rarest beauty and most profound meaning But when its rich symbolism is revealed in full the significance of the great quest in the which pure minded and self sacrificing valor is alone successful the magnitude of meaning is made evident Perhaps no other man living is so well fitted as Mr Waite to approach this subject Under the ruder methods of materialistic critics the delicate beauty and subtle meanings would be lost Our author combines the grasp of scholarship with the sympathetic attitude and the deep lying knowledge of hidden things This is the extended edition including an encyclopedic essay about The Holy Grail From the Contents Preface Book I The Roots Of The House Of Meaning Book II Mysteries Of The Holy Graal In Manifestation And Removal Book III The Early Epochs Of The Quest Book IV The Lesser Chronicles Of The Holt Graal Book V The Greater Chronicles Of The Holy Graal Book VI The German Cycle Of The Holy Graal Book VII The Holy Graal In The Light Of The Celtic Church Book VIII Mystic Aspects Of The Graal Legend Book IX Secret Tradition In Christian Times Book X The Secret Church

Dr Albert G Mackey also the author of The Lexicon of Freemasonry appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here in one giant volume is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order For more than thirty years Dr Mackey has devoted earnest and constant study and research to the history the objects and the condition of Masonry In the present work the crowning and successful result of a life s labors he has received no assistance from any one He says Every article was written by myself and he adds which would extenuate errors had he fallen into any For twelve months too of the time occupied upon this work I suffered from an affection of the sight which forbade all use of the eyes for purposes of study During that time now happily passed all authorities were consulted by the willing eyes of my daughters all writing was done by their hands I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters and his preface closes with the words Were I to dedicate this work at all my dedication should be To Filial Affection Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions *The Secret Scroll* Andrew Sinclair,2012-09-28 This is the story of a how a little known manuscript in a Masonic Lodge in Kirkwall has become one of the most important historical documents of the Middle Ages It is also the story of the Templars who were its guardians and of what happened to them after the Crusades Although references to this famous order of military knights rarely appears in standard histories of the time a great deal of information about them can be gleaned from other more esoteric sources such as sculpture and architecture Suppressed by Philip of France out of greed the Templars were gradually driven underground in more and more European countries Yet they continued to exist still guarding the knowledge and relics that they had gathered for the defence of the Holy Land It is this that connects all this to Henry St Clair Earl of Orkney and Grand Master of the Knights Templar and discoverer of America All of these threads come together in one extraordinary scroll still in Kirkwall which revelas in full the secrets of the Knights Templar **Freemasons' Quarterly Magazine** ,1853 The Alchemical Keys to Masonic Ritual Timothy Hogan,2007-12-01 This is the first book which establishes a direct link between the rituals of Freemasonry and the practice of both chemical and spiritual alchemy Albert Pike understood that the symbolic degrees of Freemasonry contained

alchemical secrets but he never put the whole pattern together and showed how This book shows these connections for the first time This book is a must for any Freemason who wants to understand the secret meanings behind the Symbolic Blue Lodge ritual Tim Hogan is a PM 32 KCCH KT FRC PSM AMD and Knight RC of the Royal Order of Scotland He lectures extensively both inside and outside of the United States on Freemasonry
