Early Modern Dynastic Marriages and Cultural Transfer Joan-Lluis Palos, Magdalena S. Sanchez, 2017-05-15 Toward the end of the fifteenth century the Habsburg family began to rely on dynastic marriage to unite an array of territories eventually creating an empire as had not been seen in Europe since the Romans Other European rulers followed the Habsburgs lead in forging ties through dynastic marriages Because of these marriages many more aristocrats especially women left their homelands to reside elsewhere Until now historians have viewed these unions from a primarily political viewpoint and have paid scant attention to the personal dimensions of these relocations Separated from their family and thrust into a strange new land in which language attire religion food and cultural practices were often different these young aristocrats were forced to conform to new customs or adapt their own customs to a new cultural setting Early Modern Dynastic Marriages and Cultural Transfer examines these marriages as important agents of cultural transfer emphasizing how marriages could lead to the creation of a cosmopolitan culture common to the elites of Europe These essays focus on the personal and domestic dimensions of early modern European court life examining such areas as women's devotional practices fashion patronage and culinary traditions

Congress. Senate. Committee on Foreign Relations. Subcommittee on Western Hemisphere and Peace Corps Affairs,1995      *The Longest Romance* Humberto Fontova,2013-08-13 Fidel Castro jailed political prisoners at a higher rate than Stalin during the Great Terror He murdered

more Cubans in his first three years in power than Hitler murdered Germans during his first six. Alone among world leaders, Castro came to within inches of igniting a global nuclear holocaust. But you would never guess any of that from reading the mainstream American media. Instead, we hear fawning accounts of Castro liberating Cuba from the clutches of U.S. robber barons and bestowing world-class healthcare and education on his downtrodden citizens. Propaganda is vital to the heart of our struggle. Castro wrote in 1955: "Today the concept is as valid to the Cuban regime as ever." History records few propaganda campaigns as phenomenally successful or enduring as Castro's. *The Longest Romance* exposes the full scope of this deception; it documents the complicity of major U.S. media players in spreading Castro's propaganda and in coloring the world's view of his totalitarian regime. Castro's cachet as a celebrity icon of anti-Americanism has always overshadowed his record as a warmonger, racist, sexist, Stalinist, and godfather of modern terrorism. *The Longest Romance* uncovers this shameful history and names its major accomplices. **Ay Tú!** Sonia Saldivar-Hull, Geneva M. Gano, 2024-10-22. A

comprehensive volume on the life and work of renowned Chicana author Sandra Cisneros. Sandra Cisneros, b. 1954, author of the acclaimed novel *The House on Mango Street* and a recipient of the National Medal of the Arts, a MacArthur Genius Grant, and the PEN Nabokov Award for International Literature, was the first Chicana to be published by a major publishing house. *Ay T* is the first book to offer a comprehensive critical examination of her life and work as a whole. Edited by scholars Sonia Saldivar-Hull and Geneva M. Gano, this volume addresses themes that pervade Cisneros's oeuvre: like romantic and erotic love, female friendship, sexual abuse and harassment, the exoticization of the racial and ethnic other, and the role of visual arts in the lives of everyday people. Essays draw extensively on the newly opened Cisneros Papers housed in the Wittliff Collections at Texas State University, and the volume concludes with a new long-form interview with Cisneros by the award-winning journalist Macarena Hernández. As these essays reveal, Cisneros's success in the literary field was integrally connected to the emergent Chicana feminist movement and the rapidly expanding Chicana literary field of the late twentieth century. This collection shows that Cisneros didn't achieve her groundbreaking successes in isolation and situates her as a vital Chicana feminist writer and artist. **Peace Came in the Form of a Woman** Juliana Barr, 2009-11-30. Revising the standard

narrative of European-Indian relations in America, Juliana Barr reconstructs a world in which Indians were the dominant power and Europeans were the ones forced to accommodate, resist, and persevere. She demonstrates that between the 1690s and 1780s, Indian peoples including the Caddos, Apaches, Payayas, Karankawas, Wichitas, and Comanches formed relationships with Spaniards in Texas that refuted European claims of imperial control. Barr argues that Indians not only retained control over their territories but also imposed control over Spaniards. Instead of being defined in racial terms, as was often the case with European constructions of power, diplomatic relations between the Indians and Spaniards in the region were dictated by Indian expressions of power grounded in gendered terms of kinship. By examining six realms of encounter—first contact, settlement, and intermarriage, mission life, warfare, diplomacy, and captivity—Barr shows that native categories of gender

provided the political structure of Indian Spanish relations by defining people's identity status and obligations vis a vis others. Because native systems of kin based social and political order predominated, argues Barr, Indian concepts of gender cut across European perceptions of racial difference.

Return to the Corner of the Dead Henry May, 2003-09-23

This is a story of love and action drawn on a backdrop of revolutionary violence. The novel is set in Peru in 1993 when the country is recovering from a long brutal still simmering civil war. The protagonist Jim Hiram has returned to Peru at the request of an old friend, a collector of pre-Columbian antiquities who has a job for him: locating a special artifact. Jim had worked as a financial planner in Lima until 1985 when he left after the Sendero Luminoso guerrilla movement brought the war to the capital from its sierra stronghold of Ayacucho.

the Corner of The Dead

He expects his return to be a short-term venture but he is drawn into a spiraling series of complications and intrigues. He is also drawn into love. Against the dark wine-red canvas, the somber shade of dried blood is set the bright fuchsia of renewing love. Through the maze of a society reeling on the edge of disintegration, Jim makes his way by his wit and his words. As another character observes, he is a smooth liar but there are no lies when it comes to love and its regenerative power for him.
