Spinning The Globe The Rise Fall And Return To Greatness Of The Harlem Globetrotters:

Spinning the Globe Ben Green, 2009-08-19 Before Wilt Chamberlain Bill Russell Julius Erving or Michael Jordan before Magic Johnson and Showtime the Harlem Globetrotters revolutionized basketball and spread the game around the world In *Spinning the Globe* author Ben Green tells the story of this extraordinary franchise and iconic American institution We follow the Globetrotters rise from backwoods obscurity during the harsh years of the Great Depression to become the best basketball team in the country and by the early 1950s the most popular sports franchise in the world Green brings to life their struggles with racism and segregation and their influence upon a nation's views about race and sport We witness the Globetrotters fall from grace to the brink of bankruptcy in the early 1990s and their ultimate rebirth under Mannie Jackson today as they once again amaze kids and families around the world Now in paperback this is the true and complete story of their amazing eighty years as a team told with lyrical prose and masterful storytelling by Ben Green **Harlem**

Globetrotter's Harlem Notebook, 2020-01-02 This Notebook Journal is intended for people who love Harlem Globetrotters and is also a great gift for any occasion You can fill the notebook with all your valuable ideas secrets dreams and future plans

Ambassadors in Pinstripes Thomas W. Zeiler, 2006-09-22 In this lively chronicle of the 1888 1889 Spalding world baseball tour Thomas Zeiler examines the roots of the post 1898 American empire by analyzing the ways in which the tour drew on elements of globalization to inject American values and thus power into the international **American Sports** Murry R.

Nelson, 2013-05-23 America loves sports This book examines and details the proof of this fascination seen throughout American society in our literature film and music our clothing and food and the iconography of the nation This momentous four volume work examines and details the cultural aspects of sport and how sport pervasively reflects and affects myriad aspects of American society from the early 1900s to the present day Written in a straightforward readable manner the entries cover both historical and contemporary aspects of sport and American culture Unlike purely historical encyclopedias on sports the contributions within these volumes cover related subject matter such as poetry novels music films plays television shows art and artists mythologies artifacts and people While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture Each entry provides a number of both print and online resources for further investigation of the topic **Introduction to**

African American Studies Talmadge Anderson, James Benjamin Stewart, 2007 There is an ongoing debate as to whether African American Studies is a discipline or multidisciplinary or interdisciplinary field Some scholars assert that African American Studies use a well defined common approach in examining history politics and the family in the same way as scholars in the disciplines of economics sociology and political science Other scholars consider African American Studies multidisciplinary a field somewhat comparable to the field of education in which scholars employ a variety of disciplinary

lenses be they anthropological psychological historical etc to study the African world experience In this model the boundaries between traditional disciplines are accepted and researches in African American Studies simply conduct discipline based an analysis of particular topics Finally another group of scholars insists that African American Studies is interdisciplinary an enterprise that generates distinctive analyses by combining perspectives from d **King of the Court** Aram

Goudsouzian,2010 King of the Court provides a highly nuanced and sophisticated analysis of the great African American basketball player from his earliest days up to the present time With great skill and much insight Goudsouzian makes clear that Russell was a very complicated man who was full of contradictions in his own private life and in relationship to his business associates teammates opponents the media and the larger sporting public David K Wiggins George Mason University Not only is King of the Court one of the most impressive and important sports biographies to come along in many a season easily in the same class as David Maraniss s When Pride Still Mattered on Vince Lombardi and Wil Haygood s Sweet Thunder on Sugar Ray Robinson it is also one of the truly incisive books on the intersection of race civil rights and popular culture that have appeared in some time Having grown up in Philadelphia I was always a Wilt Chamberlain man and always will be but King of the Court convinced me that Bill Russell defined his age in ways that Chamberlain never did Russell was a man for all seasons This is a biography befitting Russell s stature Gerald Early author of One Nation Under a Groove Motown and American Culture Before there were crossover dribbles or slam dunk competitions before they even kept statistics for blocked shots Bill Russell dominated the game we call basketball The respect he demanded as a black man during America s turbulent Civil Rights era made him the personification of a winner in life King of the Court like Russell s defense locks it down and puts it all in its proper context Long live the King Dr Todd Boyd author of Young Black Rich and Famous The Rise of the NBA the Hip Hop Invasion and the Transformation of American Culture Bill Russell s life story is only incidentally about basketball For him the sport was not a life it was his vehicle for social change a platform that showcased his vision for America as much as his athletic talent In his magnificent biography Aram Goudsouzian captures the nuance and meaning of Russell s career After reading the book one will never look at Russell or sports in quite the same way Randy Roberts Purdue University Brings back the excitement of the great days of the NBA and its legendary players led by the king of them all Bill Russell Best book I ve read on basketball in 40 years Bill McSweeney co author with Bill Russell of Go Up for Glory

