The Homosexual Agenda Exposing The Principal Threat To Religious Freedom Today:

Same-sex Marriage Mathew D. Staver, 2004 Staver argues that the allowing of same sex marriages in San Francisco speaks to the homosexual agenda's cultural assault and the church's timidity in confronting it

Moral Combat R. Marie Griffith, 2017-12-12 From an esteemed scholar of American religion and sexuality a sweeping account of the century of religious conflict that produced our culture wars Gay marriage transgender rights birth control sex is at the heart of many of the most divisive political issues of our age The origins of these conflicts historian R Marie Griffith argues lie in sharp disagreements that emerged among American Christians a century ago From the 1920s onward a once solid Christian consensus regarding gender roles and sexual morality began to crumble as liberal Protestants sparred with fundamentalists and Catholics over questions of obscenity sex education and abortion Both those who advocated for greater openness in sexual matters and those who resisted new sexual norms turned to politics to pursue their moral visions for the nation Moral Combat is a history of how the Christian consensus on sex unraveled and how this unraveling has made our political battles over sex so ferocious and so intractable

The Global Right Wing and the Clash of World Politics Clifford Bob, 2012-02-29 This book analyzes transnational advocacy by conservatives examining combat over issues such as gay rights and gun control

The Other Worldview Peter Jones, 2015-06-24 A must read for every concerned American and especially for every Christian who weeps at the graveside of his culture R C Sproul A cataclysmic change has occurred as our culture has shifted toward belief in Oneism Every religion and philosophy fits into one of two basic worldviews Oneism asserts that everything is essentially one while Twoism affirms an irreducible distinction between creation and Creator The Other Worldview exposes the pagan roots of Oneism traces its spread throughout Western culture and demonstrates its inability to save For bodily holiness and transformed thinking we depend entirely on one amazing thing the incredibly powerful message of the Gospel to a sinful world which is the ultimate expression and goal of Twoism The only hope is in Christ alone

Christian Ethics (Revised Edition) Wayne Grudem, 2024-09-18 What Does the Bible Teach about How to Live in Today's World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God's will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book Systematic Theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About

The Power Worshippers Katherine Stewart, 2020-03-03 The inspiration for the documentary God Country For readers of Democracy in Chains and Dark Money a revelatory investigation of the Religious Right's rise to political power For too long the Religious Right has masqueraded as a social movement preoccupied with a number of cultural issues such as abortion and same sex marriage In her deeply reported investigation Katherine Stewart reveals a disturbing truth this is a political movement that seeks to gain power and to impose its vision on all of society America's religious nationalists aren't just fighting a culture war they are waging a political war on the norms and institutions of American democracy Stewart pulls back the curtain on the inner workings and leading personalities of a movement that has turned religion into a tool for domination She exposes a dense network of think tanks advocacy groups and pastoral organizations embedded in a rapidly expanding community of international alliances and united not by any central command but by a shared anti democratic vision and a common will to power She follows the money that fuels this movement tracing much of it to a cadre of super wealthy ultraconservative donors and family foundations She shows that today's Christian nationalism is the fruit of a longstanding antidemocratic reactionary strain of American thought that draws on some of the most troubling episodes in America's past It forms common cause with a globe spanning movement that seeks to destroy liberal democracy and replace it with nationalist theocratic and autocratic forms of government around the world Religious nationalism is far more organized and better funded than most people realize It seeks to control all aspects of government and society Its successes have been stunning and its influence now extends to every aspect of American life from the White House to state capitols from our schools to our hospitals The Power Worshippers is a brilliantly reported book of warning and a wake up call Stewart's probing examination demands that Christian nationalism be taken seriously as a significant threat to the American republic and our democratic freedoms

The Electronic Church in the Digital Age Mark Ward Sr., 2015-11-10 This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution's modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today's Christian subculture while the second volume describes how the electronic church impacts the wider American culture

analyzing what key figures in evangelical mass media are saying about today's religious, political, economic and social issues. The set concludes by addressing criticism about religious media and the prospects of American public discourse to accommodate both secular and religious voices.

