Bauer,2012-05-11 Like UFO s Big Foot and the Bermuda Triangle the Loch Ness monster continues to fascinate us by the persistence of its mystery While many authors have focused upon the search for Nessie Bauer is the first to present a detailed and balanced look at the history of the controversy surrounding this search Bauer is much more concerned with examining the sociological psychological and philosophical aspects of the Loch Ness controversy than with proving or disproving Nessie s existence He shows that the Nessie phenomenon has much to tell us about how we acquire our beliefs about the nature of the scientific enterprise and about the adversarial relationship between mainstream science and fringe subjects such as Nessie The result of more than a decade of research Bauer s study includes both famous and little known photos and illustrations the most complete bibliography yet compiled on the subject and a list of close to 800 reported sightings Whether you believe in Nessie or laugh at the mere thought of believing you ll find The Enigma of Loch Ness both entertaining and enlightening **The History of the Rolex Awards for Enterprise** ,1996 **Palms in Forest Ecosystems of Amazonia** Francis Kahn,Jean-Jacques de

Granville,2012-12-06 Palms are tropical miracles Heinrich Heine the German poet stated Unter den Palmen wandert man nicht ungestraft i e one does not wander unpunished under the palms It was Professor H C D de Wit who taught me this in the late 1950s and it is a pleasure to forward this message to the next generation in such an appropriate book Both authors as I know them will bear the punishment of the palms They will never be without palm nostalgia if and when living somewhere outside this world s tropical and subtropical palm belt Palm nostalgia goes further than palms alone It concerns the landscape the short but splendid sunsets and last but not least the tropical people Their elegance of living structured in subtler ways than managers will ever understand their laughter which may be a more decisive weapon against the troubles
