The Hollow Crown:

The Hollow Crown ,2015 From executive producer Sam Mendes Skyfall American Beauty comes a stunning adaptation of four of Shakespeares most celebrated history plays Richard II Henry IV Part 1 and Part 2 and Henry V Together the plays comprise a story with recurring themes of power struggles redemption family conflict and betrayal **The Hollow Crown** Eliot A. Cohen,2023-10-24 What Shakespeare s plays can teach us about modern day politics William Shakespeare understood power what it is how it works how it is gained and how it is lost In The Hollow Crown Eliot A Cohen reveals how the battling princes of Henry IV and scheming senators of Julius Caesar can teach us to better understand power and politics today The White House after all is a court with intrigue and conflict rivaling those on the Globe s stage as is an army a business or a university And each court is full of driven characters in all their ambition cruelty and humanity Henry V s inspiring speeches reframe John F Kennedy s appeal Richard III s wantonness illuminates Vladimir Putin s brutality and The Tempest s grace offers a window into the presidency of George Washington An original and incisive perspective The Hollow Crown shows how Shakespeare s works transform our understanding of the leaders who for good or ill make and rule our world **The Hollow Crown** Harold Frederick Hutchison,1961 [The Hollow Crown](#) ,1973 [The Hollow Crown](#)

The Hollow Crown Grand Theatre Collection (University of Guelph),Berthold Carrière,Jack Roberts,John Barton,Theatre London's McManus Studio,1979 [The Hollow Crown](#) Miri Rubin,2005-01-27 There is no more haunting compelling period in Britain s history than the later middle ages The extraordinary kings Edward III and Henry V the great warriors Richard II and Henry VI tragic inadequates killed by their failure to use their power and Richard III the demon king The extraordinary events the Black Death that destroyed a third of the population the Peasants Revolt the Wars of the Roses the Battle of Agincourt The extraordinary artistic achievements the great churches castles and tombs that still dominate the landscape the birth of the English language in The Canterbury Tales For the first time in a generation a historian has had the vision and confidence to write a spell binding account of the era immortalised by Shakespeare s history plays THE HOLLOW CROWN brilliantly brings to life for the reader a world we have long lost a strange Catholic rural country of monks peasants knights and merchants almost perpetually at war but continues to define so much of England s national myth **Within the Hollow Crown** Margaret Campbell Barnes,2010 A leader as unexpected as he is inexperienced young Richard must find a way to triumph over a fierce conflict more destructive than any foreign enemy **The Hollow Crown** John Barton,Tony Church,1982 *The Hollow Crown* John Barton,2003-01-01 **Shakespeare's Histories on Screen** Jennie M. Votava,2023-06-29 This volume reframes the critical conversation about Shakespeare s histories and national identity by bringing together two growing bodies of work early modern race scholarship and adaptation theory Theorizing a link

between adaptation and intersectionality it demonstrates how over the past thirty years race has become a central and constitutive part of British and American screen adaptations of the English histories Available to expanding audiences via digital media platforms these adaptations interrogate the dialectic between Shakespeare's cultural capital and racial reckonings on both sides of the Atlantic and across time By engaging contemporary representations of race ethnicity gender sexuality disability and class adaptation not only creates artefacts that differ from their source texts but also facilitates the conditions in which race and its intersections in the plays become visible At the centre of this analysis stand two landmark 21st century history adaptations that use non traditional casting the British TV miniseries *The Hollow Crown* 2012 2016 and the American independent film *H4* 2012 an all Black Henry IV conflation In addition to demonstrating how the 21st century screen history illuminates both past and present constructions of embodied difference these works provide a lens for reassessing two history adaptations from Shakespeare's 1990s box office renaissance when actors of colour were first cast in cinematic versions of the plays As exemplified by these formal adaptations reappropriations of race in history non traditional Shakespearean casting practices are also currently shaping digital culture's conversations about race in non Shakespearean period dramas such as *Bridgerton*
