Evans,2020-10-22 The Hitler Conspiracies focuses on five of the most enduring conspiracy theories

involving the Nazi period including those that accompanied and even buttressed Hitler's rise. A distinguished work of history, this book offers equally a hard look at our own troubled times, a post-truth era in which alternative facts have gained new standing.

*Face the Facts and Learn the Only One Way of Escape* Joseph F. Rutherford, 2008-01-01. Face the Facts and Fill the Earth were the titles of two public addresses delivered in 1938 by J. F. Rutherford, who was then President of the Watchtower Bible Tract Society. The speeches were printed in booklet form later that year. On the second page of that booklet, Judge Rutherford claims his message is from Almighty God. These lectures were described years later by the WTBTS as fearless, forthright, powerful, and striking messages. This enlarged replica reprint of the original booklet can be examined in the light of recorded history to see if these powerful, striking speeches were not also something else completely inaccurate and false.

Marketing the Third Reich Nicholas O'Shaughnessy, 2017-09-13. In this fascinating volume, Nicholas O'Shaughnessy elucidates the phenomenon of the Nazi propaganda machine via the perspective of consumer marketing, conceptualising the Reich as a product campaign. Building on his acclaimed *Selling Hitler* (2016), he uses marketing scholarship to show how propaganda and political marketing existed not merely as an instrument of government in Nazi Germany but as the very medium of government itself. *Marketing the Third Reich* explores the insidious connection between a mass culture and a political movement and how the cultures of consumption and politics influence and infect each other: consumerised politics and politicised consumption. Ultimately, its concern is with the engineering of consent, the troubling matter of how public opinion can be manufactured and governments elected via sophisticated methodologies of persuasion developed in the consumer economy. Nazism functioned as a brand, packaging almost everything with persuasive purpose. Revealing obvious parallels between Adolf Hitler's use of the living theatre of politics and our present public political dramaturgy, between Nazi lies and our post-truth, the book raises the chilling question: was Hitler ahead of his time? This radical, original, in-depth study will be an invaluable resource for all scholars of marketing history, political marketing, propaganda, and history.

**From a "Race of Masters" to a "Master Race": 1948 to 1848** A.E. Samaan, 2020-11-09. Nazism remains an enigma. Historians do not know whether to slot Nazism as a phenomenon of the political right or left, largely because of a misunderstanding of how central eugenics was to the regime. Eugenics or racial hygiene was at the core of National Socialism's domestic policy, foreign policy, culture wars, and even Hitler's obsession with cars, highways, and city planning. Thus, no coherent understanding of the regime is possible without first grasping the nature of eugenics. Eugenics did not originate with Nazi Germany. It was the culmination of a worldwide movement that was widely accepted by the global scientific and academic community. This book traces the origins of the Nazi eugenics state, working backward down the timeline, tracing from leaf down to the root. We investigate this 100-year trajectory from its beginnings in British and American Academia, delving into the conveniently forgotten inner workings of a scientific era, uncovering previously

unpublished manuscripts professional correspondence and conveniently forgotten publications With the centenary of The Holocaust looming uprooting the web of professional connections that engendered this movement is in order The seeds of Holocaust denial take root and prosper with misinformation Clarity and transparency are imperative as they leave no room for denial theories that would deprive the victims of justice or rob the living of a future FOR MORE INFORMATION ON THE EUGENICS ANTHOLOGY BOOK SERIES PLEASE VISIT <https://EugenicsAnthology.com> FOR MORE INFORMATION ON THIS SPECIFIC VOLUME PLEASE VISIT <https://RaceOfMasters.com> NOTE A preliminary version of this book was circulated amongst academic circles and other interested parties as an Advanced Readers Copy A R C in 2015 This version is a part the Eugenics Anthology seven book series that is currently being completed by A E Samaan Hardbound versions of the books will not be released until the series is complete and all the puzzle pieces in place **The German Right in the Weimar**