Come Now, Let Us Argue It Out Jon Burrow-Branine, 2021-11. *Come Now Let Us Argue It Out* provides a look into a community that challenges common narratives about what it means to be LGBTQ and Christian in the contemporary United States. Based on his participant observation fieldwork with a faith-based organization called the Reformation Project, Jon Burrow Branine provides an ethnography of how some LGBTQ and LGBTQ supportive Christians negotiate identity and difference and work to create change in evangelicalism. *Come Now Let Us Argue It Out* tells the story of how this activism can be understood as a community of counter conduct. Drawing on a concept proposed by the philosopher and historian Michel Foucault, Burrow Branine documents everyday moments of agency and resistance that have the potential to form new politics, ethics and ways of being as individuals in this community navigate the exclusionary politics of mainstream evangelical institutions, culture and theology. More broadly, Burrow Branine considers the community's ongoing conversation about what it means to be LGBTQ and a Christian grappling with the politics of inclusion and representation in LGBTQ evangelical activism itself.

The Right to Be Out Stuart Biegel, 2010. **God, Marriage, and Family (Second Edition)** Andreas J. Köstenberger, David W. Jones, 2010-05-05. The release of the landmark first edition of *God, Marriage and Family* provided an integrated biblical treatment of God's purposes for the home. Since then, explain authors Andreas Köstenberger and David Jones, the crisis confronting modern households has only intensified and yet the solution remains the same: obedience to and application of God's Word. In the second edition of *God, Marriage and Family*, Köstenberger and Jones explore the latest controversies, cultural shifts and teachings within both the church and society and further apply Scripture's timeless principles to contemporary issues. This new edition includes an assessment of the family, integrated church movement, discussion of recent debates on corporal punishment, singleness, homosexuality and divorce and remarriage, new sections on the theology of sex and the parenting of teens and updated bibliographies. This book will prove to be a valuable resource for personal and group study, Christian counseling and marriage and family courses.

Shadow Network Anne Nelson, 2019-10-29. Reveals a political trend that threatens both our form of government and our species. Timothy Snyder, author of *ON TYRANNY*, riveting. Want to understand how so many Americans turned against truth? Read this book. Nancy Maclean, author of *DEMOCRACY IN CHAINS*. In 1981, emboldened by Ronald Reagan's election, a group of some fifty Republican operatives, evangelicals, oil barons and gun lobbyists met in a Washington suburb to coordinate their attack on civil liberties and the social safety net. These men and women called their coalition the Council for National Policy. Over four decades, this elite club has become a strategic nerve center for channeling money and mobilizing votes behind the scenes. Its secretive membership rolls represent a high-powered roster of fundamentalists, oligarchs and their allies, from Oliver North, Ed Meese and Tim LaHaye in the Council's early days to Kellyanne Conway, Ralph Reed, Tony Perkins and the

DeVos and Mercer families today In Shadow Network award winning author and media analyst Anne Nelson chronicles this astonishing history and illuminates the coalition s key figures and their tactics She traces how the collapse of American local journalism laid the foundation for the Council for National Policy s information war and listens in on the hardline broadcasting its members control And she reveals how the group has collaborated with the Koch brothers to outfit Radical Right organizations with state of the art apps and a shared pool of captured voter data outmaneuvering the Democratic Party in a digital arms race whose result has yet to be decided In a time of stark and growing threats to our most valued institutions and democratic freedoms Shadow Network is essential reading *We Will Not Be Silenced* Erwin W.

Lutzer,2020-10-13 If I could I would put this book into the hands of every Christian in America Dr David Jeremiah Be strong and courageous Do not be frightened and do not be dismayed for the LORD your God is with you wherever you go Joshua 1 9 Each day you watch America turn further from Christian values and the core principles of liberty It s frustrating to feel you can t assert biblical truth without facing condemnation and fearful to witness outrage and victimhood replace respect and reason Amidst this dissent how can you not only stay rooted in your own faith but continue publicly testifying for Jesus In *We Will Not Be Silenced* Dr Erwin W Lutzer prepares you to live out your convictions against a growing tide of hostility Gain a better understanding of nonbelievers legitimate hurts and concerns regarding issues like racism sexism and poverty and identify the toxic responses secular culture disguises as solutions In the process you ll see how you can show compassion and gentleness to those outside of the faith without affirming their beliefs *We Will Not Be Silenced* will ready you to move beyond fear and boldly accept the challenge of representing Christ to a watching world that needs Him now more than ever before

The Politics of Hate Angelia R. Wilson,2025-01-10 Explores how the Christian Right in the United States has learned to overcome both a lack of political professionalism within national independent theologically based activist groups and theological divides that threatened political collaboration *The Truth About Same-Sex Marriage* Erwin W.

