Love in the Middle Ages Anna Klosowska Roberts,2016-05-24 Queer Love in the Middle Ages points out queer themes in the works of the French canon including Perceval the Romance of the Rose and the Roman d Eneas It brings out less known works that prominently feature same sex themes Yde and Olive a romance with a cross dressed heroine who marries a princess and many others The book combines an interest in contemporary French theory Kristeva Barthes psychoanalysis with a close reading of medieval texts It discusses important recent publications in pre modern queer studies in the US It is the first major contribution to queer studies in medieval French literature

The Changing Face of Government Information Suhasini L. Kumar,2013-10-28 Learn what innovative changes lie in the future of government information The Changing Face of Government Information comprehensively examines the way government documents librarians acquire provide access and provide reference services in the new electronic environment Noted experts discuss the impact electronic materials have had on the Government Printing Office GPO the reference services within the Federal Depository Library Program FDLP and the new opportunities in the transition from paper based information policy to an electronic e government This source reveals the latest changes in the field of government documents librarianship and the knowledge and expertise needed to teach users how to access what they need from this enormous wealth of government information Major changes have taken place in the way government information is created disseminated accessed and preserved The Changing Face of Government Information explains in detail the tremendous change taking place in libraries and government documents librarianship Topics include the increasing accessibility to the federally funded technical report literature information on the Patriot Act s effect on the status of libraries in the aftermath of 9 11 the uses of Documents Data Miner and information about catalogs indexes and full text databases This book also provides a selective bibliography of print and electronic sources about Native Americans and the Federal Government as well as specific sources for information about the environment such as EPA air data DOE energy information information on flora and fauna hazardous waste land use and water Each chapter is extensively referenced and several chapters use appendixes tables and charts to ensure understanding of data This useful book gives readers the opportunity to learn how the University of Oregon successfully integrated its business reference service and map collection into its government documents collection the results of a survey of FDLP institutions identifying the factors contributing to the reorganization of services details of the pilot project undertaken by the University of Arizona Library along with the United

States Government Printing Office's Library Programs Service to create a model for a virtual depository library which critical features are missing in today's government reference service models details of the GPO's plans to provide perpetual access to both electronic and tangible information resources and the strategies to authenticate government publications on the Internet The Changing Face of Government Information is stimulating horizon expanding reading for librarians professors students and researchers The World We Want Catherine Bishop, 2025-02-21 What happens when you handpick 30 smart articulate teenagers from across the globe and bring them to New York for 3 months during the Cold War They lived with American families attended American schools and participated in forums in person and on television discussing Middle East conflicts South African apartheid the Vietnam war American civil rights and women's place around the world Lauded as the voices of youth and hope they jammed with Pete Seeger chatted with US Presidents were star struck by Harry Belafonte and Ingrid Bergman took inspiration from Noam Chomsky and had tea with Eleanor Roosevelt Many delegates later had significant roles in politics academia and international affairs The Herald Tribune World Youth Forum was both an idealistic attempt to create a better more peaceful postwar world and an exercise in Cold War soft power diplomacy Using over 200 oral history interviews archives and memorabilia scattered across the globe and the fabulous surviving footage of the 1950s televised debates now viral on YouTube award winning historian Catherine Bishop brings to life the story of the Forum and its impact on young delegates For some it was simply a pleasant interlude For others it changed their world completely
