The Hothouse Methuen Modern Plays

Guido Almansi, Simon Henderson

The Hothouse Methuen Modern Plays:

Plays of Impasse Carol Rosen, 2017-03-14 A study of post World War II plays set in total institutions such as hospitals psychiatric wards prisons and military bases *Plays of Impasse* probes the structure and significance of the numerous and highly visible plays set in contemporary society's dead ends the hospitals psychiatric wards prisons and military training camps so aptly described by Irving Goffman as total institutions Carol Rosen shows how the setting in these plays tends to engulf and then to exclude the audience turning an encompassing stage structure a closed controlling absolute system into a protagonist that overwhelms the characters In discussions ranging from Harold Pinter's *The Hothouse* to Samuel Beckett's *Endgame* she further maintains that the impasse of characters in reductive environments supplies a unifying image for post World War II drama in general This state of impasse pervades contemporary drama Everyday activities and attempts to endure life in a parenthesis are vacated of traditional social or moral meaning onstage The pain of this kind of survival spatially fixed is at the heart of *Endgame* for example an extreme instance of this mode of drama at the edge of existence In plays such as Peter Nichols's *The National Health* Peter Weiss's *Marat Sade* Friedrich Dürrenmatt's *The Physicists* David Storey's *Home* Brendan Behan's *The Quare Fellow* Jean Genet's *Deathwatch* and David Rabe's *The Basic Training of Pavlo Hummel* the splintered self like the divided society strives to endure against enormous codified odds Even in plays not depicting the rigidity of institutions the contemporary dramatic mode is finally characterized by sparse introspective action in a closed system an onstage model of a world gone awry a world at an impasse Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

A Companion to Modern British and Irish Drama, 1880 - 2005 Mary Luckhurst, 2008-04-15 This wide ranging *Companion to Modern British and Irish Drama* offers challenging analyses of a range of plays in their political contexts It explores the cultural social economic and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity An authoritative guide to modern British and Irish drama Engages with theoretical discourses challenging a canon that has privileged London as well as white English males and realism Topics covered include national regional and fringe theatres post colonial stages and multiculturalism feminist and queer theatres sex and consumerism technology and globalisation representations of war terrorism and trauma Harold Pinter Guido Almansi, Simon Henderson, 2021-06-23 First published in 1983 Harold Pinter is an original study into the work of one of Britain's foremost dramatists The book celebrates Pinter's elusiveness as a writer It considers his position as a specifically contemporary writer of the post modernist tradition and explores his use of language as a sophisticated means of non

communication acting as a smokescreen behind which his characters lie The book presents the language games used by Pinter according to their strategic importance beginning with his earlier works and suggesting a chronological progression It also discusses Pinter's later developments such as the screenplay for *The French Lieutenant's Woman* Harold Pinter is ideal for anyone with an interest in the work and literary techniques of contemporary writers and dramatists Plays and Players

,1979 **Madness, Art, and Society** Anna Harpin,2018-01-19 How is madness experienced treated and represented How might art think around and beyond psychiatric definitions of illness and wellbeing *Madness Art and Society* engages with artistic practices from theatre and live art to graphic fiction charting a multiplicity of ways of thinking critically with rather than about non normative psychological experience It is organised into two parts Structures psychiatrists institutions treatments illuminates the environments figures and primary models of psychiatric care reconsidering their history and contemporary manifestations through case studies including David Edgar's *Mary Barnes* and Milos Forman's *One Flew Over the Cuckoo's Nest* Experiences realities bodies moods problematises diagnostic categories and proposes more radically open models of thinking in relation to experiences of madness touching upon works such as Richard Kelly's *Donnie Darko* and Duncan Macmillan's *People Places and Things* Reading its case studies as a counter discourse to orthodox psychiatry *Madness Art and Society* seeks a more nuanced understanding of the plurality of madness in society and in so doing offers an outstanding resource for students and scholars alike **The Bookseller**,1982 *Modern Voice* Catherine

Weate,2012-06-11 *Modern Voice* Working with Actors on Contemporary Text has been designed to follow on from Catherine's previous book *Classic Voice* Working with Actors on Vocal Style focusing on the less defined demands within contemporary drama Lifting contemporary speech rhythms off the page can be a challenge for actors Sometimes these rhythms are realistic resembling or mirroring the speech patterns of real human beings sometimes they are non realistic distorting speech patterns for particular effect *Modern Voice* not only provides an accessible approach for understanding speech rhythm but also presents an overview of different types and styles of contemporary text including the rise of dramatic realism in England America and Australia Along the way there are a myriad of practical ideas for directors lecturers teachers trainers and coaches to explore in their workshops and rehearsals **Drama, Metadrama and Perception** Richard Hornby,1986