Globetrotting Damion L. Thomas,2012-09-24 Throughout the Cold War the Soviet Union deplored the treatment of African Americans by the U S government as proof of hypocrisy in the American promises of freedom and equality This probing history examines government attempts to manipulate international perceptions of U S race relations during the Cold War by sending African American athletes abroad on goodwill tours and in international competitions as cultural ambassadors and visible symbols of American values Damion L Thomas follows the State Department s efforts from 1945 to 1968 to showcase prosperous African American athletes including Jackie Robinson Jesse Owens and the Harlem

Globetrotters as the preeminent citizens of the African Diaspora rather than as victims of racial oppression. With athletes in baseball, track and field, and basketball, the government relied on figures whose fame carried the desired message to countries where English was little understood. However, eventually African American athletes began to provide counter narratives to State Department claims of American exceptionalism, most notably with Tommie Smith and John Carlos's famous black power salute at the 1968 Mexico City Olympics. Exploring the geopolitical significance of racial integration in sports during the early days of the Cold War, this book looks at the Eisenhower and Kennedy administrations' attempts to utilize sport to overcome hostile international responses to the violent repression of the civil rights movement in the United States. Highlighting how African American athletes responded to significant milestones in American racial justice, such as the 1954 *Brown v. Board of Education* decision and the passage of the 1964 Civil Rights Act, Thomas surveys the shifting political landscape during this period as African American athletes increasingly resisted being used in State Department propaganda and began to use sports to challenge continued oppression.

Color Blind Tom Dunkel, 2014-04-08 Taking readers back in time to 1947, an award-winning journalist chronicles an integrated baseball team in Bismarck, North Dakota, that rose above a segregated society to become champions, delving into the history of the players, the town, and baseball itself.

The Chicago Sports Reader Steven A. Riess, Gerald R. Gems, 2009 A celebration of the fast, the strong, the agile, and the tricky throughout Chicago's storied sports history.

Hidden History of Twin Cities Sports Joel Rippel, 2023-06-12 Twin Cities sports fans are well-versed in disappointment, but the last 120 years of Minneapolis and St. Paul sports have also produced forgotten milestones. Most know of the Vikings' Super Bowl woes and the Twins' record-setting postseason losing streak. Few know that the first full-time college basketball coach originated here and that a Babe Ruth home run record supplanted a local player's achievement. Fewer still know about near misses like John Wooden almost becoming the University of Minnesota basketball coach in 1948 and Billie Jean King turning down an offer to join the Twin Cities World Team Tennis franchise. Longtime Twin Cities journalist Joel Rippel documents these subjects and other forgotten or unheralded stories.

The Routledge History of American Sport Linda J. Borish, David K. Wiggins, Gerald R. Gems, 2016-10-04 The Routledge History of American Sport provides the first comprehensive overview of historical research in American sport from the early Colonial period to the present day. Considering sport through innovative themes and topics such as the business of sport, material culture, and sport's political uses of sport and gender, and sport, this text offers an interdisciplinary analysis of American leisure. Rather than moving chronologically through American history or considering the historical origins of each sport, these topics are dealt with organically within thematic chapters, emphasizing the influence of sport on American society. The volume is divided into eight thematic sections that include detailed original essays on particular facets of each theme. Focusing on how sport has influenced the history of women, minorities, politics, the media, and culture, these thematic chapters survey the major areas of debate and discussion. The volume offers a comprehensive view of the history of sport in America, pushing the field to