Lutzer,2009-12-17 HEADLINE Is it really that big of a deal A May 2009 Gallup poll revealed that fifty seven percent of Americans oppose same sex marriage while only forty percent are in favor of it down from forty six percent in 2007 This short easy to read book helps shed light on what so many people believe and why they ought not be at a loss about what to do now The headlines only tell part of the story In this revised and updated version of his bestselling book Dr Erwin Lutzer clearly and accurately depicts the truth about what is at stake here By asking the right questions and by pinpointing the very real ramifications of same sex marriage this handbook will help guide reality back to Truth Dr Lutzer expertly answers the questions that so many individuals parents friends and families are asking How did we get to this point Why is marriage as God intended it better and healthier How can I talk to my kids about this How do I responsibly read watch and filter the news Is there still hope Let no one say that we have to choose between loving homosexuals and opposing same sex marriages Biblically love is defined not as license to legitimize sinful behavior of any kind but love helps us see that there is a better

way Obviously we must be as concerned about our own sins as we are about the sins of the homosexual community We must be concerned enough to speak out about any action heterosexual or homosexual that violates God s intended plan for marriage and the family This simple straightforward look at the issue of same sex marriage will equip you to know what is really happening and most importantly why it matters for you **Expanding the Circle** John C. Hawley, 2015-01-08

Examines strategies and best practices that effectively integrate LGBTQ areas of teaching and research with student life activities Many educational professionals agree that the time has come to expand their circle of inclusion and broaden their definition of diversity by increasing LGBTQ studies but the question of how to do so is still debated Although some colleges and universities have been incorporating LGBTQ studies for decades courses and programs continue to be pockets of innovation rather than models of inclusion for all of higher education Colleges and universities need to encourage faculty members to teach and research a wide range of LGBTQ topics as well as support student life professionals in building inclusive campus communities This book includes testimonies that alert educators to possible pitfalls and successes of their policies through an analysis of changing student attitudes Based on these case studies the contributors offer practical suggestions for the classroom and the provost s office demonstrating not only the gains that have been made by LGBTQ students and the institutions that serve them but also the tensions that remain Expanding the Circle is a comprehensive overview of issues facing LGBTQ students in higher education in the US and those seeking to queer the academy through incorporating LGBTQ content into curricula It highlights problems we might not have imagined a closeted gay man being harassed by those who are more out and describes issues we would have hoped were history faculty and staff telling students not to list a certificate in LGBTQ studies on a resume This book presents proven strategies to create affirming institutions of higher learning in which students and faculty can be their full selves and study the contributions of LGBTQ people to the human experience Sean Cahill coauthor of LGBT Youth in America s Schools **Same-Sex Marriage** David E.

Newton, 2016-09-26 Same sex marriage continues to be a polarizing subject in the United States and other parts of the world This new edition of Same Sex Marriage A Reference Handbook brings readers up to date on the status of same sex unions from social legal political and historical perspectives According to Pew Research poll data in 2001 the majority of Americans opposed same sex marriage 57 percent against 35 percent in support As of 2015 a majority of Americans 55 percent supported same sex marriage with 39 percent expressing opposition The landmark Obergefell v Hodges case in which the U S Supreme Court held in a 5 4 decision that the fundamental right to marry is guaranteed to same sex couples is likely further influencing opinions among U S citizens Still controversy and heated debate continues to ensue on the social legal and political implications of same sex marriage The second edition of Same Sex Marriage A Reference Handbook presents thorough coverage of recent changes in the legal status of same sex marriage in the United States as well as essays that provide historical perspectives on same sex marriage an extensive up to date bibliography a collection of primary source

documents a glossary and a chronology that will serve readers studying the topic New material includes a detailed discussion of the 2015 Supreme Court of the United States decision as well as coverage of issues that have arisen as a result of the Obergefell case such as the debate over religious freedom and LGBT civil rights legislation **Rescuing Jesus** Deborah Jian Lee, 2016-10-25 An inside look at the young diverse and progressive Christians who are transforming the evangelical movement Deborah Jian Lee left the evangelical world because she was frustrated by its conservative politics But over the years she noticed how evangelical culture and politics were changing and moving in a more progressive direction What Lee came to find is that most of what we think we know about evangelicals is wrong or is well on its way to becoming dated In **Rescuing Jesus** she ventures into the world of progressive evangelicalism telling the stories of those at the forefront of a movement that could change the face and the substance of religion in the United States These men and women are a young and diverse array of people LGBTQ and straight white black Asian Hispanic and indigenous who are working to wrest political power away from conservatives These young evangelicals are more likely than their elders to accept same sex marriage more inclined to think of pro life issues as being about supporting society's disenfranchised and more accepting of equality between men and women With empathy journalistic rigor and powerful storytelling Lee unpacks the diverse and complex strands of this movement and what it means for the rest of us Given the clout that evangelicals still hold in national politics Lee argues this movement is important not only for the future of evangelicalism but also for the future of our country