Collected Poems and Prose Harold Pinter,1986 **Behaviorism, Consciousness, and the Literary Mind** Joshua Gang,2021-11-16 What might behaviorism that debunked school of psychology tell us about literature If inanimate objects such as novels or poems have no mental properties of their own then why do we talk about them as if they do Why do we perceive the minds of characters narrators and speakers as if they were comparable to our own In *Behaviorism Consciousness and the Literary Mind* Joshua Gang offers a radical new approach to these questions which are among the most challenging philosophical problems faced by literary study today Recent cognitive criticism has tried to answer these questions by looking for similarities and analogies between literary form and the processes of the brain In contrast Gang

turns to one of the twentieth century's most infamous psychological doctrines behaviorism Beginning in 1913 a range of psychologists and philosophers including John B Watson B F Skinner and Gilbert Ryle argued that many of the things we talk about as mental phenomena aren't at all interior but rather misunderstood behaviors and physiological processes Today behaviorism has relatively little scientific value but Gang argues for its enormous critical value for thinking about why language is so good at creating illusions of mental life Turning to behaviorism's own literary history Gang offers the first sustained examination of the outmoded science's place in twentieth century literature and criticism Through innovative readings of figures such as I A Richards the American New Critics Samuel Beckett Harold Pinter and J M Coetzee *Behaviorism Consciousness and the Literary Mind* reveals important convergences between modernist writers experimental psychology and analytic philosophy of mind while also giving readers a new framework for thinking about some of literature's most fundamental and exciting questions

Glancing at Dramatists' Dialogue Ruby Cohn, 2025-09-18 This book examines dramatic dialogue in English language theatre tracing verbal invention across four centuries from Shakespeare and Restoration comedy right up to contemporary English and American theatre Published posthumously this renowned theatre scholar's book considers English dramatic dialogue as exemplified in the verbal invention of particular plays That invention is traced through puns repetitions adroit clichés occasional neologisms malapropisms sound play and more or less recondite allusions In eight chapters Cohn offers close readings of monologue and dialogue in plays by William Shakespeare William Wycherley George Etherege William Congreve Oscar Wilde Samuel Beckett Edward Albee Harold Pinter David Mamet Tom Stoppard Sarah Kane Mark Ravenhill Caryl Churchill Sam Shepard Adrienne Kennedy and Suzan Lori Parks It's a fascinating text written with Cohn's characteristic wit warmth and lucidity and offers both an authoritative introduction to theatre dialogue and a remarkable final addition to Cohn's scholarly legacy

Magic and Masculinity in Early Modern English Drama Ian McAdam, 2009 The prevalent worldview of early modern England shaped by Protestantism dismissed magical belief as an ideological delusion inherent to Catholicism while also encouraging a strong sense of individualism through which a new masculinity found expression This study asks why then did magical self empowerment retain such a hold on that society's imagination Provided by publisher

The Screenplay of The French Lieutenant's Woman Harold Pinter, 1981

The Methuen Book of Modern Monologues for Women Chrys Salt, 2004 This is a selection of speeches for women drawn from the great landmark plays of the 20th century An appreciation of each speech is enhanced by the editor's introductions and commentaries which set the plays and individual speeches in their dramatic and performance context

Englisches Theater der Gegenwart Klaus Peter Müller, 1993

Library of Congress Catalogs Library of Congress, 1981

Harold Pinter's The Dumb Waiter Mary F. Brewer, 2009 This collection of essays focuses on one of Harold Pinter's most popular and challenging plays *The Dumb Waiter* while addressing also a range of significant issues current in Pinter studies and which are applicable beyond this play The interesting and provocative dialogues between established and emerging scholars

featured here provide close readings of *The Dumb Waiter* within relevant cultural and historical contexts and from a range of theoretical perspectives. The essays range over issues of autobiography and theater genre studies and the impact of Pinter's political activism on his dramatic production among others. The collection is also concerned with the meaning of the play when assessed against other examples of Pinter's work both dramatic and non-dramatic writing. Each contributor shows a gift for presenting a complex argument in an accessible style making this book an important resource for a wide range of readers from undergraduates to postgraduates and specialist researchers. The collection offers essays that approach *The Dumb Waiter* from an interdisciplinary perspective and as both a literary and dramatic text. Thus the book should be of equal significance to those encountering Pinter within the context of English Studies, drama and performance.

The Plays of Harold Pinter Andrew Wyllie, Catherine Rees, 2017-09-16. This Reader's Guide synthesises the key criticism on Pinter's work over the last half century. Andrew Wyllie and Catherine Rees examine critical approaches and reactions to the major plays charting the controversies which have arisen in response to Pinter's critiques of political and sexual issues. They consider criticism from the press and academics on the themes of Absurdism, politics and gender identity. By placing this criticism in its historical context, this guide illustrates a transition from bewilderment and outrage to affection, fascination and more outrage.

British Book News British Council, 1991. Includes no. 53a. British wartime books for young people.

Harold Pinter and the Language of Cultural Power Marc Silverstein, 1993. For all their attempts to own language, Pinter's characters discover that words constitute alienable property that language forms, de-forms and re-forms subjectivity that, as a system preceding the individual, language carries embedded within it the values, desires and imperatives of the Other, the dominant cultural order. By introducing questions of subject position and ideology into his discussion, author Marc Silverstein shows how the plays exhibit a political dimension largely ignored by the bulk of Pinter criticism which attempts to classify his oeuvre as a form of absurdist drama. It is Silverstein's contention that Pinter does not concern himself with the fate of the individual lost in an incomprehensible and meaningless universe, the absurdist Pinter, but instead explores the vicissitudes of living within ideological discursive and social structures that always exceed the subject.