consider new themes and approaches as well Including a roster of contributors renowned in their fields of expertise this ground breaking collection is essential reading for all those interested in the history of American sport **Historical Dictionary of Basketball** John Grasso,2010-11-15 In less than 120 years an activity invented by one man to alleviate winter boredom for a college gym class has evolved into a worldwide multi billion dollar enterprise It is impossible for Dr James Naismith basketball s inventor to have envisioned the extent to which his simple game would reach Without major changes to his original 13 rules basketball is now played in more than 200 countries by people of all ages Thanks to basketball players like Michael Jordan Earvin Magic Johnson Larry Bird LeBron James Kobe Bryant and Shaquille O Neal have become some of the most famous people in the world The Historical Dictionary of Basketball is a comprehensive account of all forms of basketball amateur professional men s women s Olympic domestic and international from its invention in 1891 through the present day This is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on the people places teams and terminology of the game **The Wendell Smith Reader** Wendell Smith,2023-04-03 With the world s eyes on Jackie Robinson there were not many who noticed the sportswriter who traveled by the baseball star s side in 1946-47 Wendell Smith was a pioneer not only in writing but in broadcast media as well with a career that spanned 1937-1972 and included more than 1,500 written pieces After an extensive biographical sketch this work presents a collection of Smith s writings Chapters are organized to present him as one who chronicled Black history traveled extensively challenged racism noted progress in racial relations criticized friends praised enemies and bid farewell to notable figures who passed before him Black athletes covered in his writings include Jackie Robinson Muhammad Ali Joe Louis Jesse Owens Ernie Banks and many more When necessary the editor provides commentary to provide context or illustrate key points **Culture and Customs of the United States** Benjamin F. Shearer,2007-12-30 American life and culture is truly unique in that it was born from many other cultures around the world When immigrants migrated to the Land of Opportunity they brought with them pieces of their own heritage foods religions holidays festivals music and art just to name a few Through time these customs have developed into what we now know as American life Explore how even within the US various cultures and customs differ from New England to the Midwest to the Pacific Discover how many religions are practiced all over the country and how each sect differs in its celebration Learn how gender plays an important role in American society and how things have changed and progressed in the past century Readers will learn about American holidays religious federal and even those fabricated by Hallmark and television Sports leisure activities and fashion also play a major role in American culture as discussed in this all encompassing work Discover how American cuisine has evolved from other cultures such as Italian Greek Mexican Chinese Indian and West Africa and how each region has its own indigenous dishes including New England clam chowder Southern jambalaya and Mid western lutefisk Contemporary and classic literature is also discussed along with the evolution of poetry Readers will learn about the development of mass media as well

as the growth of cinema and films from the first silent film to today's popular blockbuster trilogy *Pirates of the Caribbean*. Music and dance are also discussed in detail covering the New York Philharmonic to Woodstock. Contemporary art and architecture is discussed as well as types of housing across all the regions of the U.S. This unique two-volume addition to the *Culture and Customs of the World* series gives high school students both national and international the chance to examine the United States from the outside in. The mosaic of American culture comes to life in this expansive yet detailed study of what makes the United States a complex blend of customs and traditions. Each volume in this comprehensive two-volume study offers chapters that detail how American life was born and how it has grown, covering the history of customs as well as how traditions are now celebrated in New England, the South, the Midwest, the Pacific Northwest, and the Southwest, as well as Alaska and Hawaii. Narrative chapters include the following:

The Kings of Casino Park Thomas Aiello, 2011-08-07

In the 1930s, Monroe, Louisiana, was a town of twenty-six thousand in the northeastern corner of the state, an area described by the *New Orleans Item* as the lynch law center of Louisiana. Race relations were bad, and the Depression was pitiless for most, especially for the working class, a great many of whom had no work at all or seasonal work at best. Yet for a few years in the early 1930s, this unlikely spot was home to the Monarchs, a national caliber Negro League baseball team. Crowds of black and white fans eagerly filled their segregated grandstand seats to see the players who would become the only World Series team Louisiana would ever generate and the first from the American South. By 1932, the team had as good a claim to the national baseball championship of black America as any other. Partisans claim with merit that league officials awarded the National Championship to the Chicago American Giants in flagrant violation of the league's own rules. Times were hard, and more people would pay to see a Chicago team than an outfit from the Louisiana back country. Black newspapers in the South rallied to support Monroe's cause, railing against the league and the bias of black newspapers in the North, but the decision, unfair though it may have been, was also the only financially feasible option for the league's besieged leadership, who were struggling to maintain a black baseball league in the midst of the Great Depression. Aiello addresses long-held misunderstandings and misinterpretations of the Monarchs' 1932 season. He tells the almost unknown story of the team, its time, its fortunes, its hometown, and positions black baseball in the context of American racial discrimination. He illuminates the culture-changing power of a baseball team and the importance of sport in cultural and social history.

