There's Been A Life! Alex Norton, 2014-11-17 Since his first tentative steps on stage Alex Norton's career has been both highly colourful and eventful beyond his wildest dreams His journey from the streets of Glasgow's notorious Gorbals to blockbuster Hollywood movies has rarely been smooth but in a career spanning six decades he has pretty much seen it all and done most of it When the teenage Alex discovered acting was a great way to meet girls he was hooked for life and embarked on an adventure that has taken him from kids TV to radical theatre and from panto to Hollywood working with a host of famous faces along the way As a jobbing actor in the late sixties Alex met and played guitar with young Davy Jones on a movie set the next time he saw him David Bowie had hit the big time Alex has appeared in iconic movies like *Local Hero* Gregory's Girl and *Braveheart* nearly killed Clint Eastwood on a movie shoot in South Africa had whale for dinner in Moscow with John Voight been named by Dudley Moore as the funniest actor he'd ever worked starred alongside Johnny Depp in *Pirates of the Caribbean: Dead Man's Chest* and made an everlasting mark on British television as DCI Matt Burke in *Taggart* Uproariously funny and highly entertaining in *There's Been A Life* Alex Norton takes us on an irreverent journey behind the scenes of a showbiz life very well lived **The Dew of Their Youth** Samuel Rutherford Crockett, 1910 **The McBrides**

John Sillars, 2022-08-01 In *The McBrides: A Romance of Arran* John Sillars spins a compelling tale set against the picturesque backdrop of the Scottish island of Arran As the title suggests the novel delves into the romantic entanglements of the McBride family exploring themes of love heritage and the unforgiving forces of nature Sillars imbues the narrative with a deep sense of place employing a writing style that simultaneously evokes the rugged beauty of the setting while delving into the intricacies of his characters' inner lives The prose exudes a timeless quality resonating with the literary context of classic romantic literature and further enriched by Sillars' intricate storytelling and nuanced character development John Sillars emerges as a storyteller deeply connected to Scottish culture and the rich tapestry of its history His writing reveals an intimate familiarity with the locale's natural landscape and a penchant for capturing its influence on the human spirit This connection is likely drawn from Sillars' own life experiences and perhaps a personal affinity for the wild untamed elements that characterize Arran The evocative power of his descriptions suggests a writer who not only researches his setting thoroughly but also has a profound appreciation and passion for capturing its essence on paper *The McBrides: A Romance of Arran* is a testament to Sillars' mastery of the written word and his ability to transport readers to the heart of Scotland's enchanting terrain It is highly recommended for anyone with an interest in romantic narratives that are as much about place as they are about people Lovers of literature that paints vivid landscapes with carefully chosen words as well as those intrigued by the interplay between human emotions and the natural world will find this novel a delightful and immersive