The Criminalization of Christianity Janet Folger, 2009-02-19 There is a war going on for the future of our country Most people know that What they may not know is that if Christians lose the result won't merely be enduring public policy we disagree with it will be a prison sentence for those who oppose it We've all seen the attack coming First the Supreme Court said kids can't pray in school Then the Ten Commandments were ripped from the classrooms Now pastors are being removed from their pulpits and put in jail for speaking out against homosexuality Sweden And things are only getting worse How in the world did we get to this place And why is it that Christians are singled out in this assault on morality Serving as a wake up call for America this book will expose the truth that Christianity is being criminalized and that we must stand up against it now People in New York are fired from their jobs Kids in California are suspended from school Pastors in Sweden are sentenced to prison Their crime involves nothing more than exercising their religious freedoms At first the attacks against Christianity were subtle The Supreme Court ruled that children can't pray in school The Ten Commandments were removed from our classrooms and later our courtrooms Now pastors are being imprisoned for speaking out against homosexuality from their own pulpits How in the world did we get to this place in a free and civilized society And how far will it go While headlines reveal a gradual undermining of moral values in our society the truth between those lines silently screams that our very freedom is at stake Now this provocative book exposes the attack on values for what it is a pointed war being waged against Christians and the faith they profess A frequent guest on such programs as 20/20 Hannity and Colmes Hardball and

Inside Politics conservative advocate Janet Folger uncovers the hidden anti Christian agendas that are driving public policy key court decisions public school regulations political correctness in the media and modern day censorship The question is how will you respond At a time when upholding traditional values has somehow become synonymous with intolerance will you rise up and defend your religious freedoms before it s too late *Short Essays on Your Enemy's Vicious Thoughts* Bob Jackson,2012 What are the thoughts of the enemy of God concerning the entire human race His thoughts are to steal kill and destroy he is the ultimate thief in human history He will steal your possessions your loved ones your parents your family and your friends He will steal your health steal your wealth steal your reputation steal your means of making a living and steal your joy of life He is the unseen ruler of this world How does the enemy kill How does he slay murder slaughter execute destroy exterminate eradicate and assassinate How does he massacre and dispatch members of the human race He and his demons accomplish this by continuously attacking God s creation especially humans by promoting every form of deceit and everything that God disapproves of with the intent of destroying life especially the lives of those who refuse to love the truth How does the enemy destroy How does he defeat crush subdue demolish annihilate overcome overthrow and wipe out the unbelieving populations of adults and the innocent on planet earth He does this through hate The enemy hates God and he hates what God loves he hates integrity he hates creation and he hates Zion and he especially hates those who love God because God is love This book is a series of short descriptive essays on the thoughts and plots of the enemy who wants to destroy Love and all of His creation On the last page of each essay are comments Think about each essay what are your thoughts Let these essays remind you to take on the whole armor of God and be ready to stand against the evil one by knowing understanding teaching speaking and applying the Word as you go about your everyday life No Separation Ludger H. Viefhues-Bailey,2023-10-10 Through a potent mix of authoritarianism heterosexism xenophobia and ethnoracial nationalism powerful illiberal Christian movements have upended liberal democracies in countries that were once seen as paradigms of secular governance Ludger H Viefhues Bailey offers new insight into the foundations of these movements demonstrating how they emerge from the contradictions at the intersection of secularism and democracy No Separation examines recent conflicts that link national identity religion and sexuality debates over Muslim veiling practices in Germany same sex marriage in France and migration and abortion in the United States In each case illiberal Christianities portray popular sovereignty as threatened at the same time as they display an obsessive concern with the politics of sex and reproduction Underlying these conflicts No Separation shows is the fundamental tension of democracy who belongs to the People Viefhues Bailey argues that when secularism and democracy meet cultural religions appear seeking control over women s bodies national borders and the racialized reproduction of the People in defense of the ideal of popular sovereignty Connecting political theology political philosophy and the sociology of religion with gender and sexuality studies No Separation is a deeply original analysis of the crisis of democracy and the limits of secularism It also suggests alternative