Philly Sports Ryan Swanson, David K. Wiggins, 2016-05-20

Philadelphia sports, anchored by the Eagles, Flyers, Phillies, and 76ers, have a long and sometimes tortured history. Philly fans have booed more than their share and have earned a reputation as some of the most hostile in the country. They've been known to jeer Santa Claus and cheer at the injury of an opposing player. Strangely though, much of America's perception of Philadelphia sports has been shaped by a fictional figure, Rocky. The series of Hollywood films, named after their title character, has told and retold the Cinderella story of an underdog boxer rising up against long odds. One could plausibly make the argument that Rocky is Philadelphia's most famous athlete. Beyond

the major sports franchises and Rocky lesser known athletic competition in Philadelphia offers much to the interested observer The city s boxing culture influence on Negro Leagues baseball role in establishing interscholastic sport and leadership in the rise of cricket all deserve and receive close investigation in this new collection Philly Sports combines primary research and personal experiences playing in the Palestra scouting out the tombstones of the city s best athletes enjoying the fervor of a Philadelphia night with a local team in pursuit of a championship title The essence of Philadelphia sport and to a certain extent the city itself is distilled here

Basketball Empire Lindsay Sarah Krasnoff,2023-09-07 The National Basketball Association NBA founded over 75 years ago is staging a 21st century takeover Watched in 215 countries and territories worldwide and with nearly one in three players born and trained overseas it is no longer just about America In this book Lindsay Sarah Krasnoff shows how basketball s global takeover could not have happened without France exploring its interactions with the United States and colonial legacies with francophone Africa and the Afro Caribbean Taking us back to the very beginnings of basketball she shows how remnants of empire have shaped the game Asking how and why so many French basketball players have joined the NBA and WNBA Basketball Empire explores what this has meant for the league and the players themselves Going behind the scenes it follows the generations of men and women who since 1950 have followed their passion for the game to create a basketball breeding ground Including interviews with players sports journalists league directors and coaches past and present it uncovers the transatlantic networks and complex Franco American relations that have nurtured a mutual exchange of culture technical skill and knowledge These first hand accounts supported by media and government archives show how these forms of sports diplomacy sowed the seeds of a basketball revolution and helped make the NBA a global cultural entity Arguing that basketball is deeply indebted to France s colonial history and close albeit complicated relationship with the United States this book is about the creation of a cultural empire and shows how sports can be the vehicle to build bridges between nations

Mr. Basketball Michael Schumacher,2008-08-01 Drawing on interviews with former teammates opponents coaches friends and rivals a definitive portrait of the first dominant big man in professional basketball celebrates the sixtieth anniversary of George Mikan s debut with the Lakers chronicling his college and professional career and critically assessing his key influence on the evolution of the modern NBA Reprint

Abe Saperstein and the American Basketball League, 1960-1963 Murry R. Nelson,2013-04-05 This book examines the American Basketball League and its short history beginning with its conception in 1959 60 and its two seasons of play 1961 1963 The league was the first to use a trapezoidal wider lane and a 30 second shot clock as well as the 3 point shot With a team in Hawaii the league created an adjusted schedule to accommodate the outsize distance Many players such as Connie Hawkins and Bill Bridges and coaches such as Jack McMahon and Bill Sharman later found their way to the NBA after the collapse of the league but it took more than 15 years for wide acceptance of the 3 point shot John McLendon and Ermer Robinson were the first two African American coaches in a major professional league as they both

debuted in the ABL **Beyond the Black Power Salute** Gregory J. Kaliss, 2023-04-18 Unequal opportunity sparked Jim Brown's endeavors to encourage Black development while Billie Jean King fought so that women tennis players could earn more money and enjoy greater freedom Gregory J Kaliss examines these events and others to guide readers through the unprecedented wave of protest that swept sports in the 1960s and 1970s The little known story of the University of Wyoming football players suspended for their activism highlights an analysis of protests by college athletes The 1971 Muhammad Ali Joe Frazier clash provides a high profile example of the Black male athlete's effort to redefine Black masculinity An in depth look at the American Basketball Association reveals a league that put Black culture front and center with its style of play and shows how the ABA influenced the development of hip hop As Kaliss describes the breakthroughs achieved by these athletes he also explores the barriers that remained and in some cases remain today
