## **Spirit Circle A Story Of Adventure Shamanic Revelation:**

**Spirit Circle** Hal Zina Bennett, 1998 A story of adventure and shamanic revelation this fast paced mystery is based on ancient legends of the Southwest Bestselling novelist Lynn V Andrews Medicine Woman called it a marvelous story with all the twists and turns deserving of the deeper spiritual mysteries it unfolds as enchanting as it is deepening and enlightening The Story Tara Fairfield an anthropologist at a western university goes in search of her missing father The journey takes her into remote indigenous sites in New Mexico where mythology and contemporary reality collide There she is initiated into a shamanic culture of healing and transformation guided by an ancient prophecy that she must ultimately share with others Like Tara readers are brought closer to spiritual meaning and purpose where their own inner world connects them with ancient truths and brings them closer to the natural world Award winning book illustrator Angela Werneke compares Spirit Circle to a Tony Hillerman mystery shape shifted to spiritual odyssey with appeal for readers exploring Earth based spiritual traditions While a highly engaging novel readers will also enjoy the author's epilogue and his discussion of the active role of shamanism in modern life linking it to events described in the story Includes easy to apply principles of the ancient Medicine Wheel traditions and ways to use this spiritual tool for self consulting and deepening understanding of our relationships with each other in contemporary life

**Spirit Animals and the Wheel of Life** Hal Zina Bennett, 2001-02-01 Though our ancient ancestors had a deep spiritual connection to the natural world most modern humans have lost that connection resulting in ever increasing ecological assaults on our planet As environmental quality continues to worsen we must find a way to spiritually reconnect with Mother Earth before it is too late Ecospiritualism is a form of spirituality that embraces and takes responsibility for the natural world we live in One of the most practical enjoyable and simple ways of reclaiming our ecospiritual connection with Mother Earth is journeying with the spirits of animals just as our ancestors did thousands of years ago Animals most intimately connect with Mother Earth are the perfect guides to the ancient wisdom we have lost Mole eagle badger wolf bear mountain lion each animal has its place on the sacred medicine wheel each has knowledge vital to the future of our Earth and to rediscovering our rightful place in it In Spirit Animals author Hal Zina Bennett offers an accessible form of spiritual orienteering in which personal power animals are the guides and teachers and shamanism is the means by which we work with and learn from them

**The Lens of Perception** Hal Zina Bennett, 2012-09-05 The lens of perception the part of human consciousness that experiences reality is a core concept in virtually every spiritual and psychological tradition from ancient Buddhism to Native American shamanism to Jungian psychology Hal Zina Bennett proposes that if we can comprehend and harness this consciousness we can shape our experiences and fulfill our greatest potential By deconstructing the inner workings of the human mind this skillfully written book unravels the Gordian knot of reality itself A guided tour of human consciousness that takes the reader from individual self awareness to becoming the co creator of reality An underground cult favorite that was way ahead of its time reissued as a New Thought classic in a freshly revised third edition Thanks to the success of the film What the Bleep Do We Know which has grossed over 12 million and inspired hundreds of online discussion groups alternative consciousness is hot again
