Vande Kappelle, 2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself Whereas the first volume examines the spiritual journey inward this companion volume examines the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so

doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others **Can These Bones Live?** Barry Harvey, 2008-08 A Baptist theologian shows how all churches including the free churches will benefit from deeper roots in the broad catholic Christian tradition *Discovering God as Companion* Mariellen Gilpin, 2007-03-06 Have you had an experience of the presence of God Has a voice a vision a dream changed your sense of who you are Has a sense of oneness with God changed your life Are you hungry for a God who provides real guidance This book is for you Have you wondered if God exists Have you wondered if God cares about you Do you wonder if God is still talking to humans Do you yearn to love God but feel you need to be introduced This book is for you In a context in which an intimate interactive relationship with God is not always highly valued understood or actively nurtured and whose importance as the root of social action is sometimes overlooked this book witnesses to the action of God in the lives of Friends today and their response to it *Mysticism at work* Frances Taber Ohio The stories range all over the human condition and encompass such a broad variety of peoples experience of God that when one needs to read the words of another human being wrestling with an experience similar to ones own it is possible to find it among the many stories All of us have so much of the world in our lives dragging us away from faith that this kind of book is what we need Rita Varley Philadelphia Yearly Meeting Library What Canst Thou Say is a quarterly newsletter that has gathered stories of Quakers sharing their first hand mystical experience and contemplative practice It is produced cooperatively by a group of volunteers who themselves have felt the movement of the Spirit and wish to deepen their understanding by interacting with others This book includes some of the stories and poems published in the first ten years as celebration of our tenth anniversary *Henri Nouwen and Soul Care* Wil Hernandez, 2008 A synthesis of Henri Nouwen s integrated approach to spiritual formation which is both driven and tempered by his integral relationship with psychology ministry and theology **Genius Born of Anguish: The Life and Legacy of Henri Nouwen** Michael W. Higgins, Kevin Burns, 2014-05-14 An intimate look at this important spiritual writer s life enriched with the personal accounts of some of the people closest to him friends family and colleagues A twelve page photo section is included [Spirituality in Clinical Practice](#) Len Sperry, 2012-01-26 Psychotherapists are increasingly expected to incorporate the spiritual as well as the psychological dimension in their professional work Therapists also are increasingly required to utilize evidence based practices and demonstrate the effectiveness of their practice An ever increasing number of spiritually oriented psychotherapy books attest to its importance but unlike these books that primarily focus on the therapist s spiritual awareness the second edition of *Spirituality in Clinical Practice* addresses the actual practice of spiritually oriented

psychotherapy from the beginning to end Dr Len Sperry master therapist and researcher emphasizes the therapeutic processes in spiritually oriented psychotherapy with individual chapters on the therapeutic relationship assessment and case conceptualization intervention evaluation and termination and culturally and ethically sensitive interventions The days of training therapists to be spiritually aware and sensitive to client needs are over therapists are now expected to practice spiritually sensitive psychotherapy in a competent manner from the first session to termination Dr Sperry organizes his text around this central focus point and as in the original edition continues to provide a concise theory based framework for understanding the spiritual dimension Readers can use this framework as the basis for competently integrating spirituality in an effective evidence based psychotherapy practice

Using the Bible in Spiritual Direction Liz Hoare, 2016-01-10 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction
