Spinoff Lisa Rademakers, Daniel Coleman, 2012-02-13 **Spinoff 2012** Daniel Coleman, Lisa Rademakers, Samson Reiny, 2013-02-06 NP 2012 11 912 HQ Provides an in depth look at how NASA s initiatives in aeronautics and space exploration have resulted in beneficial commercial technologies in the fields of health and medicine transportation public safety consumer goods environmental protection computer technology and industrial productivity **Spinoff Innovative Partnerships Program 2009** National Aeronautics and Space Administration, Innovative Partnerships Program (U S), NASA Center for AeroSpace Information (U.S.), 2009-11 Provides an in depth look at how NASA s initiatives in aeronautics and space exploration have resulted in beneficial commercial technologies in the fields of health and medicine transportation public safety consumer goods environmental protection computer technology and industrial productivity **Monthly Catalog of United States Government Publications** , 2001 **Executive Teams in Research-Based Spin-Off Companies** Rigo Tietz, 2013-04-10 Research based spin off companies are a special subgroup of new technology based ventures and play an important role for innovation and economic development Executive teams of academic spin offs face several challenges in building up sustainable and profitable ventures because they often lack managerial and entrepreneurial skills Based on a quantitative analysis of 193 German spin offs RigoTietz examines the relationships between executive team characteristics strategic decision making and firm performance The study contributes to the entrepreneurship and strategic management literature and has practical implications for entrepreneurs and managers policymakers and practitioners of start up initiatives and technology transfer organisations **Trends In Innovation And Entrepreneurship Research: Ecosystems, Digital Technologies And Responses To Shocks** Alexander Brem, Jin Chen, 2023-06-28 The chapters in the book focus on recent developments in the field of technological innovation and entrepreneurship It is structured in three parts The focus is on innovation and entrepreneurial ecosystems digital technologies and innovation as well as responses to pandemics resulting from external shocks Carefully selected on the basis of relevance and rigor the chapters in the book take the readers through various trending research topics **The British Sitcom Spinoff Film** Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i e the exploitation of proven product with a ready made audience it is argued that with a longevity stretching from Arthur Askey and his wartime Band Waggon 1940 to the crew of Kurupt FM and their recent People Just Do Nothing Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works

from *Hi Gang* 1941 to *I Only Arsked* 1958 establish the genre's characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like *Till Death Us Do Part* 1969 *On the Buses* 1971 *The Likely Lads* 1976 and *Rising Damp* 1980 the genre's revival since the late 1990s reveals a more parodic final stage with films like *The League of Gentlemen's Apocalypse* 2005 adopting a consciously self reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical re presentations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality

SBIR at NASA National Academies of Sciences, Engineering, and Medicine, Policy and Global Affairs, Board on Science, Technology, and Economic Policy, Committee on Capitalizing on Science, Technology, and Innovation: An Assessment of the Small Business Innovation Research Program--Phase II, 2016-05-02 The Small Business Innovation Research SBIR program is one of the largest examples of U S public private partnerships and was established in 1982 to encourage small businesses to develop new processes and products and to provide quality research in support of the U S government's many missions The U S Congress tasked the National Research Council with undertaking a comprehensive study of how the SBIR program has stimulated technological innovation and used small businesses to meet federal research and development needs and with recommending further improvements to the program In the first round of this study an ad hoc committee prepared a series of reports from 2004 to 2009 on the SBIR program at the five agencies responsible for 96 percent of the program's operations including NASA In a follow up to the first round NASA requested from the Academies an assessment focused on operational questions in order to identify further improvements to the program Public private partnerships like SBIR are particularly important since today's knowledge economy is driven in large part by the nation's capacity to innovate One of the defining features of the U S economy is a high level of entrepreneurial activity Entrepreneurs in the United States see opportunities and are willing and able to assume risk to bring new welfare enhancing wealth generating technologies to the market Yet although discoveries in various fields present new opportunities converting these discoveries into innovations for the market involves substantial challenges The American capacity for innovation can be strengthened by addressing the challenges faced by entrepreneurs
